IN LOVING MEMORY OF PAULINE (POLLY) PRIVETTE

Mrs. Attie Pauline (Polly) Horton Privette was born on October 7, 1916 and departed this life on March 4, 2001. For twenty-two years (from April 15, 1963 to December 2, 1985) "Ms. Polly" served along side her husband, Rev. Henry Privette, in faithful and effective ministry in the Atlantic Baptist Association: Henry as Director of Missions and Polly as his partner.

In honor of Mrs. Polly Privette we are pleased to dedicate this 2001 Annual.

First and foremost, Polly served her Lord and Savior Jesus Christ in the capacity of wife and mother. Her life and "quiver" were filled with Dr. Jerry A. Privette and his wife, Linda, of Fort Worth, Texas; Diane Privette Cranford and her husband, Joe, of Concord, North Carolina; Phyllis Privette Willis and her husband, Rev. Lowell Willis, of Matthews, North Carolina; Malcolm Privette and his wife, Denise, of Gainsville, Florida; Dr. Douglas Privette and his wife, Terry of Greenville, North Carolina; and Alton Privette and his wife, Karen, of Oriental, North Carolina. In addition, eighteen grandchildren, seven great grandchildren, two brothers, and two sisters cherish her memory.

In the Atlantic Association, Polly specialized in ministry to Japanese people. Using the Laubach Method, Polly taught literacy classes for the Japanese and for workers on board the Cherry Point Marine Corps Air Station. Polly also taught Bible studies, helped people become citizens, provided wise and caring counsel, and prayed with countless persons. In addition, she was faithful in a once-a-week ministry to residents of the Britthaven Nursing Home sponsored by the Cherry Point Baptist Church and she served as a deaconess of First Baptist Church of Havelock.

Solomon surely had a woman like Polly in mind when he wrote, "**A wife of noble character who can find? She is worth far more than rubies."** *Proverbs 31:10*

We of the Atlantic Association who were privileged to know Polly Privette will be forever grateful, and want to take this opportunity to acknowledge our deep love and abiding respect for a dear friend and devoted servant of the Lord.

Constitution

of the

ATLANTIC BAPTIST ASSOCIATION

PREAMBLE

Associations being a proven way of helping churches carry out the Great Commission, we the missionary Baptist churches of Beaufort, Carteret, Craven, Jones, and Pamlico counties voluntarily agree to cooperate according to the objectives, doctrines, and structures set forth in this constitution. No compromise of local church autonomy is implied or follows from membership in this Association or from relationships the Association maintains with the Baptist State Convention of North Carolina, Southern Baptist Convention, or any other person or group determined by the Association - meeting in Executive Committee or Annual Session - to advance the cause of Christ.

ARTICLE I - NAME

Our name shall be the "Atlantic Baptist Association of North Carolina, Incorporated."

ARTICLE II - MISSION

Under the leadership of the Holy Spirit, the mission of this Association and its officers shall be to train, counsel, encourage, and otherwise assist member churches TO fulfill their scriptural mandate to worship God, love their neighbor, evangelize the lost, and disciple believers in the name of the Lord Jesus Christ (cf., Mark 12:29-31; Matthew 28:19-20).

Inasmuch as cooperation among churches is usually more productive than acting alone, the mission of this Association shall also include initiating such mission advance or outreach activities as shall be judged appropriate by the Association.

ARTICLE III - STATEMENT OF FAITH

Christ and Scripture - the living and written Word of God respectively - shall be the source of our beliefs and basis of our fellowship. *The Baptist Faith and Message* adopted by the Southern Baptist Convention in 1963 expresses the doctrinal positions of the Association.

ARTICLE IV - MEMBERSHIP

Under the Lordship of Jesus Christ, Baptist churches are completely free and sovereign to conduct their business as they see fit. The same goes for Baptist Associations. Membership in this Association, therefore, does not confer to the Association any authority over member churches, nor may churches exercise authority over the Association.

Affiliation between churches and the Association, being free and voluntary, is predicated only on acceptance of the mission and doctrinal positions set forth in this constitution and on active, cooperative participation.

SECTION 1. GRANTING MEMBERSHIP

A. Churches desiring membership in this Association shall - upon official church action - apply directly to the Association meeting in annual or executive session. Such applications shall be presented in writing.

The Association shall, in turn, receive as information and forward such applications to the Membership Committee for study and recommendation.

B. Upon receiving referrals of membership applications from the Association, the Membership Committee shall - over a one year period - take appropriate steps to determine whether applicants evidence suitable compatibility with the Association in spirit and doctrine.

C. Following this one year review, the Membership Committee shall report a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant watchcare status.

D. The Association shall then decide whether to grant watchcare status - a status that carries with it the same rights and privileges as full members with the exceptions of voting and holding office.

A two-thirds vote of ballots cast shall be required to grant watchcare status.

E. After observing churches received under watchcare for one year, the Membership Committee shall bring a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant full membership based upon cooperation, participation, spirit, and doctrine.

A vote to grant full membership shall also require a two-thirds favorable vote of ballots cast.

SECTION 2. WITHDRAWING MEMBERSHIP

A. Membership may be withdrawn when churches no longer cooperate or participate in the life of the Association. Membership may also be withdrawn when churches deviate doctrinally from positions set forth in *The Baptist Faith and Message*.

B. The procedure whereby membership may be withdrawn is as follows:

1. Authorization to take steps toward withdrawing membership may be given only by the Association meeting in annual or executive session. The Membership Committee may, however, request such authorization.

2. Such authorization to review membership status is indicated when churches evidence noncooperation, nonparticipation, or doctrinal deviation.

3. Once authorized, the Membership Committee shall conduct a thorough examination before returning a recommendation to the Association.

During this period, the Membership Committee shall take appropriate steps to bring those congregations being examined back into fellowship.

4. Should these restorative efforts fail, the Membership Committee may recommend watchcare status (not withdrawal of membership) to the Association.

Watchcare status - with its attendant loss of all voting and office holding privileges - shall go into effect upon a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

5. Such watchcare status shall last one year, after which the Membership Committee shall recommend restoring full membership or withdrawing membership altogether.

As with the vote on watchcare status, a vote to restore or withdraw membership shall require a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

SECTION 3. TRANSFERRING MEMBERSHIP: Any church requesting transfer to another Association may be granted a letter of dismissal by presenting a written request to the Association.

SECTION 4. MESSENGERS TO THE EXECUTIVE COMMITTEE AND ANNUAL MEETINGS: All congregations holding full membership in the Association may send up to ten (10) messengers to Executive Committee and Annual meetings.

ARTICLE V - PARLIAMENTARY PROCEDURE

Robert's Rules of Order, in its latest edition, shall be the accepted authority in conducting the business of the Association.

ARTICLE VI - AMENDMENTS

Proposed amendments to this constitution may be put to a vote at any Annual Meeting provided the following conditions are met:

A. Proposed amendments shall first be submitted in writing to the Association at the October meeting of the Executive Committee.

B. The Executive Committee shall, in turn and by majority vote, refer proposed amendments to the Constitution and By Laws Committee for study and recommendation.

C. Written copies of proposed amendments shall be given to the Executive Committee at their January meeting by the Constitution and By Laws Committee along with the committee's recommendation.

D. Proposed amendments shall be presented and voted upon at the Annual Meeting.

The same conditions apply to a completely revised or re-written constitution.

Any actions taken on constitutional matters shall require a two-thirds favorable vote of ballots cast by duly elected messengers.

Atlantic Baptist Association

One Hundred and Eighteenth Annual Session

April 26, 2001
CROSSROADS BAPTIST CHURCH, NEW BERN

1. The One Hundred Eighteenth Annual Session began with an hour of worship with Rev. David W. Phelps, Director of Missions, as guest speaker. The Youth group "Silent Proclamation" of Cape Carteret Baptist Church gave a special presentation of Christian Drama.

2. Rev. John Thompson led the congregation in blended worship hymns and choruses.

3. Mr. David Butler, Moderator, called the Business Session to order. He expressed appreciation on behalf of the Association to Crossroads Church for hosting the meeting tonight.

4. Dr. George Tumlin, Pastor of Fort Barnwell Baptist Church, led in prayer.

5. Mr. David Butler, Moderator, shared the need for all of us to sense the presence and the power of the Spirit of the Lord as he had during the worship time, and pray that all things would be done to bring honor and praise to God's name.

6. Mr. Max Miller, Treasurer, gave the treasurer's report. He commented that it was always good to give good reports and this was the best of all reports. Because of the faithful commitment of the churches their gifts have exceeded over 13% of the previous year-an excess of $25,000. This brought a total of $217,000 resulting in the budget of $200,000 being surpassed for the first time in the history of the association. The churches are to be commended for what they are doing for the Kingdom of God through the association. There were only three overspent items, Utilities, WMU, Maintenance of Equipment/Property, Senior Adults, and Evangelism. These items will be addressed in the report from the Finance Committee. The Money Market account is now being more adequately used and will accrue more interest than the regular checking account. As of February, 30-day Certificates of Deposit were purchased. by way of a $70,000 transfer. The CD's will allow funds to be readily available for transfer to the General Fund when needed with little or no penalty. Mr. Miller then made a motion that the report be adopted as printed. Motion carried.

7. Rev. Michael Fields, Chairman of the Finance Committee gave his report. He stated that the Association was financially healthy. He thanked the committee members for their support and work this year. He asked Rev. Jack Bowen share a report on new items now in our budget for 2001-2002. Rev. Bowen explained the following new items: Line Item 118, Medical/Dental Bus, $1,000, (will assist the Hispanic people with some of their medical needs) and Line Item 119, Samaritan's Purse, $600.00 (funding that will assist in transporting the Christmas boxes). Rev. Fields then explained other changes in next year's budget as follows:

   Decrease in Budget Items:

   Decrease in Line Item 103 Church Needs by $925.00 to $1,075.00
   Decrease in Line Item 204 Postage by to $1,750.00 to $3,20.00
   Personnel Salaries:
   Decrease in Salary Line Item 301 by $2,600 to $26,564
   Increase in Housing Line Item 303 by $2,600 to $19,000.

   Increase in Budget Line Items:

   Line Item 206 - Utilities –by $1,750.00 to $8,250.00
   Line Item 207 - Maint. - Equipment/Property-by $200.00 to $10,400
   Line Item 603 -WMU- by $75.00 to $1,075.00
   Line Item 607 - Evangelism Promotion - by $575.00 to$4,575.00
   Line Item 609 - Senior Adults - by $75.00 to $775.00

   Rev. Fields made a motion to adopt the 2001-2002 budget. Motion carried.
   Rev. Fields then made a motion that amendments and changes to the new budget be

approved. Motion carried.

8. Dr. Tom Denton, Eastern Area Manager of Development and Trustor Services, gave his report on recent endowments within the Association. In the last six months two special individuals from our churches passed away, Mr. Joe Cunningham and Mrs. Polly Privette. Their families have wished for them to be remembered in a special way. The family of Joe Cunningham began a trust for a Missions Fund. This fund will 1) provide scholarships for a youth to go on a mission trip who otherwise could not go; 2) to provide funds for young couples to go on a mission trip. The second missions endowment in honor and memory of Mrs. Polly Privette, is given to provide support through the Atlantic Association any particular need within the Association. Dr. Denton then presented packets of zinnia seeds to the congregation promoting the cause of the North Carolina Baptist Foundation.

9. Mr. Sylvia Miller, Chairperson of the Nominating Committee, thanked her committee for their diligence in selecting officers, committee members, and directors for the 2000-2001 year in the Association. She reported that there are three positions yet to be filled. Mrs. Miller made a motion that the report be accepted. Motion carried.

10. Rev. David W. Phelps, Director of Missions, gave his report. He thanked Dr. Don Hadley for his insight in bringing about the dedication of the 2001-2002 Book of Reports in honor and memory of Mrs. Polly Privette. Rev. Phelps commended the churches of the Association in their giving. He said it is very rare for every single church to give to an association. These gifts provide more substantial programs that will benefit each church. This past year was the first year to have the Dental Bus come to this area and plans are being made to have it available three times during the next year. It has and will be an evangelistic tool as well. Last year one person was saved during the use of the Dental Bus. We are hoping to plant a Hispanic church in the Fort Barnwell area. They are already having approximately twelve Hispanics attending. Pray for the establishment of this new work. Rev. Phelps shared that during his first year as Director of Missions he has been in every church in the association at least one or two times and found good leadership throughout. He has noted that the Association is of 4 distinct cultures – suburban, military, rural, and coastal. This diversity is our strength. We are the second widest association in the state. He has enjoyed being in every church and commends all pastors for their desire to lead their church with integrity. Rev. Phelps asked for continued prayer for Betty Murphy, the Association's Administrative Assistant. She is slowly regaining strength following her surgery for cancer and is now making a choice of treatment. He asked that we take a moment of silent prayer on her behalf. He also thanked Mrs. Gail Edge and Mrs. Betsy Lawrence for their assistance during Mrs. Murphy's absence. He also thanked Mrs. Beth Hassell for being an "ideal financial secretary" and doing a great job for our financial program. He further expressed his thanks to Mr. David Butler, Moderator, for bringing his humor and class to our meetings last year. He added that looked forward to serving with the new moderator, Rev. Tom Willoughby. This will be the last year in partnership with Africa, the last trip being made in September. We should always be willing to go "across the street" with missions as well as across the sea.

11. Moderator David Butler thanked David Phelps and Jack Sisson for allowing him to serve as moderator. He shared that he believed greater days are yet to come in our

Association. He then passed the gavel to Rev. Tom Willoughby who will serve as Moderator for 2001-2002. Rev. Willoughby extended his appreciation for this opportunity to serve. He then closed the meeting with prayer.

BAPTIST MEN

Report to the Association
2001

Atlantic Baptist Association men are alive and active in many parts of mission work.

A team of volunteers went to Ukraine to finish a church there and to buy a sawmill to keep the struggling church alive. Bible School for our 150 children was held while Ukraines flooded in to see Dr. Joe Overby for help and medicine.

Teams went to Honduras to help rebuild the lives of those people who lost everything. Homes were built and friendships established.

Teams are still helping to build and repair homes in many areas of North Carolina that were destroyed by Hurricane Fran. Handyman Ministries continues building ramps and repairing homes for the elderly and sick. New men's groups are still being formed in order to begin more work across the association.

Teams have also gone to Alaska to do different kinds of work to help the missionaries and pastors there. This partnership and the partnership with Africa are also still open for teams to go. Call Raymond Earp (252) 728-3070 for additional information on partnerships, ministry of Baptist men as well as regional meetings available to all groups.

Respectfully submitted,
Raymond Earp, Director

BUILDING AND GROUNDS COMMITTEE

Report to the Association
2001

During the year 2000-2001 the Associational Resource Center has been well maintained. Mrs. Pat Nickel continues to clean the building on a weekly basis and the grounds are kept looking beautiful by Richard's Lawn Service. Many repairs were made such as replacing a missing letter on the brick sign, an electrical outlet moved in the Director of Missions office to allow the new cabinets to be installed properly, the kitchen faucet replaced, Plexiglas placed over the stove and sink to avoid staining the walls, and loose bricks on the front steps were cemented. Due to rust and corrosion, bids were taken to replace one of the heat pumps in case it should stop but fortunately, it continues to work well. The Policy and Procedures for use of the building and equipment were updated. Community service organizations have held meetings in the conference room but only the non-profit groups serving the community are permitted to use the building for meeting purposes.

Respectfully submitted,
Mrs. Katie Atkinson, Chairman

CHURCH CONFLICT MEDIATOR

Report to the Association
2001

The past year saw several requests initiated by both pastors and church boards for conflict mediation services. The intensity of conflict ranged from severe to mild. The number of mediation sessions varied from two to eight, depending on the complexity of the issues and the level of systemic historical dissonance.

Churches to which services were rendered all appear to have achieved, or are progressing well toward spiritual health and wholeness.

Calls from a few individuals proved to be more related to dissension between the individual calling and the pastor or church body rather than wider distributed church conflict. Counsel on the biblical model for resolving differences was offered along with prayer on those occasions.

The willingness of our churches to see Associational assistance in conflict mediation is commendable. All church bodies engaged in the conflict mediation process expressed and demonstrated an openness to seeking the will of God's Spirit.

The Director of Missions and the Church Conflict Mediator attended the North Carolina Baptist Convention's Conflict Mediation update workshop in September 2000.

Respectfully submitted,
Dr. George Tumlin, Mediator

CHURCH MEDIA LIBRARY ORGANIZATION

Report to the Association
2001

Wow! - The year 2001 - a new millennium and a new Director. My name is Kevin Beck and I have assumed the position of Director. Gail Edge has done a great job over the years and it will require a lot of work to fill her position. I am going to try and do my best.

I have been in contact with the State Convention trying to find out all I can so that I can do the best job possible. We have a tremendous amount of resources available through our Association and Convention. There are many new training videos available at no cost from the state. You only have to call and order, use them, then send them back. I hope to coordinate through all the churches in our Association and share all our resources. I know that we all have budgets to purchase material, but we also need to be good stewards of GOD'S money.

A media center is a great asset to any church. Some are larger than others are. That is where sharing comes in. No matter the size, you have great assets to share.

I am also available to any church to help them organize a discipleship plan. Discipleship is a very important part of the spiritual growth of each individual and the church. I pray that all churches will have a program in place before the fall quarter. We have quite a few great classes when we go to Caswell. Plan on attending.

The State Media Resource Center phone number is 1-800-395-5102, extension 160 if you would like a list of videos you can borrow. The call is free and so are the resources.

May God bless all. Please pray for me as I come into this new position.

Respectfully submitted,
Mr. Kevin Beck

DIRECTOR OF MISSIONS

Report to the Association
2001

In now completing my first year as Director of Missions, I am quite certain that Atlantic Baptist Association is one of the most diverse associations in the state. As of the annual meeting I will have been in every church at least twice. We are a compilation of four cultures: Coastal (especially "Down East"), Suburban (New Bern and Morehead City), Military (Havelock and surrounding area), and Rural (Jones, Pamlico, Beaufort, and

western Craven counties). While this Association has its own unique challenges, I must emphasize that it has its unique gifts and strengths. I am convinced that our diversity is by far our greatest strength! There is much we can learn *from*, and we can give *to* one another. With the variety of resources and perspectives, there is much we can accomplish in fulfilling the Great Commission if we will but only be proactive in our joining together to reach out to the fields which are "white unto harvest."

During this associational year, our disaster recovery efforts have continued following Hurricane Floyd over a year ago. Construction will continue through this summer. We have facilitated a ministry called *Divorce Care*, a Christian program for those recovering from divorce, resulting in two professions of faith and many re-dedications. We are now starting our third generation of this ministry. For the first time we brought in the N.C. Medical/Dental Bus, working in conjunction with our Hispanic church, Shalom Baptist in Morehead City. We hope to bring it back numerous times as an outreach tool for our churches. Once again we participated in "Operation Christmas Child," whereby you surpassed all previous levels in giving. The Association Resource Center is not only the gathering center for the Association, but is becoming the focal point for our area where other churches bring their Christmas gifts. It is to your credit that we are taking the lead in presenting the gospel in this manner.

Furthermore, Havelock Community Baptist Church was voted into full membership of the Association this year, and Cherry Branch Baptist Church is to be voted upon for membership during our annual session. The Missions Development Council is currently studying possibilities for more church plants to begin. Also, they have planned an Association wide mission trip to South Africa this coming September. Most of the ongoing work of the Atlantic Baptist Association is not mentioned here, so let us thank the scores of volunteers who work and serve in a multitude of areas. May we continue to "work for the night is coming."

DISCIPLESHIP TRAINING REPORT

Report to the Association
2001

Spiritual transformation is God's work of changing a believer into the likeness of Jesus by creating a new identity in Christ and by empowering a lifelong relationship of love, trust, and obedience to glorify God.

Transformational discipleship is what happens in a church when its members have experienced spiritual transformation. Every program, every member in the life of a church should have the goal to help believers be transformed into the likeness of Jesus. The Discipleship Training Ministry of the Atlantic Baptist Association exists to serve the churches and members of our Association to be spiritually transformed.

This past Associational year we have purchased the Adult Leader Kit "How Now Shall We Live?" by Charles Colson. This study, video and workbook, is a radical challenge to the church and all Christians to go beyond salvation to understand biblical faith as an entire worldview, a perspective on all of life. It is an excellent study to equip us to build a society that reflects biblical principles.

In January, 2001 we started the first of a series of six conferences on discipleship during our quarterly Church Leadership Conferences. The first conference was on "Growing Disciples in Your Church – The Why of Disciple Making." Later conferences will include "Transformational Discipleship," resources for disciple making, and practical how-to's. The coming Associational newsletters will give more information.

As a part of growing disciples, the Discipleship Training Ministry sponsored a Seminary Extension course entitled "How to Understand the Bible." Twelve adults from three churches participated. If you are interested in a more academic (college-level) study of the Bible, theology, and church ministry, please contact the associational office. Courses are available for a class of adults or for independent learning.

The Discipleship Training Ministry of our Association is ready to assist you and your church in making disciples for our Lord Jesus Christ. Call us if you need information on resources, on the process of disciple making, conferences for our Association or for your church, or if you just want to dialogue with someone who shares your heartbeat for making disciples. We're here to serve you.

Making Disciples for Jesus,
Dr. Randy Outland, Director

EVANGELISM COMMITTEE

Report to the Association
2001

The Evangelism Committee continues to maintain its focus on the twofold task of challenging churches to be on mission and to develop under the leadership of Christ.

This year's Associational Spiritual Growth Conference was successful with some format changes made from last year. First, the location was moved to Temple Baptist in New Bern to see what affect, if any, it would have on attendance. Secondly, Herb Reavis gave a pastoral emphasis in the Tuesday morning session while Jamie Ragle gave a special youth emphasis in a Tuesday afternoon session. Finally, Mended Wings provided music for the services.

Neither the Monday evening session nor the Tuesday morning session experienced a noticeable difference in attendance. However, both the Tuesday afternoon youth session and the Tuesday evening session experienced great attendance, with some 72 decisions in all for Christ and many renewals of commitment.

A bookstore was provided in Temple's Family Life Center for the purchase of books on spiritual growth, music, and sermon tapes. Many sermon tapes of the services were sold.

The Evangelism Committee strives to promote evangelism strategies for the Association. Please feel free to give us your input on how we can serve you more effectively. It has been indeed an honor to serve you.

In His Love,
Dr. Stephen E. Cobb, Chairman

FAMILY LIFE MINISTRIES

Report to the Association
2001

Providing family resources for our Ministers in the Atlantic Baptist Association continues to be my main focus in Family Life Ministries. Every minister is working to provide guidance for church members of all ages from birth through death. This is an awesome task and I am privileged to partner with him in this effort.

Strengthening husband wife relationships is a number one concern, for where this relationship is strong, problems of children are prevented or minimized in most instances. Information and assistance has been provided for retreats, workshops and special events. Numerous family problem phone calls come on the Care Line 633-2273 because word has spread that we can help. Some of these calls come from non-churched people and other denominations as well as our own.

Improving communication, resource management, living with teens, options for elder care, understanding advance directive, bereavement and grief, preparing for college interviews, making the most of life, mentoring and coaching, marriage enrichment, joy, spiritual gifts, goal setting, affirmation, and communicating feeling are major topics I have addressed in group settings and written about in Association newsletters.

The tapes "Life Lifts" are being used with the pillow project adopted by the Association WMU members. These flannel pillows are being made for persons who are confined to bed rest or wheel chairs and those who have become very thin due to prolonged illness. They relieve pressure points and reduce discomfort as well as remind recipients that the pillows are sewn with love and stuffed with prayers. A "Life Lifts" tape can be provided with the pillows. If your church is not participating in this project please contact the Association office to secure directions and tapes.

Staying in touch with schools, counselors, universities and community colleges enables me to be helpful to parents and students in decision making relative to education. In this position, I write many letters of encouragement, recommendation, and appreciation, and make many, many phone calls.

I continue to serve on the Board of Directors for Chrysalis Counseling Center and Craven Regional Medical Center. Each year I provide communication training for new Hospice volunteers. I was also an unsuccessful candidate for the Craven County School Board. These activities provide linkage to the community so I am better informed and more able to meet the needs of our people. I have also visited more churches this year to provide church site teaching related to interpersonal relationships.

I have had great support from Director David Phelps, Betty Murphy, Ministers and total staff, for which I am deeply grateful. And to each of you, "Thank you for the privilege of being your partner."

Your Partner,
Dr. Myrle Swicegood

FINANCE COMMITTEE

Report to the Association
2001

The 2000-2001 Finance Committee has completed a review of the Association's financial records and operation procedures for the fiscal year beginning May 1, 1999 and ending April 30, 2000.

The review covered an examination of the Association's quarterly payroll taxes and verification was made that the premiums on the Association's liability insurance coverage had been paid. We randomly selected two months of the past year and thoroughly examined the handling of all cash receipts and disbursements, including a review of cancelled checks and deposit slips for the selected period. Based on the assumption that these samplings represent the condition of all records and procedures for the fiscal year, we feel there is no need for further inspection.

The Finance Committee believes that all monies received by the Association have been properly handled and accounted for and that proper procedures for the disbursement of all funds have been faithfully followed.

The staff and officers of the Association are to be commended for keeping the financial records of the Association's ministry efforts up-to-date, easy to understand, available for review, and above reproach. The churches of Atlantic Baptist Association thank you.

Respectfully submitted,
Rev. Michael Fields, Chairman

HISTORIAN

Report to the Association
2001

We are glad to say that the Y2K Bug did not get us. We are well into the second year in the new millennium. Some say that we are in, "New Beginnings," but every day with God is, "New Beginnings." "It is of the Lord's mercies that we are not consumed because His compassions fail not. They are new every, morning; great is thy faithfulness" (Lamentations 3:22-23). There are new beginnings for Cherry Branch Baptist Church. It was granted watchcare status by our Association. It was new beginnings for our Association and our Black brothers and sisters as their church, Havelock Community Missionary Baptist Church, was welcomed into full membership of the Association.

Some milestones were reached. Three of our churches were organized in years ending with zero. Trenton was organized in 1870 was 130 years old in 2000. Dover was organized in 1900 and would have been 100 years old but we lost fellowship with them recently because of inactivity. Victory Church was organized in 1980 and is now 20 years old. Piney Grove, Jones County, the third oldest church, organized in 1831 is 170 years old this year. First Baptist, Beaufort, the fifth oldest church, organized in 1851 is having a year-long celebration during the year 2001. River Bend Baptist Church is now twenty years old.

The prophet Isaiah enjoins us, "Enlarge the place of thy tent, lengthen thy cords and strengthen thy stakes" (Isaiah 54:2). Our churches are doing that. Havelock, First, has recently purchased property and now has four and one-half acres of adjacent lots.

Parkview plans to clear land in order to provide much needed parking space. Tabernacle has voted to acquire 34 acres on Highway 70 East as a site to extend God's ministries. Temple is growing and is in need of larger facilities so they have begun the search for property on which to relocate.

Mrs. Attie Pauline Horton Privette of Gainesville, Florida, died Sunday, March 4, 2001 . She was the wife of a former Director of Missions, Henry A. Privette. She lived and worked in our Association for 37 years. Wasn't it fitting that our beloved "Miss Polly" went home to be with her Lord on the Lord's Day.

It is wonderful to see how our churches have helped each other as well as those of other faiths. Huggins Memorial in Harkers Island was damaged by four different hurricanes in three years. Hurricane Fran took its steeple off in 1996. It lost three classrooms and a part of the sanctuary by Hurricane Bonnie in 1998. Hurricane Dennis took a portion of the roof in 1999 as well as causing rain damage to the sanctuary. Neighboring Woodville and Davis Churches sent in teams to help. The Baptist Men and our Association provided money for new pews and shingles. A team from Lafayette Baptist Church, Fayetteville, came to help as well as the North Carolina Men. For the last five years a Black Congregation has been meeting in the Chapel for worship at First Baptist, New Bern. Because of deterioration their church was condemned. It is one of the oldest church buildings in New Bern. Several churches helped Havelock Community Missionary Baptist Church during her organizational years and in construction of their sanctuary. In September churches in the area joined in making the Annual Inmate Family Picnic at the Correctional Center in Newport a wonderful success. Several churches in our coastal region joined to help in the Martha's Mission 2000 Food-A-Thon. In the fall thirty-one of our churches and other community groups prepared and sent 3,182 Samaritan's Purse Christmas Shoe Boxes to children of foreign countries. One of the greatest ministries to each other is "447-Pray," when we lift our churches and our people to God's Throne of Grace.

Our churches are still in the process of helping churches in Central America. Mission Teams from Bogue Banks have gone for six consecutive years to Guatemala to build churches, conduct medical clinics, and fit eyeglasses. They have completed five churches in six years totally funded by the Bogue Banks congregation. Michele Schuemaker and Angela Shaver from Havelock, First, joined with Teen Mania Ministries Campus Crusade for a month long ministry to people of all ages in Santa Cruz and the Andes Mountains in Bolivia, South America. A group from Morehead City, First, spent time in July hard at work in Guatemala City in construction and backyard Bible Clubs. During Spring Break, eleven adults and youth from First Baptist, New Bern, worked on construction of a church in Honduras. In June a group from the Association returned to the Ukraine to participate in medical missions and construction. In September, five men from First Baptist, New Bern made a maiden voyage to Alaska and did construction work on the facilities at Grandview Baptist Church in Anchorage. Our Director of Missions, David Phelps, was part of a mission trip to England in April where the group ministered in areas south and east of London. In Ashford Kent, a town renowned for satanic activity, they were literally accosted by a group of Satanists. They invited them to a worship service and three self-professed witches made a profession of faith in Jesus Christ. Isn't God good!

Disaster Recovery Teams are still working in areas flooded from the rains and winds of Hurricane Floyd in September 1999.

A group of young people from Tabernacle has been engaged with the New Restoration Christian Cathedral Family in Atlanta, Georgia. They helped in "Raising the Roof," on a run down building in an almost abandoned shopping center in Atlanta.

The Beach Ministry continues strong. In the summer of 2000 over 500 youth and adult leaders came to the Crystal Coast to perform a variety of ministries. Some came from as far as Texas and Ontario, Canada.

River Bend entered a new concept in worship. They built an outdoor worship center last summer. This will be a witness to people who see God's people worshiping Him. This can be a strong witness because it is located within feet of U.S. Highway 17 south of New Bern.

On August 11, 2001 McCotter Boulevard Church observed a 24-hour prayer vigil in the church sanctuary. Each participant wrote visions they had for the church and placed them in a box. On the following Sunday evening there was a church-wide discussion of the visions submitted by members that God was calling that church to minister and witness through.

First Baptist, Beaufort, used the Old Homes Tour of their town to hand out cups of lemonade, tea, water, and Gospel tracts. "Carpenters for Christ Mission," at Tabernacle projects a strong witness for our Lord. In the first year after Hurricane Floyd the carpenters worked on 28 homes, expended over $50,000.00, and donated 7700 hours to our Lord. There were probably many bottles of liniment used to ease sore backs and muscles.

The students and Youth Director, Sharon Bender, at Tabernacle Church are active in "Campus Committed, a student led Bible Study at New Bern High School. Sharon leads the group on Wednesday morning at 7:00 A.M. They were also instrumental in organizing "See you at the Pole." It is about students meeting at the flagpole on the school campus to pray for their school, friends, teachers, government, and nation.

In November 2001 we elected a new president and a new governor to lead our nation and our state for the next four years. Our new governor is already pushing for a statewide lottery. Some of our state's religious, business, academic, and civic leaders are mounting a vigorous campaign to stop it. Let us Christians here in the coastal area be strong and vigilant to see that nothing invades the borders of our state that will harm our citizen, diminish our witness or discredit our Lord. "Therefore, ye beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord" (I Corinthians 15:58).

Jane Marshall Jenkins

MISSIONS DEVELOPMENT COUNCIL

Report to the Association
2001

The Atlantic Baptist Association continues to have the Great Commission as the heartbeat and lifeblood of our fellowship. Year after year, God reinforces our belief that we are more useful to His Kingdom purposes as an association of cooperating churches than we would be as individual churches. You have charged the Missions Development Council with providing strategic planning and leadership in carrying out the Great Commission at the Association level.

God has continued to work through our Association as we have supported new church starts, partnership missions, language ministries, disaster relief, the Seaman's Center, resort ministries, Intracoastal Waterfolk Ministry, Family Life Ministry grants, and prison ministry. Our churches continue to send mission teams around the nation and around the world.

The Missions Development Council is available to member churches as a resource in the area of mission involvement. Please call on us to assist you in any aspect of expanding missions in your church. One area of particular interest is starting new churches. David Phelps, Director Missions, Paul Flewwellin, New Work Coordinator and Jack Bowen, Council Chairman, attended a Church Planter Basic Training Course. We are ready to consult with churches interested in being partner/sponsor for a new church.

Thank you for your support of the Atlantic Baptist Association this past year. We look forward to being partners on mission during the year ahead.

Respectfully submitted,
Missions Development Council

MUSIC MINISTRY

Report to the Association
2001

The MUSIC MINISTRY of your church reaches out to all ages in the community. It is so important to have some kind of music program offered for each age. For many years, churches have had choirs for children and adults. Now the emphasis seems to be placed on "SENIOR ADULTS." This is a "power source" in your church family. They have experienced so much during their lifetime. It is important to "tap in" on their knowledge. They also love fellowship. Just think! Every church with a "SENIOR ADULT" choir. Many of them will still remain in the regular Adult Sanctuary Choir, but they can also sing in a "special" choir just for Senior Adults. They can meet during the morning. They are always on call for funerals. They already know all the "old" songs. Let me encourage you to begin a choir just for Senior Adults this coming year.

THANKS again to everyone who sang in the Associational Choir for the Spiritual Growth Conference meeting at Temple Baptist Church. You were great! Maybe we should have more of this. I'll think about it.

I sincerely hope that in the coming year we can have a time for church choirs to come together to sing one or two specials for each other. This will let us experience many kinds of worship music.

Musically yours,
Rev. John Thompson, Director

NEW WORKS

Report to the Association
2001

As the Atlantic Baptist Association New Works Coordinator, I would like to report a summary of this past year's actions. We are currently looking at various areas in our Association for new church plants. All areas being considered are still in the very early stages of planning.

This past year I have been sent for training at the Key Leader Conference and Church/Mentor Training. Both have proved to be very helpful and informative.

David Phelps, our beloved Director of Missions, and I are working on developing policies (guidelines) for new church starts, and also developing a policy and procedures manual for the New Works Coordinator position.

It has been a pleasure serving in this area for the Association, as well as a learning process this year. I am looking forward to the coming year seeing our Association grow as we build up the Kingdom of God by developing new works and plant more growing churches for His glory.

May God continue to bless the Atlantic Baptist Association and our efforts at new works and planting new churches.

In Christ,
Rev. Paul D. Flewwellin, Coordinator

ORDINATION COMMITTEE

Report to the Association
2001

The Ordination Committee of the Association has been asked two times since our last report to meet with two candidates for ordination consideration. The committee met at the Associational Center to consider the candidates for questioning in view of ordination. These two candidates were recommended for ordination to their respective churches.

The Ordination Committee serves at the request of the local church. The committee provides professionally qualified ministries who are charged only with making recommendations. The local church has full jurisdiction in all matters related to licensing and ordination.

Dr. Gilbert Cook, Sr., Chairman

PERSONNEL COMMITTEE

Report to the Association
2001

In the year 2000 we said good-bye to two fine Interim Directors of Missions – Jack Sisson and Dr. Burke Holland. However, God continues to bless our Association by sending Rev. David Phelps to fill this vital role. Along with David, God sent us a Church Conflict Mediator, Dr. George Tumlin, who replaced Jack Sisson.

We express our deep appreciation for the marvelous job David Phelps is doing since becoming our Director of Missions. Everything I have heard has been very positive on his behalf.

Mrs. Betty Murphy has had a re-occurrence of illness and is out of the office at this time. We are fortunate to have Mrs. Gail Edge to fill in during Betty's illness.

We are so blessed to have on our Associational Staff Mrs. Betty Murphy, Administrative Assistant; Mrs. Beth Hassell, Bookkeeper; Dr. Myrle Swicegood, Family Life Ministries Coordinator; and Dr. George Tumlin, Church Conflict Mediator. They always deserve our support for their faithfulness to God's work. Let's continue to lift up all our staff in our prayers daily.

Respectfully submitted,
William (Buddy) Jones

RESORT MINISTRY

Report to the Association
2001

For four weeks in July of 2000, we had over four hundred youth and their leaders performing resort ministry in our Association. Youth on Mission, a Rocky Mount based organization, coordinated mission teams from churches all over the country. These young people had a significant impact as God used them to share the love of our Savior in the communities and churches in which they ministered.

The area is now one of the largest concentrations of Youth on Missions. I encourage each church to take advantage of the opportunities that this group has to offer in our Association. Youth on Missions is planning to have teams in our Association in late June through the middle part of this coming year.

SECRETARIES CONFERENCE

Report to the Association
2001

What a year the secretaries have had! We have seen God work in our own lives and in the places we are privileged to work and minister. We ask everyone to continue to pray for Mrs. Betty Murphy and Mrs. Anita Reed. Our prayers are that God will bring them both back to work very soon!

At our quarterly meetings, we had a great time of fellowship, a time to be refreshed, and a time to reflect on how we can better minister in our respective churches. In October we had the opportunity to meet our new Director of Missions, Rev. David Phelps. Rev. Phelps shared with us how important the church secretaries' work is in ministry. We also said goodbye to Mrs. Gail Edge as she retired from Temple Baptist Church. Then, we welcomed Gail back as she very capably stepped in during Betty's absence. In February, Gail joined us again as she shared with us how we can best utilize volunteers in the church office. For our April meeting we were entertained and inspired by the clown ministry of Mrs. Brenda Newton of McCotter Boulevard Baptist Church. We also celebrated the

upcoming birth of Mrs. Missy Zachewicz's baby. Missy is a secretary for Tabernacle Baptist Church.

I invite all secretaries both paid and volunteer to attend our quarterly meetings. I can guarantee you will leave refreshed, encouraged and inspired, having shared in fellowship with these great women.

In His Name,
Mrs. Lynn Gilmette

SENIOR ADULT MINISTRY

Report to the Association
2001

SENIOR ADULTS.....WHO ARE THEY! They are the people in your church who need to be heard! They are the people who know the most Bible material. They are the people who have loved the Lord for many, many years. They are the people you can depend on! If they say they will do something...you can be sure that they will do it. They are the ones who can sing at funerals. They are the ones who cook the best food for special events. They are the people that you need to have behind the staff. They are the people who love fellowship. They are the people who ask questions about church history. They lived it! **Now...attention all senior adults...do the above comments refer to you?** I sincerely hope so. You can be a great asset to your local church. You can also be a stumbling block. Please don't be the one who keeps the church from moving forward. You are a great Christian...so...let your love for the Lord show through you every day. God loves you....I love you....your family loves you....let your church love and appreciate you.

SENIOR ADULT RALLY: We again had two great senior adult rallies this past year. The attendance was a little off at the last one but the fellowship was great! The programs were very good! If you have any suggestions for programs, please give me a call. I'm always open to suggestions.

KEEP THE SENIOR ADULTS on the go! Plan little "day trips" that they can go to. Don't be so serious all the time. Plan some trips just for fun!

Growing Older Every Day!
Rev. John Thompson, Director

SINGLE ADULT MINISTRY

Report to the Association
2001

The Adult Singles Ministry went through several changes in leadership. Eleanor Jones had to step down due to health problems. During her tenure, the Single Adult Ministry continued to grow not so much in numbers but in fellowship. A built-in support group was definitely created when a special need was brought to the attention of the Atlantic Baptist Association due to the Single Adult Group. This need brought about the beginning of the Divorce Recovery Program now being held at the Associational Center. Eleanor served through August and then Norma Clark began as interim director, making sure the 4th Saturday meetings were continued.

During Norma Clark's leadership, she was able to get speakers for the following months. The Jacksonville Singles Group led our group with fun and games with a Beach Theme. At another meeting, Connie Mason led the group telling stories about the Core Sound people and then entertained us by singing fishing shanty songs. Dr. Tom Denton gave us details and information on "Wills". This session having a time of questions and answers also provided us with the information needed in order to make a will. In November, we were all able to celebrate "Thanksgiving" again with "fried" turkey on the menu, which was new to some of us.

The ministry will continue into the new year with JoAnn Tadlock of Cherry Point Baptist Church, as the new director. This was an answer to our prayers and we are thankful for God's continued leadership in this ministry.

Respectfully submitted,
Norma Clark

STEWARDSHIP

Report to the Association
2001

The need for churches and individuals to be good stewards of time, talents and finances is of vital importance to the furtherance of God's kingdom. We continue to emphasize these principles in our quarterly conferences. We also have an on-going educational process to see that the local church is compliant to tax requirements and in providing the most beneficial compensation for staff.

SUNDAY SCHOOL

Report to the Association
2001

Reports from our churches in the past year have revealed a very positive gain in both total Sunday School enrollment and in average weekly attendance. Such results have proven in the past to impact in a powerful way the work of the churches in other areas of ministry. An increase in enrollment leads to an increase in average attendance, which often results in more baptisms. Additional leaders are found, new teaching units are begun, and more effective ministry is accomplished. Our churches are to be applauded for their work in the Bible teaching area.

The regional emphasis begun in 2000 in the Havelock area saw two workshops offered for preschool and children's workers and for general officers. This was the first year this new strategy was attempted. Those participating gained valuable knowledge in their work. Some important lessons were also learned in how to make these regional clinics of more value for the area churches. These lessons are already being applied to the next focus region, the churches in the Down East area of Carteret County, a region fast growing in population.

As new people move into our churches and the overall demographics of our

Association changes, the lessons of Sunday School development must continually be relearned. New leaders must be trained in the methods of Sunday School organization. New teachers must be trained in sound teaching skills. Leadership that has been the backbone of our ministry for years should be reeducated to be able to address the needs of people in the 21st century.

Such tasks to maintain and strengthen Sunday School growth are neither easy nor comfortable, but they are essential. The year 2001 can be a truly great year as we place ourselves fully under the control of the Lord and depend upon him for all things.

Rev. Tom Lamkin, Director

VACATION BIBLE SCHOOL

Report to the Association
2001

This past year we "Dove" into Vacation Bible School with LifeWays's curriculum "Ocean Odyssey, Diving into the Depths of God's Faithfulness." What an adventure we had! Over all the attendance at the training clinics was low, but effective to all who came. Thanks to McCotter Boulevard Baptist Church and Newport Baptist Church for hosting the clinics. We have received reports from about 20 churches that conducted some form of Vacation Bible School.

Way to go!

As we "explore" VBS, another adventure awaits us - "Truth Trackers and the Secret of the Stone Tablets" John 4:16. We will discover the truth of God's Word and what He desires from each of us.

Our Association VBS Team will be available to assist each VBS leader with their needs. We will have a training clinic at Cherry Point Baptist Church on Monday, April 30th beginning at 6:30 P.M. until 9:00 P.M. This will be the only clinic offered this year, so mark your calendars and plan on attending.

Vacation Bible School is a time to reach those that may not other wise attend church. It is a fun-filled, spiritual adventure for all! REACH, TEACH, AND WITNESS!

WOMAN'S MISSIONARY UNION

Report to the Association
2001

The theme for this year is BEYOND BELIEF!! Ephesians 3:20-21 says: "Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be glory for ever and ever." I must point out that our team under the WMU has been blessed. Our team planned well and worked hard to accomplish what was done this year.

We were pleased to have Jane Gainey join us as our new Women on Missions Leader. Jane is from Cherry Point Baptist Church. She was preparing to retire from her teaching

position when she accepted the Lord's leading. I recognized Jane's talent when I was invited to speak during the Home Missions Week at Cherry Point Baptist. I spoke of my experience on starting a Mission in Wayne County, Utah. It is the only Christian Church now in that county.

We are pleased that Brenda Jones agreed to continue to serve as our Girls in Action Leader. She serves us from Cape Carteret Baptist Church. Also, Charlene Moody continues to serve as our International Work Coordinator and is from Cape Carteret Baptist Church. Lucy Daniels is from McCotter Boulevard Baptist Church and will serve again as our Mission Friends Leader. We are still seeking an Acteens Leader.

Our planning team was able to turn a training need into a great training and fellowship event. We decided not to call our first year event "training" for our new and former leaders. Instead, we called it a "Fall Kick-Off" and invited our WMU, WOM, Acteens, GA's, and Mission Friends. It was held at Cape Carteret Baptist Church and featured Missionary Maureen Finnegan from Hawaii as our guest speaker. We had over 100 people attending from all groups and 16 churches represented. In the previous year we had only 14 attending. This was our way of knowing God does His job if we do ours.

In November we met at the Atlantic Baptist Association Center to meet with Edna Walters, Director of Development, NC State Convention. The purpose of the meeting was to learn about the program "A dime today for WMU tomorrow". We received the necessary information and also made plans for the upcoming March "Spring Fling" event. This event proved to be successful as well. It was held on March 9th at the Spring Garden Baptist Church. We had invited Phyllis Foy of the Executive Board of the WMU of NC Mission Field as our guest speaker. Our program included the youth and we had another great turn out. The learning and fellowship at our meetings demonstrate rather than display what each leader can do in their church and community.

Thanks to Lucy Daniels, who had gone on a Mission Trip to Swaziland, South Africa, we were able to have Monica Trice come as our speaker at our Annual Women on Missions Beach Retreat in February. Because Jane Gainey was so new to her position all of our team assisted her and worked together on this event. Each responded with great love for their Lord. The beach retreat was held at the Crystal Coast Inn at Atlantic Beach, February 2nd-3rd. Our subject was "We Shall Know Him by His Love." We were honored to have the participation of three youth groups: the Atlantic Creative Group, the Cape Carteret Silent Proclamation Group and the Spring Garden Puppeteers. Our Associational Director of Missions, Rev. David Phelps, led us in a message and candlelight service. We had over 200 attendees with 22 churches represented.

CONSTITUTION
of the
ATLANTIC BAPTIST ASSOCIATION
PREAMBLE

Associations being a proven way of helping churches carry out the Great Commission, we the missionary Baptist churches of Beaufort, Carteret, Craven, Jones, and Pamlico counties voluntarily agree to cooperate according to the objectives, doctrines, and structures set forth in this constitution. No compromise of local church autonomy is implied or follows from membership in this Association or from relationships the Association maintains with the Baptist State Convention of North Carolina, Southern Baptist Convention, or any other person or group determined by the Association - meeting in Executive Committee or Annual Session - to advance the cause of Christ.

ARTICLE I - NAME

Our name shall be the "Atlantic Baptist Association of North Carolina, Incorporated."

ARTICLE II - MISSION

Under the leadership of the Holy Spirit, the mission of this Association and its officers shall be to train, counsel, encourage, and otherwise assist member churches fulfill their scriptural mandate to worship God, love their neighbor, evangelize the lost, and disciple believers in the name of the Lord Jesus Christ (cf., Mark 12:29-31; Matthew 28:19-20).

Inasmuch as cooperation among churches is usually more productive than acting alone, the mission of this Association shall also include initiating such mission advance or outreach activities as shall be judged appropriate by the Association.

ARTICLE III - STATEMENT OF FAITH

Christ and Scripture - the living and written Word of God respectively - shall be the source of our beliefs and basis of our fellowship. *The Baptist Faith and Message* adopted by the Southern Baptist Convention in 1963 expresses the doctrinal positions of the Association.

ARTICLE IV - MEMBERSHIP

Under the Lordship of Jesus Christ, Baptist churches are completely free and sovereign to conduct their business as they see fit. The same goes for Baptist Associations. Membership in this Association, therefore, does not confer to the Association any authority over member churches, nor may churches exercise authority over the Association.

Affiliation between churches and the Association, being free and voluntary, is predicated only on acceptance of the mission and doctrinal positions set forth in this constitution and on active, cooperative participation.

SECTION 1. GRANTING MEMBERSHIP

A. Churches desiring membership in this Association shall - upon official church action - apply directly to the Association meeting in annual or executive session. Such applications shall be presented in writing.

The Association shall, in turn, receive as information and forward such applications to the Membership Committee for study and recommendation.

B. Upon receiving referrals of membership applications from the Association, the Membership Committee shall - over a one year period - take appropriate steps to determine whether applicants evidence suitable compatibility with the Association in spirit and doctrine.

C. Following this one year review, the Membership Committee shall report a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant watchcare status.

D. The Association shall then decide whether to grant watchcare status - a status that carries with it the same rights and privileges as full members with the exceptions of voting and holding office.

A two-thirds vote of ballots cast shall be required to grant watchcare status.

E. After observing churches received under watchcare for one year, the Membership Committee shall bring a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant full membership based upon cooperation, participation, spirit, and doctrine.

A vote to grant full membership shall also require a two-thirds favorable vote of ballots cast.

SECTION 2. WITHDRAWING MEMBERSHIP

A. Membership may be withdrawn when churches no longer cooperate or participate in the life of the Association. Membership may also be withdrawn when churches deviate doctrinally from positions set forth in *The Baptist Faith and Message*.

B. The procedure whereby membership may be withdrawn is as follows:

1. Authorization to take steps toward withdrawing membership may be given only by the Association meeting in annual or executive session. The Membership Committee may, however, request such authorization.

2. Such authorization to review membership status is indicated when churches evidence noncooperation, nonparticipation, or doctrinal deviation.

3. Once authorized, the Membership Committee shall conduct a thorough examination before returning a recommendation to the Association.

During this period, the Membership Committee shall take appropriate steps to bring those congregations being examined back into fellowship.

4. Should these restorative efforts fail, the Membership Committee may recommend watchcare status (not withdrawal of membership) to the Association.

Watchcare status - with its attendant loss of all voting and office holding privileges - shall go into effect upon a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

5. Such watchcare status shall last one year, after which the Membership Committee shall recommend restoring full membership or withdrawing membership altogether.

As with the vote on watchcare status, a vote to restore or withdraw membership shall require a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

SECTION 3. TRANSFERRING MEMBERSHIP: Any church requesting transfer to another Association may be granted a letter of dismissal by presenting a written request to the Association.

SECTION 4. MESSENGERS TO THE EXECUTIVE COMMITTEE AND ANNUAL MEETINGS: All congregations holding full membership in the Association may send up to ten (10) messengers to Executive Committee and Annual meetings.

ARTICLE V - PARLIAMENTARY PROCEDURE

Robert's Rules of Order, in its latest edition, shall be the accepted authority in conducting the business of the Association.

ARTICLE VI - AMENDMENTS

Proposed amendments to this constitution may be put to a vote at any Annual Meeting provided the following conditions are met:

A. Proposed amendments shall first be submitted in writing to the Association at the October meeting of the Executive Committee.

B. The Executive Committee shall, in turn and by majority vote, refer proposed amendments to the Constitution and By Laws Committee for study and recommendation.

C. Written copies of proposed amendments shall be given to the Executive Committee at their January meeting by the Constitution and By Laws Committee along with the committee's recommendation.

D. Proposed amendments shall be presented and voted upon at the Annual Meeting.

The same conditions apply to a completely revised or re-written constitution.

Any actions taken on constitutional matters shall require a two-thirds favorable vote of ballots cast by duly elected messengers.

BY LAWS
of the

In carrying out its mission, the Atlantic Baptist Association shall be organized into three councils - Missions Development, Church Development, and Administrative. These three councils report to the Association through Executive Committee and Annual meetings.

ARTICLE I - EXECUTIVE COMMITTEE

SECTION 4. COMMITTEES

A. NOMINATING COMMITTEE: Nine (9) members - who serve three year terms on a rotating basis - compose the Nominating Committee. The task of this committee is to nominate persons to serve in the offices and on the committees of the Association. These nominees shall be presented at the Annual Meeting in April. Committee recommendations do not preclude nominations being made from the floor. Subject to subsequent approval by the Executive Committee, the responsibility to fill vacancies occurring between annual sessions also falls to this committee.

B. ORDER OF BUSINESS COMMITTEE: The Moderator/President, Clerk, and Music Director compose the Order of Business Committee. The assignment of this committee - working with the Director of Missions - is

(a) to prepare a printed program for annual sessions, and

ATLANTIC BAPTIST ASSOCIATION

One Hundred and Nineteenth Annual Session

April 25, 2002
First Baptist Church, Beaufort

1. The One Hundred Nineteenth Annual Session began with an hour of worship. Rev. John Thompson led the congregation in a hymn. Guest speaker Dr. David Dean, Director of Missions of the Metro New York Baptist Association shared how God is working in New York City following the terrorist attack on September 11. We also enjoyed a presentation by the creative ministries group "Under His Direction" from Temple Baptist Church.

2. The Business Session began with congregational hymns led by John Thompson.

3. Rev. Tom Willoughby, Moderator, called the Business Session to order. He welcomed everyone and thanked First Baptist Church of Beaufort for their hospitality in hosting the meeting.

4. Mr. Mack Willis of First Baptist Church of Beaufort led in prayer.

5. Mr. Max Miller, Treasurer, gave his annual report. He commented that a good gauge of a healthy church or Association is how the membership responds to financial needs. That being the case, the Atlantic Baptist Association is one of the healthiest that you will find. He commended the churches for the $206,000 given in the past year and challenged them to continue. Mr. Miller explained that four line items in the current fiscal year are over budget. The Finance Committee will address this in their report. The balance of the CD account is $9,750.07. A transfer of $60,000 was made to a Money Market Account this time last year and has earned interest in the amount of $1,601.97. Mr. Miller thanked Beth Hassell for her outstanding job as Bookkeeper and David Phelps for his leadership as Director of Missions. He then made a motion that the financial report be adopted as printed. It was seconded. There was no discussion and the motion carried unanimously.

6. Rev. Michael Fields, Chairman of the Finance Committee, began by thanking the Finance Committee for all their hard work. He also commended Beth Hassell for her outstanding work as Bookkeeper. He made a motion that the proposed budget for 2002-2003 be adopted. The floor was opened for discussion and there was none. The motion carried unanimously. Rev. Fields addressed the issue of four line items in the current fiscal year that are over budget. He proposed the following adjustments to the current budget:

   Decrease:
   - line item 204 (postage) by 1,450.00 for new total of 2,750.00

   Increase:
   - line item 205 (hospitality) by 400.00 for a new total of 1,000.00
   - line item 402 (Staff SS/offset)by 900.00 for a new total of 6,370.00

- line item 606 (Media Library) by 50.00 for a new total of 500.00
- line item 617 (Exec Conf. Exp) by 100.00 for a new total of 600.00

A motion was made to accept the adjustments and was seconded. There was no discussion and the changes were approved unanimously.

7. Mr. Arnie Harrell, Chairman of the Nominating Committee, recognized the members of the Nominating Committee and thanked them for their diligence in selecting officers, committee members, and directors for 2002-2003. He explained that the committee wasn't 100% successful in filling each position. Two positions have been filled since the printing of the Book of Reports. Rev. Michael Fields will be serving as Chairman of the Evangelism Committee and Evangelism Director and Rev. Mike Huffman will also be serving on the Evangelism Committee. The unfilled positions include Youth Director, Survey Director, Chaplaincy Coordinator, Military Ministry Coordinator and Christian Life Director. A motion was made to accept the recommendations and was seconded. There was no discussion and the motion carried unanimously.

8. Rev. Tom Willoughby, Moderator, moved to accept the 119th Annual Book of Reports as printed. It was seconded and the motion carried unanimously.

9. Rev. Tom Willoughby, Moderator, explained that Dr. George Tumlin regretted not being able to attend the meeting to share his annual report but that a copy of the report is printed in the Book of Reports. Dr. Tumlin is dealing with time constraints due to extra military duties and will no longer be able to serve as Conflict Mediator for the Atlantic Baptist Association.

10. Rev. David W. Phelps, Director of Missions, thanked Dr. Tumlin for his work as Conflict Mediator and expressed his gratitude for the confidante Dr. Tumlin has been for him over the past two years. He explained that Dr. Myrle Swicegood also regretted not being able to attend the meeting as she was at a doctor's appointment with her husband, George. She assured him that she was present in spirit. He referred the congregation to her Family Life Ministries Report in the Book of Reports. Then Rev. Phelps shared his Director of Missions Report.

Statistics show that 85% of Southern Baptist Churches have reached a plateau or are declining. Rev. Phelps shared 5 indications of a healthy church: 1) It studies the Bible and practices it. 2) It is comprised of people who pray. 3) It worships in Spirit and in truth. 4) The people love one another and this love is an action not a feeling. 5) It is growing in numbers because the congregation is naturally involved in evangelism. The goal of the Association is to help our churches with each of these. Another goal in the next year is to explore the possibility of purchasing a van that will be available for mission trips and for smaller churches. In the next couple of years, another goal is to bring on another full time staff member, possibly a Minister of Education as a resource to the churches. Rev. Phelps shared a letter from Jack Sisson requesting prayer for a doctor and her husband in Cuba. They are in danger of losing their home and her practice since they hosted missionaries in their home. Rev. Phelps shared what an honor and privilege it is to serve in the Association. He expressed his

appreciation to Tom Willoughby for serving as Moderator for the past year and his anticipation in working with Needham Parks in the coming year. He thanked Beth Hassell and Caroline Burch for their work in the office. He requested continued prayer for Betty Murphy.

11. Moderator Tom Willoughby opened the floor for any new business and there was none.

12. Dr. Burke Holland shared an institutional report for the NC Baptist Retirement Homes. He thanked the churches for their financial gifts. He said senior adults are the fastest growing group in the U.S. and will remain so until 2035. It is projected that 5% of this group will require assisted living facilities. The financial gifts of the churches are very needed and used in the most resourceful way.

13. Rev. Tom Willoughby thanked David Phelps and the Association for allowing him to serve as moderator. The gavel was then passed to Mr. Needham Parks, Vice Moderator. Mr. Parks extended his appreciation for this opportunity to serve. He then gave the benediction.

BAPTIST MEN

Report to the Association
2002

This was an unusual year for our country and for Baptist Men. We served in many places and continue to go when we see the need. If you are not involved in our different ministries, I encourage you to get a program started. I spoke in several churches about mission opportunities available to everyone in 2001.

We sent teams to New York City to help at ground zero. This was an exciting experience as our team helped clean apartments filled with layers of dust and ashes. This was a ministry straight from the heart! A team went to Washington, D.C. to the Pentagon to help in a feeding unit set up by Baptist Men. This was called *Operation Noble Eagle* to help with rescue and recovery operations at the Pentagon after September 11th.

Mike Huffman, Pastor of Aurora Baptist Church, took a team to Swaziland as part of the South African Partnership. The team worked on building a church and held Vacation Bible School classes for children.

David Phelps, Director of Missions, and I went to Malaysia and Singapore on a survey team to plan work for teams to go in 2002 to build churches and conduct workshops.

North Carolina Baptist Men have planned a Partnership with Armenia to build churches and help the Christians in their country over the next three years.

Closer to home, teams continue to build and repair homes in the North River, South River, Havelock, and New Bern areas. These projects include building several ramps for the handicapped.

A number of us went for Disaster Recovery and Feeding Training. This is to help us be prepared to go in time of disaster. Call me if you are interested in participating and I will do all I can to get you on a team or show you how you can participate. Pray for our work as we continue to minister in Jesus' name.

Respectfully submitted,
Mr. Raymond Earp, Director

BUILDING AND GROUNDS COMMITTEE

Report to the Association
2002

Our committee has met just a couple of times this year as things seem to be running smoothly. We did have one major item of business. We updated the phone system.

I would like to thank the committee for their help and support.

Respectively submitted,
Mrs. Katie Atkinson, Chairperson

CHURCH CONFLICT MEDIATOR

Report to the Association
2002

The past year has proven to be trying times for numerous churches across our Convention. The general stress and trauma present in our society has been manifested in many churches in the form of disunity and discord. Six churches, deacon bodies, or pastors requested mediation services from the Atlantic Baptist Association during the past year. The level of conflict ranged from mild to severe. Some of the churches elected not to enter into a full mediation program but rather wanted advice or guidance through the immediate crisis. Others engaged in more extensive services either through the Association or the North Carolina Baptist State Convention resources. We must all guard carefully the unity and harmony of our congregations so that our evangelistic efforts will not suffer loss.

The Director of Missions and the Conflict Mediator attended the North Carolina Baptist Convention's Strategic Communication training in September and December 2001.

Respectfully submitted,
Dr. George Tumlin, Mediator

CHURCH MEDIA LIBRARY ORGANIZATION

Report to the Association
2002

What a great year. Much has been accomplished over the past year. Many churches have started libraries, some small and some very large. A library is a great asset for any church. People really enjoy reading. I am going to Caswell so that I can be a better Director.

The State has increased their resources available to you for FREE. Computers are really getting popular. Yes, they are some times trouble but when they work they really help you keep track of all of your books and media. There is great software available for you that will help you keep your library flowing well. I am going to learn all about it at Caswell.

I encourage some of your Library staff to go to Caswell and sit through several seminars. I am available to help your church establish a library, whether large or small. I also encourage each church to get volunteers to read each book before you put it out for check out. That way we know that it is a good book for Christians.

I will be praying for your church. Remember sharing is being a good steward of God's money.

May God bless each and every one of you. GET YOUR LIBRARY STARTED.

Sincerely,
Mr. Kevin Beck, Director

CONSTITUTION COMMITTEE

Report to the Association
2002

Established on the foundational principle that we can accomplish more through voluntary cooperation than through a lack of cooperation, our constitution continues to provide an effective structure within which the churches that make up the Atlantic Baptist Association can train their people and carry out the Great Commission within our "Judea" (c.f., Acts 1:8) of eastern North Carolina. Thank you for your cooperation and support this past year.

Respectfully submitted,
Dr. Don Hadley, Chairman

DIRECTOR OF MISSIONS

Report to the Association
2002

This last year has been packed full with a multitude of events and changes. Collectively, we have had more than 500 people attend our quarterly meetings, far more than most Associations. Our Church Development Council has done an excellent job coordinating our training conferences. In May, working with First Baptist of Havelock, the Association held a *Bible & Life Conference*, reaching out to youth and young adults with a concert on Friday night, and then reaching to everyone on Saturday with a variety of conferences related to the Bible.

The Missions Development Council made partnership missions a priority, sending a team to Swaziland. (This team flew out a few days *after* the September 11 tragedy.) Raymond Earp and I went to Malaysia as part of an exploratory team to begin a new partnership with Malaysia. It is my hope that the Association may send a team to Malaysia this coming year. We have a team going to Alaska this spring and we are planning to have a team head to Armenia this summer. Furthermore, a dozen from our Association went to help a fledgling church plant in upstate New York. Fort Barnwell Baptist Church continues to minister to the Hispanic community, and we are exploring avenues to establish a Spanish speaking church in cooperation with them. On three occasions we brought in the Medical/Dental Bus to minister to the Hispanic community. One final on-going mission endeavor is disaster recovery. Many across the Association have worked in the Grifton area, Pamlico County, and the Beaufort area with those who still are in need of assistance following the hurricanes of two years ago.

Other highlights for the year include a "down-east" Sunday School Conference facilitated by Tom Lamkin; the Spiritual Growth Conference was a great success, with Dr. Steve Hale as speaker; we had another generation of the divorce recovery series *"DivorceCare"* which met at the Associational Resource Center; the VBS training was held at Cherry Point Baptist Church under the excellent leadership of Carrie Burroughs; and our WMU leadership pulled off yet another outstanding Beach Retreat!

With great regret we received the resignation of Betty Murphy as the Association's Administrative Assistant due to the recurrence of her cancer. Please continue to pray for both her and her family. During the interim period, Mrs. Gail Edge was our God sent angel as she most ably covered the bases for us until we were able to find our new Administrative Assistant, Miss Caroline Burch. Caroline began the first of August and does an exceptional job. I thank God for her and want to encourage you to take a moment to get to know her whenever you call the Associational Resource Center.

I consider it a privilege to serve the Lord with you and look forward to the coming year.

God Bless you,
Rev. David W. Phelps
Director of Missions

DISCIPLESHIP TRAINING REPORT

Report to the Association
2002

As I write this report, I am not aware of this year's past activities. Randy Outland was the Discipleship Director, and has since moved to another place of ministry. Therefore, let me take advantage of this opportunity to share some vision for this vital ministry in our Association.

There is a tremendous need to disciple our people in the ways of God. The world seems to be influencing us more than God's Word. Our churches and ministers are in poor shape. What must we do in response? I would like to hear from people in our Association who have a passion for discipleship. Maybe you don't want to take a lead, but you want to help build up our Discipleship. I would like to put together a task group of leaders with specialized discipleship areas. With this group we can explore ways to help each church build stronger believers. If you or someone you know has this gift in ministry, please contact me so we can begin planning for the health of our churches. Thank you, and may God bless as we serve together.

EVANGELISM COMMITTEE

Report to the Association
2002

We, as a Committee, continue to seek God's command to reach the lost in our area of ministry.

This year we used only one speaker, Evangelist Steve Hale, for the Spiritual Growth Conference and received good reviews to the use of only one speaker for timing. I personally feel he (Steve) had more time to preach with less time constraints. We also dropped the Morning Service due to lack of participation in times past. Moving back to Parkview, I feel, more centrally located the conference due to the number of churches down east. We saw good numbers on Monday night and an increase on Tuesday night.

A bookstore was set up, as in the years past, with sales marginal, but receiving positive input and feel it was needed.

Music was provided by Covenant, a local group, with positive input from locals in the congregation.

We strive to serve the Association both spiritually and motivationally and request any input to better serve our Association of churches. I have been blessed to serve on this Committee and am honored to be trusted by those with me on this Committee.

In His Service,
Rev. William G. Cox, Chairman

Executive Committee Meeting

July 30, 2001
Parkview Baptist Church, Morehead City

1. Rev. John Thompson led the congregation in singing "Victory in Jesus."

2. Rev. Tom Willoughby, Moderator, called the meeting to order and welcomed those in attendance.

3. Mr. Needham Parks of Havelock Community Missionary Church, thanked Parkview for allowing us to use their church for this meeting. He then led in prayer.

4. Rev. Tom Willoughby received a motion to accept the minutes of the last meeting as printed. The motion carried.

5. Mr. Max Miller, Treasurer, announced that there are extra copies of the last meeting available in the foyer which include the year end report. If you did not receive one earlier please pick one up before you leave. Mr. Miller thanked Betty Murphy, Beth Hassell, and Gail Edge for all the work they have done in assisting with the financial reports. He also thanked the churches for their gifts

in support of the Association. Mr. Miller brought to attention the report showing the designated accounts. He explained that we were carrying a substantial amount in the checking account and receiving little interest. The committee decided to invest in CD's in order to increase interest. This report shows this transfer has already accrued $580.00 in interest. Other funds remain the same. Mr. Miller called for a motion that this report be adopted as printed. The motion was made and seconded. The motion carried.

6. The Financial Committee Chairman, Rev. Michael Fields presented his report. He stated that we are financially healthy. The committee made an earlier decision in April to reimburse account 205, (Hospitality/Operational Expense) with the $600 that had been transferred to account 403 (travel reimbursement/Ministry Expense). Rev. David Phelps explained these funds would be used in helping with meals for committee meetings and providing flowers for bereavement needs in the Association such as a death of a pastor's family member, etc. A motion was made and seconded to transfer the funds. The motion was approved. Rev. Fields thanked the committee for their integrity and faithfulness in their service to the Association.

7. Mr. Buddy Jones reported that the Personnel Committee had voted to recognize Mrs. Betty Murphy for her dedicated and committed service as Administrative Assistant to the Association in a special way. The committee voted to provide as severance pay for Mrs. Murphy five months paid medical insurance. Mrs. Murphy came forward and shared her gratefulness for the gift, the love shown her, and for working with such a great Association. She stated she would continue to be available to assist the Association in any way. Mr. Jones then recognized Mrs. Gail Edge for assistance to the Association for the past several months. He also thanked Mrs. Beth Hassell for her outstanding service to the Association. He then introduced Miss Caroline Burch who will begin her service as the new Administrative Assistant on Monday, August 6. Mrs. Edge and Miss Burch both made brief comments to the congregation.

8. David Phelps, Director of Missions, announced that Philip Rodgers had been called by Victory Baptist Church. He also shared Peletier Baptist Church had called Rev. Brad Parker as their pastor, adding that both young men would be doing an outstanding work for their churches. He reported that Spring Garden Baptist Church and New Bern, First, are narrowing down their selection for a pastor. Due to the absence of Rev. Mike Huffman, Rev. Phelps reminded the congregation of the South Africa trip coming up in September. If anyone is interested in going, they need to sign up quickly. The cost is $1,650 and they will need to have shots before they go. The Association will pay for the shots and also stated that scholarships are available to help in financing the trip. Fifteen persons have already signed up for the trip. They will be involved in building churches, teaching in schools as well as leading services in churches on Sundays and Wednesdays. Those who would be interested in the trip should contact him or Mike Huffman as soon as possible.

9, Rev. Rob Helton, former chairman of the Membership Committee, recommended a motion to grant full membership to Cherry Branch Baptist

Church to the Atlantic Baptist Association. The motion was seconded and carried. Moderator Tom Willoughby thanked the committee for their diligence in working with Cherry Branch Baptist. He then recognized members of Cherry Branch Church and welcomed them to the Association.

10. WMU Director Norma Clark presented her report. She shared about the recent trip to Fruitland Baptist Bible Institute made by her and several other ladies for a WMU workshop. She expressed how very beautiful Fruitland was and how meaningful the leadership workshop was for each of them as it focused on the adaptability of the churches and its mission work. She then reminded those attending of the upcoming emphasis and activities through the WMU program. North Carolina has been recognized as a missions oriented State mainly because of our involvement with the Samaritan's Purse. As a result of the WMU volunteering during this emphasis it has been called WMU Volunteer Day at Charlotte. She added that materials have been made available for you to help plan and list activities undertaken by your church. She then shared the promotion "A Dime A Day" which will provide funds to Camp Mundo Vista in Asheboro. This camp has been so vital in our young people learning about missions and this campaign would be an encouragement to that cause. Ms. Clark chose to use an example of her brother's ministry in collecting dimes to help purchase flowers for his church. Her next item of interest was that plans for the annual women's beach retreat for February 1-2, 2002 are now well underway. The main speaker will be a young lady who served as a missionary to China for a year. Virginia Woods from the International Mission Board will also be a speaker. Ms. Clark closed by saying it has been a good year for WMU and that she hoped she would "never forget to learn and continue to be blessed by people like you."

11. Rev. David Phelps began his report by thanking the WMU for the great work they are doing. He stated that the Baptist Men have done an outstanding job also. He then had Dr. Myrle Swicegood share a brief message. Dr. Swicegood explained the project "Life Lifts" pillows introduced at last year's WMU retreat. It consists of making flannel pillows for shut-ins and persons who are ill. Love Lifts tapes may also be shared along with the pillows. She has copies of instructions for making the pillows available tonight to those who are interested. She then thanked all those who had already made and shared the pillows with others. Rev. Phelps thanked Dr. Swicegood for her great ministry to the Association. He then reported on the growing Hispanic ministry at Fort Barnwell Baptist Church. The State Convention is working with Fort Barnwell Church in this new work. The pastor comes each Sunday from Jacksonville to lead the services. One of the Bible studies has already had 18 attending and one decision was made for Christ just recently. The Association also plans to bring the Medical/Dental Bus again this fall. Rev. Phelps shared how honored he is to serve in this Association. He encouraged prayer support for each church, and further acknowledged how proud he is of this Association and its work.

12. Moderator Rev. Tom Willoughby encouraged each of the churches to also pray for Rev. David Phelps as he ministers to us. He asked for any miscellaneous business to be brought at this time. Rev. Willoughby encouraged everyone to

pass their evaluation forms in so they could be picked up at the close of the meeting. These forms will be used to plan further conferences. He then entertained a motion to adjourn. The motion was made and carried.

13. Mr. Al Pease of Cherry Branch Baptist Church gave the benediction

3. Mr. Buddy Jones of Fort Barnwell Baptist Church led in prayer.

4. Rev. Tom Willoughby, Moderator, received a motion to accept the minutes of the July 30, 2001, meeting as printed. The motion carried.

5. Rev. Tom Willoughby, Moderator, requested prayer for David W. Phelps and Raymond Earp as they are on a mission trip to Malaysia. He introduced and welcomed new pastors and staff members to the Association. He recognized Rev. Cam McLean, Pastor to Children, Temple Baptist Church; Rev. Gary Smith, Minister to Adults, Cape Carteret Baptist Church; Mr. David Etheridge, Minister of Music, River Bend Baptist Church; Mrs. Sharon Bender, Minister of Education and Youth, River Bend Baptist Church; Rev. Steve Bath, Associate Pastor of Music, Bogue Banks Baptist Church; Dr. Stephen Fitzgerald, Senior Pastor, First Baptist Church, New Bern; Rev. Ricky Dunlow, Pastor, Island Road Baptist Church; Rev. Jack Bell, Interim Pastor, Newport Baptist Church.

6. Mr. Max Miller, Treasurer, thanked the churches for their support of the work of the Association in the amount of $105,000.00. He explained that of the $25,600 check book balance, $17,763 is designated for the Disaster Relief Fund. The difference of those two ($7,837.00) plus the balance in the Money Market Certificate of $61,600.00, leaves a general fund balance of $69,437.00. The Capital Improvement Account has a balance of $9,639.14. He moved for adoption of the financial report as printed. It was approved unanimously.

7. Rev. Michael Fields gave the Finance Committee Report. He stated that we are financially healthy. He brought forward the suggestion of purchasing a vehicle by the Association for the use of the Director of Missions. He extended an invitation to anyone who might like to donate a vehicle. Mrs. Betty Murphy came forward to give further explanation that the vehicle would be owned and maintained by the Association and made available to the DOM. She suggested that some of the churches might consider a similar arrangement for their pastors. Rev. Michael Fields concluded by requesting prayer about the decision and by stating that no motion is required at this time.

8. Moderator Rev. Tom Willoughby asked for any miscellaneous business to be brought at this time. He encouraged everyone to pass their evaluation forms in so they could be picked up at the close of the meeting. He explained that these forms will be used to plan future conferences.

9. Margie Jones of Parkview Baptist Church and Arnie Harrell of First Baptist Church, New Bern gave a report on the mission trip to Swaziland September 13-27, 2001. Margie stated that over 2,500 people have served on missions through the Partnership in Africa in the past 6 years and that more than 220 churches have been built. The team ministered to five different churches on this trip. They led 18 Sunday School classes, 11 VBS sessions, 3 nights of revival and 8 preaching services. This was 40 occasions to tell about Jesus at a place that is fertile ground and ripe for harvest. She also told about a ministry in Johannesburg called Door of Hope that is an outreach to rescue babies from being thrown in the garbage. An average of 30 to 40 babies are thrown away each month. This ministry is caring for more than 80 babies. Arnie Harrell spoke next to explain the clear direction the team received that they should continue on with the trip despite the terrorist's attack on September 11. He said the team had four things they wanted to do while on this trip - 1) Visit the Door of Hope 2) Preach a Revival 3) Teach VBS 4) Build a church. The team completed the first three of these and worked on building the church. The aspect of the trip that meant the most to him was holding a child at the Door of Hope and telling that baby that God loves him and that he loves him. He also enjoyed being able to help three young pastors that don't receive a great deal of support. He thanked everyone for their support and prayers.

10. Elizabeth Cummings and Dottie Davis gave a report on the mission trip to Troy, New York October 6-13, 2001. Elizabeth showed a tract that the team gave out on the drive from North Carolina to New York. She said the meals were wonderful and that she would go again given the chance. Dottie Davis thanked everyone for the opportunity to go. Tom Willoughby explained that this was a construction mission trip to put up sheet rock at a church building. He thanked the ladies for sharing and invited everyone to see photos of the trip on display in the lobby.

11. Mr. Needham Parks, Vice-Moderator, gave the benediction.

Executive Committee Meeting
January 28, 2002
Tabernacle Baptist Church, New Bern

1. Rev. John Thompson led the congregation in singing "His Name is Wonderful."

2. Rev. Tom Willoughby, Moderator, called the meeting to order and welcomed those in attendance.

3. Mr. Darryl Chadwick of Woodville Baptist Church led in prayer.

4. Rev. Tom Willoughby, Moderator, received a motion to accept the minutes of the October 29, 2001, meeting as printed. The motion carried unanimously.

5. Rev. Tom Willoughby, Moderator, introduced and welcomed new pastors and staff members to the Association. He recognized Rev. Wesley Moses, Pastor, Trenton Baptist Church; Rev. Michael Fields, Pastor, Parkview Baptist Church; Mr. Mike Williams, Interim Pastor, Colony Baptist Church; Dr. C. Norman Bennett, Interim Pastor, First Baptist Church of Morehead City; Mr. Troy Mason, Interim Pastor, First Baptist Church of Davis.

6. Mr. Max Miller, Treasurer, thanked the churches for their support of the work of the Association in the amount of $154,344.80. He explained that of the $24,837 check book balance, $15,763 is designated for the Disaster Relief Fund. The difference of those two ($9,074.00) plus the balance in the Money Market Certificate of $61,903.00, leaves a general fund balance of $70,977.00. The Capital Improvement Account has a balance of $9,713.92. He moved for adoption of the financial report as printed. There was no discussion and the report was approved unanimously.

7. Rev. Michael Fields gave the Finance Committee Report. He stated that we are financially healthy. He brought forward the suggestion of purchasing a vehicle by the Association for use by the Director of Missions. He extended an invitation to anyone who might like to donate a vehicle. Research on the proposal is continuing and Michael is in contact with Kenneth Fields of the State Convention for advice as to how to proceed. Michael Fields extended an invitation for individuals to contact him with any questions or suggestions and he concluded by requesting prayer about the decision and by stating that no motion is required at this time.

8. Moderator Rev. Tom Willoughby presented a report for the Nominating Committee with recommendations for individuals to fill vacancies created in various committees in the current year. The motion came directly from the Committee and required no second. The floor was opened for discussion and there was none. The report was voted on and approved unanimously.

9. Moderator Rev. Tom Willoughby asked for any miscellaneous business to be brought at this time. No miscellaneous business was brought forward. Tom Willoughby encouraged everyone to pass their evaluation forms in so they could be picked up at the close of the meeting. He explained that these forms help in the planning of future conferences.

10. Mr. Raymond Earp gave a report discussing a new missions partnership with Armenia recently voted on by Baptist Men. Baptist churches are active in almost every area of the country and most meet in homes. Help is needed with construction of church buildings and with renovations to a dormitory at a seminary. Individuals interested in participating can help with construction, serve on medical teams, or contribute financially. The partnership is also setting

up 20 church planting groups. A contribution of $150 will support a church planter for 1 month.

11. David W. Phelps, Director of Missions, spoke about his vision mission trip to Malaysia in October 2001 with Raymond Earp. He explained that Malaysia is a very modern country and is an excellent opportunity for a first time mission trip. The country is 55% Muslim, but it is illegal to be a militant Shiite Muslim. It is also illegal to openly share your faith with a Muslim, but is okay to witness to the remaining 45% of the country that are not Islamic. The population of the country is relatively young. One church that was started over 2 years ago averages 300 in worship and 95% of the congregation is under the age of 30. Some of the suggested opportunities for helping include sports ministry, praise & worship team training, remodeling work for newly purchased buildings at the seminary, tree removal at the seminary, literature distribution, and children's ministries. David extended an invitation to share slides from the trip with any of the churches interested.

12. David W. Phelps, Director of Missions, gave the DOM Report. He announced the Spiritual Growth Conference to be hosted at Parkview Baptist in Morehead City on February 11 & 12. This year's conference will feature Dr. Steve Hale of Woodstock, Georgia. David made the congregation aware of the Budget Proposal for the new fiscal year included in the packet of information. He explained that this is for information purposes and will be discussed at the Annual Meeting in April. He pointed out that the new budget represents a less than 1% increase over the current budget. He also extended an invitation for anyone to call a member of the Finance Committee or the Association office with any questions or suggestions. David mentioned that he will be starting work on his Doctor of Ministries degree this summer. He explained that his study will serve as a catalyst for self study of our Association. He closed by mentioning that the Nominating Committee will be contacting the churches in February as they begin their work to fill positions for next year.

13. Mr. Max Miller of Tabernacle Baptist Church gave the benediction.

FAMILY LIFE MINISTRIES
Report to the Association
2002

This year has been filled with many opportunities. My first responsibility has been to help our ministers find available resources in the community when there are special needs among church members. This saves them time in seeking help when I have known resources to offer. Ministers and their families are like the rest of us, they have problems. Counseling for them and their families has been available. The needs of other church staff members have also been a concern for the Senior Pastors and for me.

As our families go, so goes the community; as the communities go, so goes the state; as the states go, so goes the nation and as the nations go, so goes the world. Families lay the

foundations of the world, thus families are a major concern. Education for prevention of family problems has been a major emphasis. Providing help to ministers as they are faced with the multiple needs of their congregations, to families who are desperately seeking help and call the Care Line and for young people who are looking for help, through Family Life Ministries, you have helped. I have provided counseling for single mothers who find the cost of outside counseling beyond their means. I have also counseled a limited number of families who cannot afford private counseling. Mediation has increased this year. Care facilities have been found for children and teens in special need. Young people have been assisted in college selection, applications for scholarships, and arranging campus visits in preparation for interviews. This has been a source of special joy and satisfaction.

Securing helpful books, research information, and reviewing books for recommendation have kept me up to date and able to pass new information to those in need.

I have served as Secretary and member of the Board of Craven Regional Medical Center and interpreted special needs of some families and children needing assistance. I have also provided training for new Hospice Volunteers and served on the Board of the Chrysalis Counseling Center. These community contacts help me know what is available and a network of assistance has developed through which I am able to help Association families.

Many of you have expressed appreciation for the articles I have written for the Association newsletter. This is a special privilege for me to be able to reach out to all of our church members. This has extended into many areas as you have shared these writings with families and friends in other communities and states. Thank you.

Seminars on Grief Management, Dealing with Difficult People, Making the Rest of Your Life the Best of Your Life, and assistance in planning needed training have been provided. These have been for our churches and other groups in the Association area. Training seminars have been provided as a part of most Association Meetings and some Ministerial Conferences.

Getting to know so many of you in a very personal way has been a real blessing for me. Thank you for the confidence you have demonstrated in allowing me to share when there have been times of great joy and great concern. I have tried and God has multiplied.

Your Partner,
Dr. Myrle Swicegood, Coordinator

FINANCE COMMITTEE

Report to the Association
2002

The 2001-2002 Finance Committee has completed a review of the Association's financial records and operation procedures for the fiscal year beginning May 1, 2000 and ending April 30, 2001.

The review covered an examination of the Association's quarterly payroll taxes and verification was made that the premiums on the Association's liability insurance coverage had been paid. We randomly selected two months of the past year and thoroughly examined the handling of all cash receipts and disbursements, including a review of cancelled checks and deposit slips for the selected period. Based on the assumption that these samplings represent the condition of all records and procedures for the fiscal year, we feel there is no need for further inspection.

The Finance Committee believes that all monies received by the Association have been properly handled and accounted for and that proper procedures for the disbursement of all funds have been faithfully followed.

The staff and officers of the Association are to be commended for keeping the financial records of the Association's ministry efforts up-to-date, easy to understand, available for review, and above reproach. The churches of Atlantic Baptist Association thank you.

HISTORIAN

Report to the Association
2002

We are thankful that we escaped the Y2K Bug as the world turned into the new millennium; however, our nation was shocked and stunned when we were invaded and attacked by an enemy force on the morning of September 11, 2001. "Wherefore the king said unto me, 'Why is thy countenance sad, seeing thou art not sick?' . . . 'Why should not my countenance be sad, when the city, the place of my fathers' sepulchres, lieth in waste, and the gates thereof are consumed with fire?'" Nehemiah 2:2b, 3b (KJV) In New York City the Twin Towers of the World Trade Center stood as gates to one of our nation's largest cities. The newly minted State Quarter of New York is embossed, "Gateway To Freedom." This gateway was consumed with balls of fire from the impact of two hi-jacked airplanes by terrorists. Our capital city, Washington, D.C. and an area in Pennsylvania were attacked a few minutes later in the same manner. The American people were devastated. Even though our heads were bowed, our hearts were heavy, and our countenance was sad, we sprang into action offering comfort, resources, and prayers. Several teams from our churches went to work with North Carolina Baptist Men's Ministry, the Red Cross, and The Salvation Army. One of the young men said that he made thousands of gallons of coffee with The Disaster Relief Food Services. He wept as he told of driving the canteen down into the site of the destruction. Many worked in apartment rehabilitation. Apartment buildings were damaged, by flying debris, when The Twin Towers collapsed. Terry D. McInnis, Pastor of McCotter Boulevard Church, cleaned showers, carried clothes to be washed, played his guitar, prayed with hurting people, and preached the Gospel of Jesus Christ. Financial aid, building materials and supplies, food and clothing were sent to help our neighbors to the north.

An Association wide Mission Team to Swaziland in September built a one room, tin siding church building. They also held Vacation Bible School and other services. The trip

was delayed five days because of the terrorist's attack on our country. They held eleven Bible Studies, taught eighteen Sunday School Classes, and preached eight sermons on two Sundays and held three nights of Revival Services. The ladies who attended the Bible Schools were excited about the craft projects. After the team left South Africa they visited the Safe House for unwanted and abandoned babies in Johannesburg. Parkview Church observed, "Pray Round Africa Day and the Swaziland Mission Trip" on August 3rd. They had a drama, "Behind the Walls of Africa," and a time of prayer. Five of their members were able to go with the Mission Team.

As North Carolina Baptists conclude their partnership with South Africa this year, they launched a new partnership with Malaysia. This is the first Missions Partnership that we've had in the Far East. Our Director of Missions, David W. Phelps, and Raymond Earp visited that area last fall. Many requests have already come for various missions endeavors.

A thirteen-member missions group went to Troy, New York for a week in October to help complete the construction of a church building. Cherry Point Church helped by sending the group to Troy in their new van.

First Baptist Church of New Bern sent twelve adults and youth to Honduras during the week following Easter for a construction project. In June, twenty-five members went to Moose Creek Baptist Church in Alaska for construction work, Bible Schools, and other services. The young people did a remarkable job at many "adult level" tasks. At that time of year in Alaska the sun doesn't go down. Suffice it to say that those were long working days. They got their first taste of "Moose Burgers."

Miss Peggy McQueen, Morehead City, served with a medical team from North Carolina in Honduras from October 30th to November 10th. They were working in both medical treatment and education.

OPERATION CHRISTMAS CHILD, the gift filled shoeboxes for children around the world, was special for us this year. The first 100,000 boxes were designated for the devastated, war-torn country of Afghanistan. Our Associational office received 3,375 boxes, 2,296 of these boxes came from 36 of our churches. Thirty people helped in packing and delivering the 200 cartons. We were grateful to Rice's Rental of Havelock for the use of two trucks to deliver cartons to Wilmington. The provincial governor Dasht-i-Oala explained that some of the gifts had come from New York children who had also suffered at the hands of terrorists and extremists. He told the audience that, "These gifts are from Christian children in the West. They want you to know that God has not forgotten you." Whoever thought that God would use a lowly shoebox for such a powerful witness?

Not all of our missions were to far away places. Members of Beaufort 1st "Hit the Streets" of Beaufort to tell others about Jesus every Tuesday night. They used various ways of witnessing to the love of Jesus.

Neuse River started a new mission project, working with Habitat for Humanity one Saturday of each month. They involved their young people in this "Hands on Mission."

First Baptist of Morehead City had "Habitat for Humanity Day" on Saturday, April 21st. They participated in the construction of a house for a single parent whose only child is physically and mentally challenged. The psalmist said, "Except the Lord build the house, they labor in vain that build it." (Psalm 127:1 KJV) The Lord was right there in the swing of every hammer and the heart of each hammer swinger.

The 7th Annual Yard Sale of Crystal Coast Habitat for Humanity was held August 4th at the National Guard Armory, Morehead City. A goal of $35,000 was set, enough to buy construction supplies for one Habitat House.

We are grateful for the ministries that our young people are doing. The R.A.'s at First Baptist of Havelock won several First Place awards at the Associational-wide Missions Fair. Among the categories was the First Place for the Best Chapter Missions Project. Most of the boys won various individual awards. Walt and Ruth Doyle, who served for several years as R.A. Directors, have put together a photo album of R.A. activities of the past several years. They donated this handsome album to the church.

The young people at First Baptist of Morehead City did yard work for a lady during the summer. She was not a member of their church but was most appreciative for what they did for her. They also went on a cleaning mission at Martha's Mission Cupboard.

The youth group at Woodville Baptist had various projects to help earn money for an August trip to Fort Caswell. One of their members, Jonathan Willis, won a statewide essay contest for his essay on, "I'm Proud of North Carolina Because . . ." Jonathan, his school, Smyrna, and his teacher received monetary awards. Do we have a future editor of the Biblical Recorder or a Christian writer among us?

We are proud of our young people who excel in schoolwork and activities. Miss Ronda Francis of Tabernacle Baptist, New Bern, was nominated by her school as a student who demonstrated leadership potential. She attended the Legislators' School for Youth Leadership Development at East Carolina University, Greenville, N.C. Surely she will use her leadership skills in her church and her Christian witness.

The Youth at Newport Baptist Church held a Bake Sale and Spaghetti Dinner and raised $484.00 for a mission trip to Charlotte, N.C. the weekend after Thanksgiving to help sort and process the shoeboxes for Operation Christmas Child.

The Youth Group at Atlantic was busy in October with the preparation and performance for the Blessing of the Fleet on Sunday, October 7th. They wore especially designed T-shirts for their performance. The G.A.'s at Newport have adopted a Senior Buddy. They have spent time with them and learned from them about how life was in days of yore.

For several years many of our churches have been engaged in building programs; however there hasn't been a lot of building during the past year. There is a renovation project underway at Fort Barnwell with about a dozen renovations and repairs to the church building and the paving of an additional parking area. Beaufort has installed new insulated windows, which had reduced their utility bill considerably. They have replaced the roof shingles on the parsonage and the sanctuary. They are architectural style with a 120 mile per hour wind resistant rating. This is needed because of being so close to the

ocean during hurricanes. Bogue Banks Baptist at Atlantic Beach and Temple Baptist in New Bern both have a nice problem related to growth. Both have run out of parking space. Members at Bogue Banks, who have been parking on Fort Macon Road, can now use the Post Office Parking lot across the street. Last Spring Temple instituted a new ministry to ease the parking congestion by providing a shuttle to an offsite parking lot. This will give many of their members an opportunity to serve on teams related to this ministry. Woodville Baptist, one of our Down East churches, entered into a "Challenge to Build Program" this year.

Baptists enjoy celebrating. We can do it "At the Drop of a Hat." We have so much to celebrate. Beaufort 1st culminated a year long 150th Anniversary Celebration during the week of April 25th - 29th. It was a wonderful time of praise, thanksgiving, and remembrance of God's blessings. Newport celebrated her 48th Anniversary on May 20th with an "Old Fashioned Day." Everyone was asked to dress like they dressed in the 1950's when the church was established. First Baptist of Morehead City had a 128th Annual Homecoming in October. Dr. John Bunn, son of a former pastor, was guest speaker. Shalom Hispanic Baptist Mission meets in the sanctuary of Morehead City First on Sunday afternoons. This Mission held its 3rd Anniversary with an afternoon dinner, a baptismal service, and special music.

Without being irreverent, could we say that Baptists are "A Jack of All Trades?" They have performed so many various services and activities during the past year. The Baptist Men at First, New Bern sponsored a Family Work Weekend at our Assembly at Fort Caswell on the first weekend in November. More than 50 men, women, and children labored to help with Caswell's renovations. There was also time for fellowship, good food, and a Worship Service. Martha's Mission Cupboard had an Autumn Food-A-Thon to help the needy in Carteret County. The Japanese members of the International Sunday School Class at Havelock First have formed their own class in an effort to reach more Japanese. The Bible is being taught in Japanese. Building and renovation work is continuing by our volunteers in the Grifton area and at North River/Merrimon where homes were flooded and damaged by Hurricane Floyd, September 1999. The Baptist Men at Cherry Point have a Helping Hands Ministry that provides help with many corrective chores around the house. We are providing Teddy Bears to a local, non-profit organization, "Teddy Bear Hugs." They give teddy Bears to children in our hospitals and to local and county police officers for use in domestic violence and accident scenes. Our churches are participating in "We Witness Baby Bottle Campaign" by filling baby bottles with change to help support the Eastern Pregnancy Counseling Center. River Bend Baptist had an all night prayer service beginning at 11:00 p.m. on April 20th. Morehead City held a Day of Prayer on November 17th to focus on specific areas of need in the church. Tabernacle had a "God In Country Celebration" on July 1st.

Although we are reminded to be alert that terrorists could strike again at any time, we will say with the Psalmist, "God is our refuge and strength, a very present help in trouble. The Lord of hosts is with us; the God of Jacob is our refuge." (Psalm 46:1, 11 KJV)

MEMBERSHIP COMMITTEE

Report to the Association
2002

Rev. Rob Helton, former chairman of the Membership Committee, recommended a motion to grant full membership to Cherry Branch Baptist Church to the Atlantic Baptist Association at the July 30, 2001 Executive Committee Meeting. The motion was seconded and carried. Moderator Tom Willoughby thanked the committee for their diligence in working with Cherry Branch Baptist. He then recognized members of Cherry Branch Church and welcomed them to the Association.

MINISTERS' CONFERENCE

Report to the Association
2002

We are developing a different "feel" to the monthly conference meetings. Rather than focusing on a come and listen type of program, we are focusing on a "come and participate" format. We all have difficult areas in our ministry that we need to share, just to know that someone else cares and to get ideas and support. There's often the feeling that no one else who's a pastor could have these issues, yet when we start to share, we honestly find that we all have issues. Hebrews 10:24-25, "And let us consider how to provoke one another to love and good deeds, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day approaching" applies to us as pastors.

The plan for the rest of the year will evolve based on needs as they continue to be expressed. We'll support those needs in the best way we can. I hope that pastors will continue to grow in their relationships with each other and to grow personally.

We had a wonderful Christmas dinner. Thank you John Thompson and Tabernacle Baptist Church for hosting it. Thank you Michael and Lauren Fields for creating a feeling of home as we sat around the piano and sang and shared. What a great fellowship time!

MISSIONS DEVELOPMENT COUNCIL

Report to the Association
2002

The past year has been an exciting time in the life of our Association. God continues to present opportunities to be on mission with Him as the Kingdom advances throughout the world. The year saw the end of one partnership mission, Swaziland and South Africa, but it also saw the beginning of a new partnership with Malaysia. David Phelps and Raymond Earp were part of a survey trip to Malaysia in October. There is another new

overseas partnership opportunity in Armenia. All this is in addition to the existing partnerships with Honduras and Alaska, as well as the various missions relationships several of our churches are involved in.

Local missions opportunities are also keeping our people and churches involved in the advance of the Kingdom of God. We continue to support new churches - in addition to the existing Korean Baptist Mission and Shalom Hispanic Baptist Mission, a new Hispanic work has begun in Fort Barnwell.

I pray that God will open our eyes to even greater missions opportunities in the year ahead. I am convinced He will as we draw near to Him and catch a glimpse of His vision for reaching the world with the Gospel of Jesus Christ. May God bless us as we live out His plan for our Association.

MUSIC MINISTRY

Report to the Association
2002

"THANKS" are in order first for all those who sang in the Associational Choir at Parkview this past year at the Evangelism Conference. You learned a lot of music in just a few minutes each night. See how fast you can learn!

During this coming year . . . why don't we plan a time for churches to get together and sing maybe one or two songs for each other? Let's plan to do it in the fall. It doesn't matter what size choir you have. One of the best choirs I ever conducted had only 12 folks in the choir. A "smaller" choir makes for a more dependable choir. You know who will be present.

Let me encourage you to be on time at choir rehearsal if you are in the choir. This also goes for your attendance. It is important to begin meetings on time and stop in a good time. You can get very much work done if you make wise use of your time.

ENCOURAGE your music director . . . paid or unpaid. He or she needs you to lift up their hands many times. They have concerns just like all of us do. Pray for your church musicians daily. This includes all instrumentalists, song leaders, or anyone who helps with the music ministry of your church.

Musically yours,
Rev. John Thompson, Director

NEW WORKS
Report to the Association
2002

As the Atlantic Baptist Association New Works Coordinator, I would like to report a summary of this past year's actions. We are currently looking at various areas in our Association for new church plants, including a Spanish speaking church plant at Fort Barnwell. All areas being considered are still in the very early stages of planning.

David Phelps, our wonderful Director of Missions, and I are still working on developing policies (guidelines) for new works and new church starts.

It is a pleasure serving in this area for the Association. I am looking forward to the coming year seeing our Association grow as we build up the Kingdom of God by developing new works in new areas of reaching un-churched and planting more new, growing churches reaching out to those created in His image for His glory.

May God bless the Atlantic Baptist Association, our Director of Missions, and our efforts at new works and planting new churches.

Growing in Him,
Rev. Paul D. Flewwellin, Coordinator

ORDINATION COMMITTEE
Report to the Association
2002

The Ordination Committee of the Association has been asked three times since our last report to meet with three candidates for ordination consideration. The committee met at the Associational Center to consider the candidates for questioning in view of ordination. These three candidates were recommended for ordination to their respective churches.

The Ordination Committee serves at the request of the local church. The committee provides professionally qualified ministers who are charged with only making recommendations. The local church has full jurisdiction in all matters related to licensing and ordination.

PERSONNEL COMMITTEE
Report to the Association
2002

In the year 2001 we said good-bye to a fine Administrative Assistant, Mrs. Betty Murphy. However, we were fortunate to have Mrs. Gail Edge fill in until we could hire a full-time Administrative Assistant.

God blessed us by sending Miss Caroline Burch to fill this vital role. We express our deep appreciation for the marvelous job Caroline is doing since becoming our Administrative Assistant. Everything I have heard has been very positive.

We are so blessed to have on our Associational Staff Rev. David Phelps, Director of Missions; Miss Caroline Burch, Administrative Assistant; Mrs. Beth Hassell, Bookkeeper; Dr. Myrle Swicegood, Family Life Ministries Coordinator; and Dr. George Tumlin, Church Conflict Mediator. They are always deserving of our support for their faithfulness to God's work. Let's continue to lift up all our staff in our prayers daily.

SENIOR ADULT MINISTRY
Report to the Association
2002

SENIOR ADULTS are perhaps the "most important" age group in your church. Where would you be without them? They are the ones who attend the most! They give regularly to the offering of the church! They can be depended upon to do their part! How is your "Senior Adult Choir" doing? I hope that many of you started a choir just for them this past year. They can meet in the early morning or just about any time.

Thanks for supporting the two Senior Adult Rallies that we had this year. You turn out real well for those meetings! We will have two more this coming year. If you would like to host one of them . . . please give me a call! My office number is 252-637-4166.

Are you planning to attend the Statewide Senior Adult Rally in Greensboro this year? It is right around the corner. It is always a good meeting to attend. Every other year our State Convention offers a great big Senior Rally. If you miss out on it this year . . . make plans for the next one.

I enjoy those "senior adult" benefits,
Rev. John Thompson, Director

SINGLE ADULT MINISTRY

Report to the Association
2002

The Adult Singles Ministry continues to minister to area single adults through spiritual growth and fellowship. Although some singles have come and gone, each has contributed to coping skills for singles and personal contributions in God's service. The group met monthly on the fourth Saturday of each month.

The group began the New Year with goal setting and planning strategies under the new leadership of JoAnn Tadlock. In April, the group discussed a survival kit for singles based on Paul's letters. David Phelps encouraged group participation in July while learning ways to communicate feelings. September 11 brought new meaning to the word "caring" for the singles group. The theme for September was "God Bless America" as each member shared their fury, fears, and frustrations at the bombing of the World Trade Center and their pride in being an American. Members also shared their need to serve from donating blood to sending money to New York. In October, the group discussed the large singles population in the local areas and opportunities to provide single's ministries. This was followed up in November with the three arms of a single's ministry: spiritual development, service, and fellowship. Many of the singles serve in various areas of service to include the Habitat for Humanity and mission projects.

The year ended with the celebration of the birth of our Lord, and the Director's personal loss of a spouse. The outpouring of love, prayers, and sharing from the singles group demonstrated God's love in various ways and the continued need for this ministry.

JoAnn Tadlock, Director

STEWARDSHIP

Report to the Association
2002

The need for churches and individuals to be good stewards of time, talents and finances is of vital importance to the furtherance of God's kingdom. We continue to emphasize these principles in our quarterly conferences. We also have an on-going educational process to see
that the local church is compliant to tax requirements and in providing the most beneficial compensation for staff.

SUNDAY SCHOOL
Report to the Association
2002

Themes introduced through training materials for our Association this past year centered on transformational teaching and evaluating the work of our Sunday Schools so as to be focusing on the most effective means of doing the work assigned to our Bible study ministry. Such efforts must of necessity be increased as overall our Associational work through the Sunday School plateaued in the last year. Even considering that three churches did not report, enrollment decreased by 5%. Average attendance remained approximately the same. This occurred while our region continued a trend of population growth.

Bright spots in our Association should be noted in that several of our churches had significant increases in enrollment that led to increased average attendance. Among these are the Havelock Korean Mission with a 92% increase in enrollment; Cove City - 56%; Cape Carteret - 36%; Temple - 27%; Neuse River - 25%; and Woodville - 14%. These churches are to be commended for placing a priority on enrolling new people in Sunday School. They accounted for a total increase in average attendance of 112 over the previous year. Congratulations to them.

In the last year our Associational Sunday School team has taken their training skills to the Down East churches. The extra training provided should show positive results in the next few years. In the coming year another region of our Association will be targeted for intensive training opportunities beyond those provided at the Atlantic Baptist Association quarterly meetings and the state level training conferences offered each Fall at Caswell and Caraway. Our churches are urged to take advantage of each such opportunity as it becomes available.

Our region continues to grow in population. We must be a group of churches equipped and motivated to reach out to the people around us. We are called to be Great Commission churches and Great Commission Sunday Schools. We cannot escape God's expectations that we are to be reaching people with God's love as a part of our lifestyle. May we all be willing to make the commitment necessary to be found faithful in our tasks in the coming year.

Respectfully submitted,
Rev. Tom Lamkin, Director

VACATION BIBLE SCHOOL
Report to the Association
2002

A wonderful adventure came along with "Truth Trackers and the Secret of the Stone Tablets" (John 14:6) as we dug our way into God's Word to find the truth in what He desires for each of us. Thank you to Cherry Point Baptist Church for allowing the VBS Team to come and hold our clinic in their facilities.

Once again, LifeWay has brought a new, exciting theme to us . . . "Amazon Outfitters: On Expedition with the One True God." (Deuteronomy 10:17.) What fun can be had by going into the rain forest itself . . . God's creation! Training Clinics are in the process of being planned, so watch for the announcements and plan on bringing your church's team.

May 19, 2002 has been designated as a Day of Prayer for Vacation Bible School throughout our nation. Ask your church to pray for your upcoming VBS, the children that will attend, and the VBS leaders. Pray also for Vacation Bible Schools that will be held around the world.

Vacation Bible School is a fun-filled, spiritual adventure for boys and girls that provides concentrated Bible study and encourages real-life application. The intention of VBS is to reach people of all ages, leading them to know and respond to Jesus Christ as led by the Holy Spirit.

Remember your A (admit) . . . B (believe) . . . C (confess) . . . 's!

WOMAN'S MISSIONARY UNION
Report to the Association
2002

WMU EMPHASIS "BEYOND BELIEF" CONTINUES THROUGH 2002. We have had an amazing year. God has been opening doors and teaching the team where we are most needed. All have served willingly and responded to churches needs either as a speaker themselves or to assist in getting a speaker to meet the need.

Three of the five Associational leaders went to the Associational WMU Leadership Team's Training in July at Fruitland College. We were able to use this material in some of the sessions in our own church or to give to churches for their need. Also in July I reported at the Executive Committee Meeting some of the challenges we face in WMU. We have worked to do things a little differently with our team. "PERCEPTION IS REALITY." We want it known that the WMU Focus is mission oriented and there's plenty of opportunities to make it happen.

We did have some churches respond to the "Dime Today for WMU Tomorrow" program that went towards the renovation of Camp Mundo Vista in Asheboro.

I was invited to attend Calvary Baptist Church for their WMU Celebration with a Tea for the women of the church. Charlene Moody and myself met with Linda Hicks, our State WMU Language Ministries Coordinator. We were informed and given information on introducing different cultures into our Association. I met with our Hispanic Pastor, Rev. Cruzberto Hernandez at the First Baptist Church of Morehead City and gave a talk about mission opportunities and how they could be involved. Coordinating with Linda Hicks, we were able to have Diane Garcia, Language Consultant for WMU National Headquarters, Birmingham, Alabama assist us with having Cross-Cultural Missions

Training at our October Leadership Training and Executive Committee Meeting. We had 9 Hispanics attend and 40-45 others hear Ms. Garcia give her testimony and challenge us to reach out to the various cultures in our neighborhood.

In January we attended a great 2002 Hispanic Women's Celebration at the First Baptist Church of Morehead City. Our special guest speaker was Veronica Gallegos from Sanford. Those in attendance were individuals from the various Eastern North Carolina Associational churches. Marjorie Jones and her Mission Friends from Parkview Baptist Church in Morehead City stepped up and took charge of serving these ladies. It was a wonderful day to see how the Lord made us realize we are all one family in HIM.

The WMU Associational Team had several meetings during the year to plan and work on the Annual WOM Beach Retreat in February held at the Crystal Coast Inn at Atlantic Beach. Our theme was "God's Amazing Love - Beyond Belief." Our guest speakers were Grace Boyd, who had served as a missionary to China, and Virginia Wood, who had served as Past President for WMU, European Baptist Convention. We were ministered to in music by Deborah Lockey of McCotter Blvd. Baptist Church. Our clown ministries came from McCotter Blvd. Baptist and Cape Carteret Baptist. I know our team does a lot of praying, preparing, and sharing ideas to accomplish what God allows us to do to be able to make this a real "retreat." We had a wonderful prayer and meditation time and recognized the need to support each other to meet some of the needs voiced. We had over 200 in attendance for both days and 26 churches were represented. I know God blesses us and we continue to pray for the WMU, Mission Friends, Girls in Action, Acteens, and Women on Missions in our churches.

I was a special speaker at Cape Carteret Baptist Church for their WMU Focus Day program in February as well. The ladies of the church had special music as well as an all ladies choir. You might say it was a day for the ladies to do the ministering. However, I know just being in God's house and listening to each of those called to serve ministered to me.

CONSTITUTION
of the
ATLANTIC BAPTIST ASSOCIATION
PREAMBLE

Associations being a proven way of helping churches carry out the Great Commission, we the missionary Baptist churches of Beaufort, Carteret, Craven, Jones, and Pamlico counties voluntarily agree to cooperate according to the objectives, doctrines, and structures set forth in this constitution. No compromise of local church autonomy is implied or follows from membership in this Association or from relationships the Association maintains with the Baptist State Convention of North Carolina, Southern Baptist Convention, or any other person or group determined by the Association - meeting in Executive Committee or Annual Session - to advance the cause of Christ.

ARTICLE I - NAME

Our name shall be the "Atlantic Baptist Association of North Carolina, Incorporated."

ARTICLE II - MISSION

Under the leadership of the Holy Spirit, the mission of this Association and its officers shall be to train, counsel, encourage, and otherwise assist member churches fulfill their scriptural mandate to worship God, love their neighbor, evangelize the lost, and disciple believers in the name of the Lord Jesus Christ (cf., Mark 12:29-31; Matthew 28:19-20).

Inasmuch as cooperation among churches is usually more productive than acting alone, the mission of this Association shall also include initiating such mission advance or outreach activities as shall be judged appropriate by the Association.

ARTICLE III - STATEMENT OF FAITH

Christ and Scripture - the living and written Word of God respectively - shall be the source of our beliefs and basis of our fellowship. *The Baptist Faith and Message* adopted by the Southern Baptist Convention in 1963 expresses the doctrinal positions of the Association.

ARTICLE IV - MEMBERSHIP

Under the Lordship of Jesus Christ, Baptist churches are completely free and sovereign to conduct their business as they see fit. The same goes for Baptist Associations. Membership in this Association, therefore, does not confer to the

Association any authority over member churches, nor may churches exercise authority over the Association.

Affiliation between churches and the Association, being free and voluntary, is predicated only on acceptance of the mission and doctrinal positions set forth in this constitution and on active, cooperative participation.

SECTION 1. GRANTING MEMBERSHIP

A. Churches desiring membership in this Association shall - upon official church action - apply directly to the Association meeting in annual or executive session. Such applications shall be presented in writing.

The Association shall, in turn, receive as information and forward such applications to the Membership Committee for study and recommendation.

B. Upon receiving referrals of membership applications from the Association, the Membership Committee shall - over a one year period - take appropriate steps to determine whether applicants evidence suitable compatibility with the Association in spirit and doctrine.

C. Following this one year review, the Membership Committee shall report a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant watchcare status.

D. The Association shall then decide whether to grant watchcare status - a status that carries with it the same rights and privileges as full members with the exceptions of voting and holding office.

A two-thirds vote of ballots cast shall be required to grant watchcare status.

E. After observing churches received under watchcare for one year, the Membership Committee shall bring a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant full membership based upon cooperation, participation, spirit, and doctrine.

A vote to grant full membership shall also require a two-thirds favorable vote of ballots cast.

SECTION 2. WITHDRAWING MEMBERSHIP

A. Membership may be withdrawn when churches no longer cooperate or participate in the life of the Association. Membership may also be withdrawn when churches deviate doctrinally from positions set forth in *The Baptist Faith and Message*.

B. The procedure whereby membership may be withdrawn is as follows:

1. Authorization to take steps toward withdrawing membership may be given only by the Association meeting in annual or executive session. The Membership Committee may, however, request such authorization.

2. Such authorization to review membership status is indicated when churches evidence non-cooperation, non-participation, or doctrinal deviation.

3. Once authorized, the Membership Committee shall conduct a thorough examination before returning a recommendation to the Association.

During this period, the Membership Committee shall take appropriate steps to bring those congregations being examined back into fellowship.

4. Should these restorative efforts fail, the Membership Committee may recommend watchcare status (not withdrawal of membership) to the Association.

Watchcare status - with its attendant loss of all voting and office holding privileges - shall go into effect upon a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

5. Such watchcare status shall last one year, after which the Membership Committee shall recommend restoring full membership or withdrawing membership altogether.

As with the vote on watchcare status, a vote to restore or withdraw membership shall require a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

SECTION 3. TRANSFERRING MEMBERSHIP: Any church requesting transfer to another Association may be granted a letter of dismissal by presenting a written request to the Association.

SECTION 4. MESSENGERS TO THE EXECUTIVE COMMITTEE AND ANNUAL MEETINGS: All congregations holding full membership in the Association may send up to ten (10) messengers to Executive Committee and Annual meetings.

ARTICLE V - PARLIAMENTARY PROCEDURE

Robert's Rules of Order, in its latest edition, shall be the accepted authority in conducting the business of the Association.

ARTICLE VI - AMENDMENTS

Proposed amendments to this constitution may be put to a vote at any Annual Meeting provided the following conditions are met:

A. Proposed amendments shall first be submitted in writing to the Association at the October meeting of the Executive Committee.

B. The Executive Committee shall, in turn and by majority vote, refer proposed amendments to the Constitution and By Laws Committee for study and recommendation.

C. Written copies of proposed amendments shall be given to the Executive Committee at their January meeting by the Constitution and By Laws Committee along with the committee's recommendation.

D. Proposed amendments shall be presented and voted upon at the Annual Meeting.

The same conditions apply to a completely revised or re-written constitution.

Any actions taken on constitutional matters shall require a two-thirds favorable vote of ballots cast by duly elected messengers.

BY LAWS
of the
ATLANTIC BAPTIST ASSOCIATION

In carrying out its mission, the Atlantic Baptist Association shall be organized into three councils - Missions Development, Church Development, and Administrative. These three councils report to the Association through Executive Committee and Annual meetings.

ARTICLE I - EXECUTIVE COMMITTEE

The Executive Committee - composed of up to ten messengers from churches holding full membership in the Association - shall meet the last Mondays of July, October, and January to hear reports, transact business, and respond to issues affecting the life and mission of the Association. The Executive Committee shall be the final decision-making body of the Association between Annual Meetings.

SECTION 3. Each component program shall train its own officers, who shall in turn - working cooperatively with their counterparts in the churches - guide their respective programs.

SECTION 4. With the single exception of the Woman's Missionary Union director, all directors sitting on the Missions Development Council shall be nominated by the Nominating Committee and elected by the Association at the Annual Meeting. Vacancies among these directors occurring during the year shall be filled as soon as possible by the Nominating Committee, subject to subsequent approval by the Executive Committee.

Directors desiring to assemble a committee to work with them, shall - after consulting the Director of Missions and chairman of the Nominating Committee for input - assemble their own committees, subject to subsequent approval by the Nominating Committee and Executive Committee.

ATLANTIC BAPTIST ASSOCIATION

One Hundred and Twentieth Annual Session

April 24, 2003
McCotter Boulevard Baptist Church

1. The One Hundred Twentieth Annual Session opened with congregational hymn, *"Victory in Jesus,"* led by Rev. John Thompson. This was followed by a time of Praise and Worship led by Mrs. Deborah Lockey, Director of Music for McCotter Boulevard Baptist. Rev. Mike Huffman represented the South African Mission Team and shared a report of their trip from February 10-25, 2003. We then enjoyed special music provided by the ladies ensemble *Hearts of Praise* from Parkview Baptist Church. A youth testimony was shared by James Lewis of Crossroads Baptist Church. He was part of a 10 member Deeper Impact Team at Fort Caswell in summer 2002. This was followed by a testimony shared by Rev. David Pierce of the Lord's miraculous touch of healing in his body following very serious surgery in early 2003.

2. The Business Session began with a congregational hymn, *"He Lives,"* led by John Thompson.

3. Mr. Needham Parks, Moderator, called the Business Session to order. He welcomed everyone and thanked McCotter Boulevard Baptist Church for their hospitality in hosting the meeting and for providing refreshments.

4. Rev. Gary Carroll, Pastor of Newport Baptist Church led the invocation.

5. Mr. Max Miller, Treasurer, gave his annual report. He referred everyone to the financial report included with the packet of information. He commended the churches for their contributions totaling over $225,000, which represents a record year for the Association. He then explained that four line items in the current fiscal year are over budget. The Finance Committee will address this in their report. Next, he referred everyone to the last page of the report to see the balances of the bank accounts. He made a motion that the financial report be adopted as printed. It was seconded. There was no discussion and the motion carried unanimously.

   Next, Mr. Miller expressed what a privilege it has been to serve as Treasurer for the past 16 years. He said it has been a great experience and a wonderful opportunity to get to know so many great people through the years. This included 3 great DOM's, 4 wonderful Secretaries, and a terrific Financial Secretary. He said that Beth Hassell is the one who took the work out of serving as Treasurer. The churches in our Association amaze him as they cooperate together to make this Association what it is. Their faithfulness, support and friendship have made a deep impact on his life. And he is amazed at how this Association responds to needs here and around the world. Mr. Miller said every need that has ever been presented to the Association has always been responded

to generously. He feels confident that the churches will encourage and support Rev. Jack Bowen, the new Treasurer, with the same love and appreciation.

6. Rev. David W. Phelps, Director of Missions, presented Max Miller with a plaque to show appreciation for his high integrity, exceptional wisdom, and consistent, positive stewardship during his 16 years of faithful service as Treasurer for the Atlantic Baptist Association.

7. Rev. Tommy Willcockson, Representative of the Finance Committee, began by referring everyone to the copy of the Budget Proposal included in their packet. He commented that the budget represents an increase of only 4% over last year's budget. He made a motion that the proposed budget for 2002-2003 be adopted. The floor was opened for discussion and there was none. The motion carried unanimously. Rev. Willcockson addressed the issue of four line items in the current fiscal year that are over budget. He proposed the following adjustments to the current budget:

   Decrease:
   - line item 608 (Youth Ministry) by 1,935.00 for new total of 65.00

   Increase:
   - line item 205 (Hospitality) by 200.00 for a new total of 1,000.00
   - line item 206 (Utilities) by 100.00 for a new total of 8,100.00
   - line item 208 (Building Insur.) by 1,025.00 for a new total of 4,275.00
   - line item 501 (Director's Insur.) by 610.00 for a new total of 9,190.00

   A motion was made to accept the adjustments and was seconded. There was no discussion and the changes were approved unanimously.

8. Mr. Arnie Harrell, Chairman of the Nominating Committee, referred everyone to the proposed nominations for 2003-2004 as listed in the Book of Reports. He recognized the members of the Nominating Committee and thanked them for their diligence in selecting officers, committee members, and directors for 2003-2004. He opened the floor for any questions, there were none and he made a motion to accept the recommendations and it was seconded. There was no discussion and the motion carried unanimously.

9. Mrs. JoAnn Tadlock, Chairperson of the Personnel Committee, asked everyone to read over the Personnel Committee Report in their packet that included details regarding a new position for the staff of the Atlantic Baptist Association. The Church Development Consultant would be available as a resource for all the churches. The report outlines the job description and budget allowance for this position. The handout is for information only and will be voted on at the next Executive Quarterly meeting in July.

10. Mr. Needham Parks, Moderator, moved to accept the 120th Annual Book of Reports as printed. It was seconded and the motion carried unanimously.

11. Rev. David W. Phelps, Director of Missions, started his report by saying that the hand out from the Personnel Committee regarding a Church Development Consultant is for information only and will be voted on at the next Executive Meeting in July. The person to be hired would not be a novice and would be trained in education. The intent of the position is to have someone who could provide resources and information to the churches in areas such as Sunday School, outreach, discipleship training or any other educational needs. The position would begin as part time and could possibly become full time in 4 or 5 years. The hope is to be an encouragement and resource to the churches to help them be the best that they can be.

    Next, Rev. Phelps referred everyone to the Church Planting line item in the proposed budget for 2003-2004. He explained that the main focus of the significant increase in this line item will be the Hispanic Mission at Fort Barnwell.

    Please pray that we can get into relationship with the Craven County Fair and for the rest of the details to come together for this ministry. We are at the graces of one man who coordinates 2 different groups of people who come together to work the Fair. They form a group of 60 – 80 individuals who may have not been to a doctor or dentist in years, who rarely eat a nutritious meal, and who have probably never heard the Gospel.

12. Mr. Sidney Raybon gave a report representing the Baptist Children's Homes of North Carolina. He stated that the BCH cared for 2,100 children last year. They had sent word prior to the last WMU Conference requesting that the ladies bring new towels and wash cloths to be used by the Children's Homes. The response went beyond what they could have ever expected. They received 12,000 Bath Towels and 15,000 wash cloths. This will help free up some of their very tight budget for the next few years.

13. Dr. George Tumlin came to share about the ministry of the Hispanic Mission at Fort Barnwell. He said there have been a number of individuals saved, baptized and growing in the Lord. They have been able to provide Spanish language Bible classes. Edith and Doug Robbins from Cherry Point Baptist have come several times with the Medical/Dental Bus. You don't have to go overseas to do foreign missions. There are great opportunities available to share Jesus. Many of the people go back to their home country and share their new found faith. Dr. Tumlin requested prayer regarding the search for a full time pastor for the Mission. The need is there. The Saturday before the Annual Meeting, they had an Easter Egg Hunt and over 100 children and their parents came. Most Sundays someone comes by for a Spanish worship service and they have to be turned away. They are encouraged to come back as it is hoped an Hispanic pastor will be in place soon.

14. Dr. Burke Holland shared on behalf of the Baptist Retirement Homes of North Carolina. He expressed thanks to the churches of our Association especially for always being so mission minded. This thank you is expressed on behalf of all the elderly who benefit through assisted living, rehab, and nursing homes. They are

the recipients of the gifts shared by the churches. A new facility opened last November between Concord and Charlotte that is already at 97% capacity. He thanked everyone again for not forgetting the elderly.

15. Rev. David W. Phelps, Director of Missions, presented Dr. Myrle Swicegood with a plaque in appreciation for her compassionate service, wise counsel and unconditional love while she served as Family Life Ministries Coordinator from May 1990 to July 2003. She expressed her gratitude for all the help she received that enabled her to help others. She also requested prayer for her husband, George, as he continues to recover from a very severe stroke.

16. Rev. Phelps expressed his appreciation to Mr. Needham Parks for serving as Moderator for the past year.

17. Moderator Needham Parks opened the floor for any new business and Rev. Tom Willoughby suggested that we stop and say a prayer for George Swicegood. Rev. Willoughby led the prayer.

18. Moderator Needham Parks reminded everyone to fill out their registration form before they leave. He expressed his thanks to the Association for allowing him to serve as Moderator for the past year. He called on Rev. Rob Helton, Vice-Moderator, and passed the gavel to him for the upcoming year.

19. Mr. Calvin Wiltshire led the benediction.

BAPTIST MEN

Report to the Association

2003

This has been another busy year for Baptist Men, both locally and on the foreign field.

On the foreign mission field, our own Raymond Earp and Mike Huffman have made trips to Armenia and South Africa helping build churches. Other Baptist partnerships are with Malaysia and Honduras, building churches and furthering God's Kingdom.

On the State level, I led an 8 man team to the Appalachian Mountains, Buncombe County. We built an 85-foot wheelchair ramp for an elderly woman. Much work is needed in this area and we will be returning July 6 to help repair roofs, floors and to build ramps. L.D. Springle, Calvary Baptist Church, led a team to the Appalachian Mountains, Virginia area, to replace roofs and floors. They will be returning this summer also.

On the local level, (Carteret County), Morehead First and Calvary worked together to complete 17 projects involving 64 volunteers and totaling 1,265 man hours. Currently we have 3 wheelchair ramp building teams, 1 painting team, 1 roof tear-off team and 1 roof shingling team. The workload is ever increasing; much more help is needed.

So you can see, we have something for everybody; foreign missions, statewide missions and local missions. We go to be a blessing to many people in need and come away with an even greater blessing. If you have an interest in any of these mission activities, give me a call. (252-726-3907) The work is rewarding, the fellowship is great and it's what God tells us to do in Matthew 25:35-40. Everybody can pray, some can give money and others can go.

Respectfully submitted,
Mr. Danny Willis, Director

BIBLICAL RECORDER

Report to the Association

2003

The world is changing rapidly, and Baptists are changing right along with it. Gone are the days of a simple denominational life or a single way to be Baptist. Never has it been more important for North Carolina Baptists to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The *Biblical Recorder* exists to provide this needed service to Baptists in North Carolina and beyond. The *Recorder* staff works diligently to comb through many sources of information and distill them into a trustworthy resource that offers regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.
The *Biblical Recorder's* strategic role in promoting God's kingdom work through North Carolina Baptists grows from its mission statement: ***"to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

As the official news journal of the BSCNC, the *Biblical Recorder* has functioned faithfully since its establishment in 1833 by Thomas Meredith. The *Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptists papers, winning national honors from the Baptist Communicator's Association for news and editorial writing in 2000, and taking the association's top prize for news writing in 2001.

The *Biblical Recorder* offers a special service that makes it possible for churches to combine a regular newsletter and the *Biblical Recorder* in a single package, offering significant financial savings.

In addition to its printed form, the *Biblical Recorder* maintains a popular presence in the World Wide Web at **www.biblicalrecorder.org**. This web site offers Internet users an opportunity to read much of each paper's content online, as well as to access classified ads, online Bible study resources and a news/weather portal. Thousands of interested readers around the world consult the online version regularly.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program gifts, making it possible to offer the *Recorder* at very affordable subscription rates. Subscription packets and free sample issues are available. For more information, please contact:

BUILDING AND GROUNDS COMMITTEE

Report to the Association

2003

This committee made a few repairs such as pressure washing the porch and side walks, making minor repairs to the Association sign, and replacing some inside door knobs. I feel we were very fortunate in not having any major repairs, just these routine things inside and out.

I would like to thank the committee once again for all the help and support.

Respectively submitted,
Mrs. Katie Atkinson, Chairperson

CHURCH MEDIA LIBRARY ORGANIZATION

Report to the Association

2003

Wow! 2002 sure did go by fast. I am seeing a lot of churches move toward the Lord in many ways. Many have a great desire to grow with God through their studies. A great place to find great studies is in the Church Media Library. As a church grows they need to disciple their flock. There is so much information available to all of us through the State and National Associations.

Libraries are becoming more than just a place to get a great book, they are moving to Music, Videos, CD's and VHS. Yes, you can even listen to a Christian book on CD now. Where is your Library headed? Are you wanting to start one? Are you unsure of how to improve or start a library? You need to plan to go to Caraway the first Friday, Saturday, and Sunday in April. It is the most attended conference in the Association. You will meet people from all over the state and you will be able to attend many classes on Library and Media. I hope to see you there.

If you want to start or improve your Library, all you need to do is GO to Caraway. You will learn so much. I am also available to come to your church to work with you and your staff. Tabernacle Baptist in New Bern has come into the computer age and has completely overhauled their library. Now their staff is going to Caraway so that they can do the Lord's work even better.

If you need to raise money for your projects and you don't know how, then call me and I will help you. I have learned many ways to raise the funds that it takes to start or improve your library.

Keep looking up and keep God first. Let's get to work!

God Bless.
Sincerely,
Mr. Kevin Beck, Director

CONSTITUTION COMMITTEE

Report to the Association

2003

While the Constitution Committee is not called upon as often as some committees, it remains a vital and important part of our Association. The members and I thank you for your faith and trust in allowing us to serve this past year.

Respectfully submitted,
Mr. David Butler, Chairman

DIRECTOR OF MISSIONS

Report to the Association

2003

The purpose of the Atlantic Baptist Association is to assist member churches and the individual members of such churches in accomplishing the Great Commission. We strive to be a resource to our churches in areas pertaining to church health, mission and vision

strategy, ministry development, worship, evangelism and discipleship. We also link churches with resources beyond the boundaries of our Association. It is also the intent of the Association to accomplish such mission enterprises corporately that may not necessarily be accomplished by individual churches.

In keeping with the purposes of the Association, the Church Development Council has provided excellent and numerous conferences to train our churches in most areas related to a Great Commission church. Furthermore, the Missions Development Council has provided us with opportunities to further the gospel both locally and abroad. We had a team return to Swaziland again this year. Also, we have facilitated the use of the Medical/Dental Bus on four occasions as an outreach method for our Hispanic Mission at Fort Barnwell and one of our member churches. The Association is assisting in the search and salary of a full-time Hispanic pastor for our work in Fort Barnwell.

Every year the Association responds favorably to the Spiritual Growth Conference, this year with Dr. Fred Luter of New Orleans. In March we also conducted a two-day Deacon Training Conference. We attempted another session of *DivorceCare*, a ministry to those recovering from a current divorce; however, the interest has waned and the module is now available for a local church to conduct its own divorce recovery workshop. We continue to be the main receiving point for *Operation Christmas Child* for our area of the state.

For the coming year there are already plans for two overseas partnership mission trips and we are still working on a potential Regional Fair Ministry in the fall. Please be in prayer for these! I thank God for the privilege of serving the Lord with you.

1 Peter 2:9,
David W. Phelps

DISCIPLESHIP TRAINING REPORT

Report to the Association
2003

This has been a good year of observation for me as I have looked at the needs of our area churches. Discipleship is a critical area. God's people are in need of a deeper rooting as to who they are in Christ.

I have two goals for the coming year that I will be working on:

First, many of our churches are in need of quality training, but time and funding limit their ability to receive such training. Technology is in place now where we will be able to get live satellite feeds that are interactive for Discipleship training. All of our church leaders could come together under one roof locally, and receive training that otherwise would be considered cost prohibitive.

Second, I am looking into the possibility of opening a seminary extension here in our Association. Many of our churches have people who God is calling out for ministry, but family, finances...etc. prohibit travel for seminary work.

As I close, please pray for God's wisdom for discipling His people. Prayer is the key to all that is accomplished. Thank you for the privilege of serving in this ministry position.

EVANGELISM COMMITTEE

Report to the Association
2003

As this year's newly elected chairman, I want to personally thank last year's committee for transitioning us towards another great Spiritual Growth Conference.

Throughout the planning and prayer times, we, as a committee, sensed God would utilize the giftedness of our first African American Pastor, Dr. Fred Luter, to bless the associational churches in our two night conference. As indicative of the request for tapes of this event, we enjoyed many spiritual insights and truths from God's Word. Both services being well attended, Fred brought an arousing message on Monday night regarding "The Dry Bones," Ezekiel 37:1-10, encouraging spiritual renewal and awakening among our churches.

Pastor Luter and his beloved wife, Elizabeth, graced our fellowship with lots of down home, New Orleans-style love and laughter.

Music, this year, was provided by *His Redeemed* from Cedar Point. Jeff and Niki Waters with family friend Paul Lindsey ministered to all of us through their inspirational spiritual giftedness!

Our goal and desire is to bless the associational churches in these coming years with relevant, biblically-based teaching and music, such that "our soul magnifies the Lord, and our spirit rejoices in God our Savior." Luke 1:46-47.

Because He is able,
Rev. Michael R. Fields, Chairman

EXECUTIVE COMMITTEE MEETING
July 29, 2002
Cape Carteret Baptist Church, Cape Carteret

1. Rev. John Thompson led the congregational singing.
2. Mr. Needham Parks, Moderator, called the meeting to order and welcomed those in attendance.
3. Mr. David Horton of Cape Carteret Baptist Church opened in prayer.
4. Mr. Needham Parks, Moderator, received a motion to accept the minutes of the April 25, 2002 meeting as printed. The motion carried unanimously.
5. Mr. Max Miller, Treasurer, thanked the churches for their support of the work of the Association in the amount of $54,165.67. He explained that of the $26,580.51 check book balance, $15,763 is designated for the Disaster Relief Fund. The difference of those two ($10,817.51) plus the balance in the Money Market Certificate of $62,334.35, leaves a general fund balance of $73,151.86. The Capital Improvement Account has a balance of $9,788.80. He moved for adoption of the financial report as printed. There was no discussion and the report was approved unanimously.
6. Dr. Myrle Swicegood offered her resignation as Family Life Ministries Coordinator due to family obligations and other commitments. She expressed how much she has enjoyed working with everyone and commented on the pleasure she has received serving in this capacity. The work begun has proved the real need to have good, strong Christian counseling available.
7. Mr. Needham Parks, Moderator, asked for any miscellaneous business to be brought at this time. No miscellaneous business was brought forward. Needham Parks encouraged everyone to pass their evaluation forms in so they could be picked up at the close of the meeting. He explained that these forms help in the planning of future conferences.
8. Mr. Raymond Earp gave a report discussing a new missions partnership with Armenia recently voted on by Baptist Men. Baptist churches are active in almost every area of the country and most meet in homes. Help is needed with construction of church buildings and with renovations to a dormitory at a seminary. Individuals interested in participating can help with construction, serve on medical teams or contribute financially. The partnership is also setting up 20 church planting groups. A contribution of $150 will support a church planter for 1 month. Raymond was hoping a team would be going in early fall, but the plans have not congealed so the trip has been post-poned until future notice.
9. Rev. David Phelps, Director of Missions, introduced and welcomed new pastors and staff members to the Association. He recognized Rev. Mike Williams, Pastor of Colony Baptist Church in New Bern; Rev. Travis Cain, Pastor of Atlantic Baptist Church, Rev. Tim Walters, Minister of Youth at Tabernacle Baptist Church in New Bern; Rev. David Welch, Pastor of Spring Garden Baptist Church.
10. Rev. David W. Phelps, Director of Missions, gave the DOM Report. He thanked Dr. Swicegood for her faithful service as Family Life Ministries Coordinator. He commented that Dr. Swicegood has given countless hours of service and has helped a great number of individuals over the years. David announced the State Missions Banquet to be held at First Baptist Church of New Bern on Monday,

August 26. The guest speaker will be Dr. Bob Wiley, Church Planting Specialist with the N.C. Baptist State Convention. The importance of the State Missions offering was emphasized as providing funding for the WMU and Brotherhood Fellowship and various other ministries across the state. This includes some ministries right here in our Association. David also announced that plans are firming up for providing a ministry to the workers at the Craven County Fair Grounds in October. This would include providing laundry service, showering facilities, meals, and the Medical & Dental bus. The over-all goal will be for this to be an evangelistic outreach to the Fair workers.

11. Mr. Needham Parks closed the service with the benediction.

EXECUTIVE COMMITTEE MEETING
October 28, 2002
Temple Baptist Church, Temple

1. Rev. John Thompson led the congregational singing.
2. Mr. Needham Parks, Moderator, called the meeting to order.
3. Mr. Ken Cochrane of Temple Baptist opened the meeting in prayer.
4. Mr. Needham Parks, Moderator, received a motion to accept the minutes of the Annual Meeting from July 29, 2002 as printed. The motion carried unanimously.
5. Mr. Max Miller, Treasurer, said the Treasurer's report reflects the faithfulness of the churches to the obligations of the budget voted on back in April. To this point the churches have given $108,765 towards the budget which includes general and designated funds. This is a very good report. He explained that expenses are on track for the year. $10,000 was transferred to the money market CD recently. It is a low interest bearing account, but better than zero. He pointed out the balances of the Money Market and the Capital Improvement Accounts and the Designated Savings Account. He moved for adoption of the financial report as printed. There was no discussion and the report was approved unanimously.
6. Mr. Arnie Harrell, Chairman of the Nominating Committee, named and thanked each of the members of this committee. He explained that Louie Piner of Davis Baptist will be replacing Rev. David Adams who has moved. His term will last through 2005. The other five people listed are individuals filling positions not filled at the time of the Annual Meeting. They are in positions without term limitations. Arnie moved for approval of the recommendations made by the committee. There was no discussion and the vote was unanimous.
7. Mr. Needham Parks, Moderator asked for any miscellaneous business to be brought at this time. No miscellaneous business was brought forward. Needham Parks encouraged everyone to pass their evaluation forms in so they could be picked up at the close of the meeting. He explained that these forms help in the planning of future conferences.
8. David W. Phelps, Director of Missions, gave the DOM Report. He thanked Needham Parks for his leadership as Moderator. He then offered prayer for Tom and Pat Willoughby, Pastor from Woodville Baptist Church, following an auto accident. Pat sustained some neck injuries and was home from the hospital by the time of the service. Next, David covered four topics:

Samaritan's Purse Boxes – This outreach has been promoted well in the churches and we already have about 250 shoe boxes at the Association. Please

have all shoe boxes to us by November 11 so we can get them in cartons and delivered to the Collection Site in Wilmington.

Fair Ministry – Everything firmed up quickly with the Craven County Fair people including: medical/dental bus, sewer and water hook-ups, electricity, laundry service, and shower units from the state convention. Several of the churches in the Association were very excited about helping. However, the owner of the fair wasn't familiar with us and was hesitant to work together so he told us no. During the Fair, David went to talk with him and he is open to having the medical/dental bus come next year. This should prove to be our foot in the door. David was also able to meet several of the fair workers. There are 50 to 60 people, including some locals, who would benefit from this ministry. We are hoping everything will come together for next year's County Fair.

Malaysia – David has received the latest requests for help from Malaysia with our new partnership. The hardest part is just getting there since Malaysia is literally on the opposite side of the world. Some of the requests include: a team of 8 to run a church camp in Singapore for Adults, Young Adults, Youth and Children; Multimedia Specialists; Sports Ministries, especially basketball; Painting and Repairing the Baptist Seminary in Padang; Child Care workers for the IMB conference summer 2003; VBS Bible Studies for IMB Personnel; Worship and Praise Teams, both traditional and contemporary; and a Youth Choir. Malaysia is an Islamic country, so it is against the law to share Christ openly. The exception is during Christmas. An Association-wide Youth Choir could go during the holidays and play at Malls and other outdoor venues. David said he would be sending a packet of information to each of the pastors. The cost for the trip is $1,600 and this includes everything except souvenirs.

Senior Adult Rally – David announced that this year's Fall Rally for Senior Adults would be the next day, Tuesday, October, 29 at First Baptist Church of New Bern. The guest speaker is Renee Henderson and she is a real hoot! All were invited to come to the luncheon.

In closing, David shared how much he enjoys working with the Atlantic Baptist Association. He said it is one of the healthiest associations throughout the state.

9. Needham Parks reminded everyone to pick up newsletter packets.
10. Rev. David Welch, Spring Garden Baptist, closed the service in prayer.

2. Mr. Needham Parks, Moderator, called the meeting to order.
3. Mr. Mike Salter opened the meeting in prayer.
4. Mr. Needham Parks, Moderator, thanked First Baptist Church for hosting the meeting. He also thanked the Conference Leaders. He then received a motion to accept the minutes of the October 28, 2002 meeting as printed. The motion carried unanimously.

5. Mr. Max Miller, Treasurer, began by announcing that the Association has changed banks since the last meeting. First Citizens Bank has bought out the Centura Branch in Havelock. Other banks were looked at but didn't make it worth our while. The transition to First Citizens has gone smoothly. We've had a good Quarter and chose to leave the reports as of January 31, despite the change in meeting dates due to snow. The churches have given $168,600, which is an excellent report for the Quarter. If we continue in this way for the next 2 months, we will have received $225,000. This would result in a record year. Max referred everyone to the last page of the Finance Report to see that the balance of the Capital Improvement Account is $9,858.11. He moved for adoption of the financial report as printed. There was no discussion and the report was approved unanimously.

6. Rev. Tommy Willcockson, representative from the Finance Committee, presented a copy of the Proposed Budget for the fiscal year of May 2003 – April 2004. He explained that the report is being made available for everyone to peruse in preparation for discussion and vote during the Annual Meeting in April.

7. Mr. David Dayvault presented a report to recommend Rev. Buford Lewis of Crossroads Baptist Church as the new Sunday School Director for the Association. He explained that he was filling in for the Chairman of the Committee, Arnie Harrell, who was in South Africa on a mission trip. A motion was made to adopt the report, there was no discussion, and the motion carried unanimously.

8. Mr. Needham Parks, Moderator, asked for any miscellaneous business to be brought at this time. No miscellaneous business was brought forward. Needham Parks encouraged everyone to pass their evaluation forms in so they could be picked up at the close of the meeting. He explained that these forms help in the planning of future conferences.

9. Mr. Raymond Earp presented a report representing the Missions Development Council. He stated that the plans for the Missions Fair this fall are in the works. He also explained that the Medical Dental Bus has been very active in our Association during the past Quarter. He also said the Hispanic work at Fort Barnwell is still progressing. Finally, he announced two mission trips being planned for this year. The first will be to Malaysia on June 7 – 16 to teach VBS for the missionaries' children. The second will be August 25 – September 2 to Armenia. Help is needed with construction of church buildings and with renovations to a dormitory at a seminary. The Association continues to sponsor a church planter in Armenia with a monthly contribution of $150.

10. Rev. David Phelps, Director of Missions, stated that he is excited about the mission trip to Malaysia and appreciates Raymond Earp's willingness to captain the trip. He is hoping to piggy-back a construction trip with it. He announced that the tapes of both messages from this year's Spiritual Growth Conference featuring Dr. Fred Luter are available for $1 each. David was very happy to announce that Newport Baptist Church has called a new pastor, Rev. Gary Carroll, and everyone is invited to a Reception to welcome him on Sunday, March 16 from 3:00 – 4:30 at the church. Next, David introduced Bobby and Margie Jones, two members of Parkview Baptist Church who are serving as missionaries at the Door of Hope Ministry in South Africa for two years.

11. Margie Jones spoke first. She and Bobby accompanied Rev. Mike Huffman on 2 trips to Swaziland and both times the Door of Hope Ministry planted a place in their heart. They both retired 5 years ago and felt a calling to go and help. The Door of Hope rescues abandoned babies in South Africa. An entire generation, between the ages of 15 – 35, is missing because they have died of AIDS. Consequently, there is no one to take care of their babies. Because Door of Hope is not planting a church, it affects their getting missionaries. South Africa is a hurting, hungry, lonely, depressed culture. They need people to love them and help them. Bobby and Margie are home for 6 weeks to speak at as many opportunities as possible. The staff of the Door of Hope has a love for God and a love for children. They receive a token of money, not sufficient to put bread on the table. But they have seen the Lord provide in so many ways. Parkview Baptist has set up a special account that is continually replenished. The help always seems to come at just the right time. As little as five dollars will feed 2 families for a week. Margie expressed her thanks from the bottom of her heart for all that is done. Bobby spoke next and focused on a specific need of a truck to help haul items from Johannesburg. He also stated that the area in which they are working has the highest number of abandoned children.

12. Rev. David W. Phelps, Director of Missions, returned to share the DOM report. He commented on the work of the Door of Hope Ministry as encouraging mothers to bring their babies to their facility instead of killing their child. In 10 months they have rescued 50 babies and found homes for all of them. He thanked Bobby and Margie for sharing. Next, David explained that a lion share of the budget increase is in church planting support for a new Hispanic Church in Fort Barnwell. Another area in discussion relates to the possibility of a new staff member for the Association. With the retirement of Dr. Myrle Swicegood as Family Life Ministries Coordinator, and Dr. George Tumlin stepping down as Conflict Mediator, funds are now available for hiring a bi-vocational Minister of Education for the Association. This individual could possibly serve part-time on the staff of a local church. The job description is being refined but would include helping our churches improve their Sunday School programs. Next, David shared that while at Golden Gate Seminary working on his doctorate, he had the privilege of attending First Baptist Church of San Francisco. He was quite impressed with the diversity of the church. With an attendance of 300 in the service, at least 37 different nations were represented. He challenged the churches in our Association to produce churches with that type of uniformity. Also, while at Golden Gate, he had the opportunity to hear Dr. Sam James, Coordinator for the Middle-East, share of his experiences in Vietnam and how the church there is flourishing under intense persecution. The Vietnamese Church does not want prayer for the persecution to stop in fear that they will become soft like the American Church. Every month pastors are dying in Vietnam because they won't renounce their faith. We need to pray that the Lord will help us to be different. Our churches have become too social. We have begun to equate church membership with being a Christian. Are we confronting the world around us? Dr. Tony Evans has said that 11:00 on Sunday morning is the most segregated hour of the week. May the Lord give us a vision beyond ourselves.

13. Dr. Myrle Swicegood made an announcement that the Life Lifts tapes are available for the church libraries.
14. Mr. Sherrill Garner closed the service in prayer.

FINANCE COMMITTEE

Report to the Association
2003

The 2002-2003 Finance Committee has completed a review of the Association's financial records and operation procedures for the fiscal year beginning May 1, 2001 and ending April 30, 2002.

The review covered an examination of the Association's quarterly payroll taxes and verification was made that the premiums on the Association's liability insurance coverage had been paid. We randomly selected two months of the past year and thoroughly examined the handling of all cash receipts and disbursements, including a review of cancelled checks and deposit slips for the selected period. Based on the assumption that these samplings represent the condition of all records and procedures for the fiscal year, we feel there is no need for further inspection.

The Finance Committee believes that all monies received by the Association have been properly handled and accounted for and that proper procedures for the disbursement of all funds have been faithfully followed.

The staff and officers of the Association are to be commended for keeping the financial records of the Association's ministry efforts up-to-date, easy to understand, available for review, and above reproach. The churches of Atlantic Baptist Association thank you.

Respectfully submitted,
Mr. Sherrill Garner for

GARDNER-WEBB UNIVERSITY

Report to the Association
2003

As Gardner-Webb officially enters into a countdown to its centennial in 2005, the institution is experiencing success in all phases of campus life. Despite a progressive move into the 21st century, however, the University's mission remains the same as it has been since its founding in 1905 – to provide learning of distinction within a caring Christian environment.

The 2001-2002 year at Gardner-Webb will be noted in the annals of the University's history as one of extreme significance. Programs and facilities, affiliations, personnel and student body all were enhanced further to continue the institution's rise to regional and national prominence.

Programs such as the M. Christopher White School of Divinity have continued to offer new and dynamic courses of study under the leadership of highly respected faculty members. In fall 2001 Gardner-Webb began offering its first-ever doctoral program, the Doctor of Ministry (D.Min) degree, with the maximum number of students enrolled.

The School of Divinity is prepared to enter this new realm with strong administrative and faculty leadership, and challenging curriculum and auxiliary offerings as well. A hallmark of the GWU divinity experience continues to be the annual Holy Land and Paul's Missionary Journeys Study Tours. The trips, now underwritten by GWU for divinity students, are led by GWU President Dr. Chris White, a noted authority in biblical studies, and Dr. Wayne Stacy, Dean of the School of Divinity.

The School of Divinity also welcomed the addition of two newly established endowed chairs in 2001-2002. The Bob D. Shepherd Chair of New Testament Interpretation was the first endowed chair to ever be formed at GWU, and Dr. Todd D. Still was named at opening divinity convocation to occupy the esteemed position. In the spring, the Randall Lolley Chair of Pastoral Studies was completed in honor of Dr. Lolley's tremendous impact on Baptist life.

The Center for Congregational Enrichment, a function of the School of Divinity, this past year was the beneficiary of GWU's largest-ever grant, a $1.25 million gift from the Lilly Foundation to begin a program for youth that nurtures the call to Christian ministry. Hired this year to direct the Center and the new Lilly program was Dr. Danny West, a noted Baptist leader who will administrate the innovative new Lilly venture while continuing the Center's work to provide seminars and workshops to laypersons and church leaders on timely topics that range from teaching Sunday School to effective church administration.

The same sense of excitement and progress that has marked the past year in the School of Divinity has permeated the entire institution as well. Other areas of the University that were lauded this past year include the GWU School of Education, which had its teacher education program ranked for the third year in a row among the top programs of its kind in a recent study produced by the State Board of Education. The School of Education is recognized for quality in all its departments with accreditation from the National Council for the Accreditation of Teacher Education (NCATE), the most prestigious status that can be achieved in teacher education.
Further indication of Gardner-Webb's commitment to the highest level quality of instruction is Dr. Gail Price, winner of the 2001-2002 Fleming-White Excellence in Teaching Award that honors the University's most outstanding faculty member. Price, professor of English and past chair of the GWU Department of English Language and Literature, has brought her Christian influence and integrity to the classroom for more than a decade, and her honor was voted upon by not only students, but fellow faculty and staff as well. Dr. Price is a widely respected authority in her field and regularly participates in innovative efforts locally, regionally and nationally to continually raise the standard of excellence in English and writing instruction.

Furthering its mission to provide world-class education in a Christian setting, Gardner-Webb has refined and expanded many of its 17 off-campus locations this year as well, including the new "Gardner-Webb University at Statesville" operation. Providing the only four-year opportunity to that region of North Carolina, GWU at Statesville is settling into a new, state-of-the-art facility in Iredell County that spans over 11,000 square feet. In April, a new facility was unveiled in Mecklenburg County as well, officially named "Gardner-Webb University at Charlotte." The institution's evening school offerings for

working adults are offered at the site along with multiple graduate level programs for the citizens of that area also.

The quality of the student body continued in 2001-2002 to set new standards of excellence at GWU. The average GPA for incoming students was over 3.4 and the average SAT was 1,100. A newly completed strategic plan for the University identifies this quality of student as being key to the growth and progress of GWU's next decade. In addition, the strategic plan and accompanying master plan have set forth ambitious and exciting goals for the university in the next decade, including expansion of the physical campus and academic programs, among others.

The new 2001-2002 year also meant the completion of GWU's transition phase to NCAA Division I status. Fall 2002 marks the beginning of a new era in athletics, as well as academics and recognition, as Gardner-Webb has begun competing in the Atlantic Sun Conference (formerly the TAAC). This move to Division I and conference affiliation opens new doors institutionally for Gardner-Webb as new markets and opportunities for exposure are tapped in member cities such as Miami/Ft. Lauderdale, Orlando, Jacksonville, Birmingham, Nashville and Atlanta.

Students at Gardner-Webb also enjoyed another eventful year full of opportunities to grow in all areas of their well-being. Notably, many students again participated in Ministerial Education (M.E.) Days, which allow undergraduate and graduate ministerial students the chance to preach in Baptist churches in area associations through a cooperative arrangement with the GWU Office of Campus Ministries. That office continues also to offer the weekly DIMENSIONS program to students, which features prominent speakers and performers who bring positive messages of their Christian faith each Tuesday throughout the academic year.

As a leader in the Baptist community, Gardner-Webb takes seriously its responsibility as a beacon of quality Christian higher education to the state, region and the nation. The decisions made by the Board of Trustees and the administration will continue to reflect that philosophy as the University charts a course for the 21st century.

Staying true to its affiliation with the Christian faith, Gardner-Webb remains appreciative for the generous support it receives from the Cooperative Program and feels that the school is more effective as a result of offerings that are enhanced with these funds.

HISTORIAN

Report to the Association
2003

"Cast your bread upon the waters, for thou shalt find it after many days." (Ecclesiastes 11:1) With the Montagnards, the Vietnam Hill People returned after many years. During the war in Vietnam these people were friends in fighting beside our American Troops against Communist aggression. These tribal people live in the fertile hills and are a culturally distinct group from other Vietnamese. Many of them were converted to

Christianity by visiting missionaries. Because of their beliefs and opposition to a Communist government, they continue to be harassed and persecuted. First Baptist Church in New Bern is one of the churches in North Carolina sponsoring Montagnard refugees. Is this international missions right here in our Association? They have three tiny, single, young women who had run through the jungle for several days from the pursuing soldiers with very little sleep and only what food the jungle afforded. Apartment living was a tremendous adjustment for Hae, Hoan and Ayoai. They had cooked their simple food on an open fire, washed their clothes wherever they could and hung them on branches in the open air to dry. In less than 3 months they had jobs, were attending Craven Community College and operating our "taken for granted appliances." There are several Montagnards in the area. They attend worship services at First Baptist with the girls. The church provides a Sunday School class for them. The first Christmas in the United States was exciting for them. They loved the Christmas music sung in church and they would sing along in the Jarai language. The New Bern Police Department, along with Santa Claus, visited them and brought gifts. The sight of their first snow was equally exciting and exhilarating for them. Although these gentle, smart people are thankful for their lives here, they carry a deep sadness in their hearts. They left behind parents, brothers and sisters. They ask us to pray for their families living in Vietnam under dire circumstances under the Communist Regime.

Mission trips are still a vital part of our mission outreach. Three members of First Baptist, Havelock went on a week long mission to Nicaragua in July. A group of men and women representing Temple Baptist in New Bern ministered to the physical and spiritual needs of a family in Jefferson City, TN. All of the spaghetti cooking, strawberry picking and dog washing money took some young people from Newport to Charleston, West Virginia in June. Each one of them had been trained to lead someone to Christ. They joined others from around the country for a Prayer Walk and several group Praise Sessions. They participated in a free car wash and cut grass in a poor section of Western Charleston. Some adults and youth from First Baptist, New Bern returned to Honduras during Spring Break in April to build a house for a family. They had the opportunity to preach and give testimonies several times as well. The natives loved the, *Jesus* movie. Six people from our Association went to Johannesburg, South Africa in February to help in "The Door of Hope" Ministry. This is sponsored by the Berean Baptist Church. They receive and care for abandoned and unwanted babies. The men built a building for clothing. They were able to build and assemble some playground equipment. They also attended the dedication of a church that they had helped to build on a prior visit. Our Association is considering various types of support to keep the small but strong group of Baptists in the small country of Armenia. The Missions Development Council voted to support a Church Planter Project.

The Special Olympics World Summer Games will be held for the first time outside of the United States, June 20 – 29 in Dublin, Ireland. Mrs. Sandy McClinton, First Baptist of New Bern, has been selected as an Aquatic Coach for Special Olympic Team, USA, North Carolina. This can be wonderful time of ministry. Jesus said, "In as much as ye did it unto one of the least of these, My brethren, ye have done it unto Me." (Matthew 25:40)

The ministry at the Seaman's Center at the port in Morehead City continues strong. William Carey's biographer said, "When William Carey's grandmother drew him to her knee and told him of Jesus. Though she knew it not, she was drawing the world to the

feet of Jesus." Could it be also that our Association's ministry to the seaman traveling to and fro from many foreign countries is also drawing the world to Jesus?

The building and expansion of our church facilities have almost been at a standstill in the last two or three years. First Baptist of Havelock has plans to develop floor plans and a sketch model for a building expansion for handicap accessible rest rooms upstairs and down, a new and enlarged church office to include a reception area and an equipment room, two new offices for vocational staff, a conference room, a new and enlarged music room, new classrooms and storage space. Temple in New Bern has purchased land approximately a mile from the present facility and has plans for a beautiful, commodious complex. Spring Garden Baptist had a note burning service June 10th to celebrate paying off a $200,000 debt on their Family Life Center. The loan was paid off four years early.

Sunday, October 20th, Neuse River Baptist held a 40th Anniversary Homecoming. Parkview Baptist in Morehead City celebrated Homecoming Services and Dinner on the Grounds Sunday on May 19th. They have been a strong witness for the Master for 46 years. Cherry Point Baptist has been ministering to the sprawling Marine Corps Air Station for 50 years. They celebrated that ministry on Sunday, October 6th. First Baptist Davis had a celebration and thanksgiving as they worshipped, fellowshipped and reminisced with each other on Sunday, October 13th. There was a lot of reminiscing to do after 135 years of Baptist folks at Davis Shores. Newport had a forty-ninth Homecoming in May 2002. It was a wonderful day but it will not compare with the Fiftieth Anniversary to be celebrated May 18, 2003. The committee has been planning for several months to have a historical skit, an "Ancient Video," special music and a history room. Newport was a mission of Davis Baptist Church under the guidance of The Reverend Marvin Haire, Pastor.

The young people in our Association are a shining light with their activities. On Wednesday night, July 17th, the youth at First Baptist Havelock served a benefit potluck dinner. All donations received were given to a member of the church who lived on a fixed income. After dinner they led a service in the Worship Center. Twenty-eight of their young people and five adult chaperones attended Student Week at Caswell in August. They planted trees and flowers, groomed the grounds and shored up the plastic trash cans. Their backs were bent as they nailed loose boards on roofs and installed rope rails around the pool parking lot. In the summer, the young people at Cherry Point conducted many "Rent a Youth" projects to raise funds to attend Youth Camp at our Baptist Assembly at Caswell. They also worked with Josh Apple, a Youth Corps Worker, in a ten week ministry program. Several churches participated in "The Mile of Pennies" Program for the Baptist Children's Homes. For several years, the Youth Group at First Baptist of New Bern have prepared Christmas stockings filled with toys, candy and other surprises for children whose parents have financial constraints. During Vacation Bible School at Colony Baptist, money was donated to buy school supplies for the children at Kennedy Home at Kinston. The folks at Neuse River hosted a young lady from Brazil, Natalie Carneiro. She brought a lot of love and enthusiasm to the youth group. Some of their group were able to go to World Changers in Philadelphia, PA during the summer. Parkview opened their hearts and facilities to Youth Mission Teams for several weeks last summer. The teams were able to use the facilities to store their food and hold evening meetings. An excited number from Newport participated in the Youth On Mission in Charleston, West Virginia. There were 150 participants from North Carolina, Georgia,

Mississippi and Michigan. They led a children's service in a poor section of town and had a Prayer Walk in a former strip club that was being turned into a church. There were other mission activities during the week as well.

Our men, women and young people continue to witness in our communities through a variety of ministries. Our patriotism and love of country speaks well of our love for God. First Baptist of Davis celebrated Memorial Day with an inspirational Flag Raising Ceremony. The church hosted a 9/11 Community Service on September 11th for those who lost their lives in the terrorist attack, September 11, 2001. It was a time of prayer, remembering and healing. Cherry Point Baptist had a September 11th Remembrance Service also. Temple Baptist encouraged all who had served in the military, Police or Fire Department to wear their uniforms to an Independence Day Celebration on Sunday, July 7, 2002.

Doug and Edith Robbins continue to volunteer statewide with the Medical-Dental Bus Ministry sponsored by the Baptist Men's Ministry of our State Convention. They have logged many hours and miles. The bus was at their home church, Cherry Point Baptist on May 17th and 18th. The ladies fluff and stuff "Care Bears" for the children who are served by the Medical-Dental Bus.

The ladies at Temple had an Old-Fashioned Sewing Circle. They made 51 school jumpers with matching polo shirts for girls in the backwoods of Appalachia. Each garment had a label which read, "Made with Love, Temple Baptist Church." River Bend partnered with other churches in the New Bern area in helping to sponsor a TV program called, "Faith Talk." This Christian-based talk show format is aired on the UPN Network on Sunday Mornings. On Sunday, August 18th, Newport Baptist honored the town's Firemen by having them attend church with their families. The Mayor and interim Pastor Jack Bell expressed appreciation for the firemen and their commitment to pray daily for the protection and safety of their firemen. The Korean Baptist Mission was welcomed into the fellowship of First Baptist of Havelock in a beautiful service, November 17th. The Koreans conducted their first Worship Service in their new church home in the renovated Scout Hut. Several churches in the area provided desserts and workers for the Annual Family Picnic at Newport Correctional Center. Havelock had a Camp Day, Saturday, May 11th at Camp Albemarle on Bogue Sound. As a part of Camp Day, six new believers were baptized in Bogue Sound.

Tabernacle Baptist Church in New Bern recognized Associate Pastor John Ben Thompson, Jr. and his wife, Becky, for 25 years of service on June 26th. Known as "Brother John," He retired from his service as Music Director and Associate Pastor since 1977. He still serves as Music Director and Senior Adult Director for our Association. Becky Thompson has been church organist and held many other positions in their church. The church presented a love offering to the Thompsons in appreciation of their faithful service.

At this writing, our Military Forces are engaged in conflict in Iraq to free the Iraqi people from a cruel dictatorship. May our prayer be with the songwriter Samuel F. Smith, "Long may our land be bright with freedom's holy light; protect us by Thy might, Great God our King!"

MEDICAL-DENTAL BUS MINISTRY

Report to the Association
2003

The position of Medical-Dental Bus Ministry Coordinator is a new position this year to the Missions Development Council. It has been a good year for this ministry, but could be much busier. The N.C. Convention owns two buses sponsored by the N.C. Baptist Men. They are located at the Convention headquarters in Cary when they are not out on the road. The purpose of this ministry is to meet the needs of people who, for whatever reason, cannot afford dental work to be done in a normal dental setting. While taking care of their physical needs, we can also minister to their spiritual needs. Jesus seemed to always take care of the physical hurts and at the same time spread the Word about God's abundant love. He also commanded us to go and do likewise.

Bus number 1 was in the Atlantic Baptist Association three times this past calendar year. Cherry Point Baptist called it twice and Fort Barnwell Baptist once. It was also at the Spiritual Growth Conference for a Show and Tell. Bus number 2 went to New Bern for a Show and Tell during the Craven County Dental Society Meeting in February. It is hoped that more dentists will volunteer their time after seeing the bus.

I presented a program to the WMU at First Baptist Church of Beaufort and would like the opportunity to talk to any interested group. Please pray for this powerful ministry as God uses it to reach a hurting people group.

Respectfully Submitted,
Mrs. Edith Robbins,
Medical-Dental Bus Ministry Coordinator

MINISTERS' CONFERENCE

Report to the Association
2003

The Pastor's Conference remains a vital and integral ministry to "stimulate one another to love and good deeds," Hebrews 10:24, in the faith and fellowship of our shepherds. Our hope is to provide various "tools" from one another that will enhance our ministries, thus giving us healthy, growing churches.

We have had a variety of speakers utilizing their spiritual giftedness for ministry to encourage our pastors. From the results of last year's minister's conference, we have assessed the various needs and requests of our pastors and thus integrated topics of your

concern. Many of the issues addressed are related to personal issues of a pastor to such broader topics of developmental ministries within our churches. We hope to provide our pastors with continued "equipping of the saints," such that each pastor thrives and grows along with their churches.

Many thanks to John Thompson for assisting in various ways in our conferences. Our Christmas celebration was another great time of fellowship and enjoyment, thanks to the volunteers of Parkview Baptist Church.

Your undershepherd,
Rev. Michael R. Fields, President

MISSIONS DEVELOPMENT COUNCIL

Report to the Association
2003

The Missions Development Council is a group of people representing our Association – the pro-active arm of the Association – with a mission to keep us involved in missions Home and Foreign. This group works together to plan mission activities that can be done with all churches working together. It has been a good year and much has been accomplished. The Medical/Dental bus has been here several times with doctors and nurses volunteering to serve. Plans are for this Ministry to be at the fair grounds this year from October 14 – 26 to minister to fair workers.

Help is still needed in the Hispanic Baptist Church in Fort Barnwell where many Hispanics live in the area. Money is needed for a full-time pastor. The Association will continue to support this ministry.

Mike Huffman led a team to South Africa and Swaziland in February to help with the "Door of Hope" ministry there.

Our partnership with South Africa has ended, but possibly could fund the cost of another building this year. The Alaska partnership has been extended 2 years. I led a team from our Association to do work in Ketchikan, Alaska last spring.

Several teams went to Grifton to continue work on the houses damaged by Floyd.

A partnership with Armenia will begin this year. We would like to send a team there in August to help with this new work.

We continue to talk about new church starts and other mission possibilities in our Association. We know the field is white unto harvest – here and around the world.

Mr. Raymond Earp, Chairman

MUSIC MINISTRY

Report to the Association

2003

I need to start out my report by saying "thanks" to everyone who sang in the Associational Choir for the Spiritual Growth Conference. You were outstanding! I believe we all could feel the presence of the Lord in those "specials" and the preaching. I know I was uplifted. Let's sing some more!

This year I want you to always recognize the one who plays the piano, keyboard, organ, or instruments. These people do a lot of extra work that no one even knows about. You don't just sit down and play on Sunday. You have to be at practice! You have to practice at home. You always have to be ready.

Every church has a Music Ministry. If you sing any music at worship, this is ministry. Music reaches the heart. It prepares us for worship . . . it prepares us for the message . . . and, most important of all, it prepares us for the Invitation time. That is the most important time of the service.

Musically yours,
Rev. John Thompson, Director

ORDINATION COMMITTEE

Report to the Association

2003

Acting upon the request of a local church within the Association, the Ordination Committee examines a candidate for ordination into the gospel ministry. The committee, in turn, makes a recommendation to the sponsoring church. The local church is an autonomous body which responds to the committee's recommendations as they choose. The local church has full authority in matters related to licensing and ordination.

This year the committee met twice.

Upon the request of Tabernacle Baptist Church, the committee examined brother Tim Walters. The committee met with brother Walters on August 29, 2002 and recommended him to Tabernacle Church for ordination.

The committee also met for the purpose of drafting a set of guidelines for the work of the Ordination Committee. That meeting was held on October 7, 2002

PERSONNEL COMMITTEE

Report to the Association

2003

Two Thousand and Two was a year of change for our Association Personnel. Miss Caroline Burch got her feet on solid ground and established herself as our new Administrative Assistant. She has proven herself able to solve most any problem in the administrative area.

We have two other changes in the Personnel area, Dr. Myrle Swicegood has been challenged to look into other opportunities. She has been a Godsend to our Association and we will surely miss her. Our many thanks are in order for her contributions to our Association and its members.

Dr. George Tumlin, our Church Conflict Mediator, has left and is being challenged by military issues so his focus has shifted somewhat. He will be sorely missed and we wish him a safe journey in his endeavors.

A resource person for our churches in the area of education is being discussed and more information will be forthcoming. During these trying times we need to lift up our staff in prayer, as well as our Association members. David and Caroline need our support in prayer daily.

Thank you, Committee Members, for your time and patience.

Respectfully submitted,
Mr. Elmo Gaskill, Chairman

SENIOR ADULT MINISTRY

Report to the Association
2003

ASSOCIATIONAL SENIOR ADULT RALLIES are very well attended here in the Atlantic Baptist Association. We always have a large crowd. Thanks to the churches who host us. We only have four who can handle us - First Baptist of Morehead, Temple, Spring Garden and First Baptist of New Bern. We really appreciate your willingness to share your building and wonderful cooks for these events. This past year both rallies were well attended. Please continue to come. Several folks have talked to me about having it at least three times a year. We just might.

SENIOR ADULTS are special people! Every church has some. If you have their support, much can be accomplished for the Lord. Encourage your Senior Adults to be active; to be involved in many areas of church work. Let them know you love them.

Remember us "Old Folks,"
Brother John Thompson, Director

SINGLE ADULT MINISTRY

Report to the Association
2003

The Singles Christian Fellowship embraced the three arms of a singles' ministry in 2002, which are spiritual development, fellowship, and service. We have pursued what we want to be; and recognized and honored our singles leaders who are JoAnn Tadlock (current), and Norma Clark and Eleanor Jones for their years of service to this ministry. We have celebrated the seasons, both periods of the year and seasons of life. We have identified our colors and what each represents to our emotional makeup and well being. We celebrated Thanksgiving together with a full feast, and recognized and expressed thanks

for our blessings. We also joined together in the celebration of life through the birth of our Lord.

One of our members, Yvonne White, started a new singles fellowship group sponsored through Victory Baptist Church in Newport. The Lord has blessed this gathering tremendously with a good attendance each month. Yvonne's programs are both uplifting and fun.

Our fellowship has members participating in different service projects. Several of our members support the Habitat for Humanity. Another went on a mission trip to Alaska. Others make themselves available to singles in distress. All have become aware of how fortunate we are to be in a position to help each other.

Respectfully submitted,
JoAnn Tadlock, Director

STEWARDSHIP

Report to the Association
2003

"Road Maps" is a new way to help our churches develop financial discipleship. We will help you find your way by mapping out strategies that will be personally recommended for your church individually. We have some wonderful materials and programs for you to use at reduced cost or for free. How can you beat a bargain like that? As a part of our desire to see churches and their members be good stewards of God's gifts, we invite you to call for our assistance. We will continue to provide workshops through the Association, too.

Respectfully submitted,
Mrs. Toni Cullum, Director

SUNDAY SCHOOL

Report to the Association
2003

I have come in as Associational Sunday School Director near the end the reporting year, replacing Tom Lamkin. During this past year there were continuing opportunities for training of Sunday School workers. Some of these took place at the quarterly Associational leadership training conferences. The NC Baptist State Convention conducted a Sunday School Training Conference, March 2, 2003 at Crossroads Baptist Church.

No matter how we dress it up or change the name, "Sunday Morning Bible Study," "Small Group Encounter," "Cell Group," "Bible Class 101-?," "Sunday Morning Explosion," or just plain old "Sunday School," the basic principles are still the same as ever:

1. Continually enroll everybody you can.
2. Continually nurture and care for everybody you've enrolled
3. Continually teach God's Word to everybody.
4. Continually start new classes that minister to everybody.

The churches that intentionally practice these principles often have a common problem in Sunday School: not enough room to hold everybody.

My goal is that the Association will help our churches, whether big or small, discover how they can implement these Sunday School basics in their individual setting. This will be done through classes at the quarterly meetings, regional Associational training conferences, and one on one meetings with church leaders.

Thank you,
Buford Lewis,
Associational Sunday School Director

VACATION BIBLE SCHOOL

Report to the Association
2003

As with the years past, Vacation Bible School 2002 took us to another part of the world..."Amazon Outfitters: On Expedition with the One True God." Thank you to Pollocksville Baptist Church for allowing the Associational VBS Team to come and lead a training event. Thank you to the VBS Team and to those that attended this training.

Many children of all ages enjoy a good mystery! Well, LifeWay's VBS 2003 will allow us to "crack" the case. Some of us would love to travel to Europe, but things keep us from doing that. Well, LifeWay's VBS 2003 will take us to "Great Britain". Well, at least in our imaginations! "The Great Kingdom Caper, Cracking the Character Code" (Colossians 3:12-14). With literature available for Preschoolers, Children, Youth, Adults, Special Education and Spanish....there truly is something for everyone!

May 18, 2003 has been designated as a Day of Prayer for Vacation Bible School throughout our nation. Ask your church to pray for your upcoming VBS, the children that will attend, and the VBS leaders. Pray also for Vacation Bible Schools that will be held around the world. Vacation Bible School is a fun-filled, spiritual adventure for boys and girls that provides concentrated Bible study and encourages real-life application. The intention of VBS is to reach people of all ages, leading them to know and respond to Jesus Christ as led by the Holy Spirit
Remember your A (admit) . . . B (believe) . . . C (confess) . . . 's!

In His service,
Mrs. Carrie Burroughs, Director

WOMAN'S MISSIONARY UNION

Report to the Association
2003

WMU EMPHASIS "GOD'S PLAN...MY PART" is a great focus for WMU to equip Christian believers to follow God's call into missions awareness, action, and support. The WMU Leaders continued to pray to do God's will and to create an attitude of praise for the work the churches do for missions in the Association.

Throughout the year, the WMU leaders met to plan events, pray for our churches and set goals for the year. One goal was to network and be more visible. Another, we created two distinct lists of churches to better serve them. We identified 17 Churches for the "Down East" area and 24 in the "Out West" area. In June we had a "Down East Mission Fair" for the GA's and CIA's. In August, we had the "Out West – Christmas in August" event for the GA's and CIA's. These events' purpose was to have the children and leaders share and participate in letting others see what their churches were teaching and accomplishing.

Three of the Associational leaders went to Associational Leadership Team Training in Greenville on June 1. We received our new emphasis materials and have shared the new emphasis of **God's Plan...My Part** with others in our churches. All of our Leaders received requests to assist other church leaders with ideas, speakers, material, etc. We also started our WMU Associational Newsletter that is being printed and mailed quarterly. Lucy Daniels volunteered to do this for us. In February 2003, Virginia Rodgers said she would be willing to serve as our Acteen Director.

The Annual WOM Beach Retreat in February carried our same WMU Emphasis. Our missionaries were Marjorie Jones, who was on furlough from South Africa, and Ginger Smith, Administrator of the Baptist Mission Centers in Houston, Texas. We were also blessed by having Marjorie introduce Agnes Nakeng who is a "Den Mother" for the Door of Hope Ministry in South Africa. We were honored to have Pastor Parks from the Korean Church in attendance as well. Each year we are truly ministered to by those on the program. This year it included the *Hearts of Praise* who did a mini-concert, and special music by Vonna Willcockson, *The Young Cove City Singers* and our Music Director, Deborah Lockey. Deborah has agreed to join our Associational Leadership Team to direct and assist us with music as needed for our planned events. God has gone before us this year again to make the Retreat a real success for this Association.

Respectfully submitted,
Ms. Norma Clark, Director

CONSTITUTION
of the
ATLANTIC BAPTIST ASSOCIATION
PREAMBLE

Associations being a proven way of helping churches carry out the Great Commission, we the missionary Baptist churches of Beaufort, Carteret, Craven, Jones, and Pamlico counties voluntarily agree to cooperate according to the objectives, doctrines, and structures set forth in this constitution. No compromise of local church autonomy is implied or follows from membership in this Association or from relationships the Association maintains with the Baptist State Convention of North Carolina, Southern Baptist Convention, or any other person or group determined by the Association - meeting in Executive Committee or Annual Session - to advance the cause of Christ.

ARTICLE I - NAME

Our name shall be the "Atlantic Baptist Association of North Carolina, Incorporated."

ARTICLE II - MISSION

Under the leadership of the Holy Spirit, the mission of this Association and its officers shall be to train, counsel, encourage, and otherwise assist member churches fulfill their scriptural mandate to worship God, love their neighbor, evangelize the lost, and disciple believers in the name of the Lord Jesus Christ (cf., Mark 12:29-31; Matthew 28:19-20).

Inasmuch as cooperation among churches is usually more productive than acting alone, the mission of this Association shall also include initiating such mission advance or outreach activities as shall be judged appropriate by the Association.

ARTICLE III - STATEMENT OF FAITH

Christ and Scripture - the living and written Word of God respectively - shall be the source of our beliefs and basis of our fellowship. *The Baptist Faith and Message* adopted by the Southern Baptist Convention in 1963 expresses the doctrinal positions of the Association.

ARTICLE IV - MEMBERSHIP

Under the Lordship of Jesus Christ, Baptist churches are completely free and sovereign to conduct their business as they see fit. The same goes for Baptist Associations. Membership in this Association, therefore, does not confer to the

Association any authority over member churches, nor may churches exercise authority over the Association.

Affiliation between churches and the Association, being free and voluntary, is predicated only on acceptance of the mission and doctrinal positions set forth in this constitution and on active, cooperative participation.

SECTION 1. GRANTING MEMBERSHIP

A. Churches desiring membership in this Association shall - upon official church action - apply directly to the Association meeting in annual or executive session. Such applications shall be presented in writing.

The Association shall, in turn, receive as information and forward such applications to the Membership Committee for study and recommendation.

B. Upon receiving referrals of membership applications from the Association, the Membership Committee shall - over a one year period - take appropriate steps to determine whether applicants evidence suitable compatibility with the Association in spirit and doctrine.

C. Following this one year review, the Membership Committee shall report a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant watchcare status.

D. The Association shall then decide whether to grant watchcare status - a status that carries with it the same rights and privileges as full members with the exceptions of voting and holding office.

A two-thirds vote of ballots cast shall be required to grant watchcare status.

E. After observing churches received under watchcare for one year, the Membership Committee shall bring a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant full membership based upon cooperation, participation, spirit, and doctrine.

A vote to grant full membership shall also require a two-thirds favorable vote of ballots cast.

SECTION 2. WITHDRAWING MEMBERSHIP

A. Membership may be withdrawn when churches no longer cooperate or participate in the life of the Association. Membership may also be withdrawn when churches deviate doctrinally from positions set forth in *The Baptist Faith and Message*.

B. The procedure whereby membership may be withdrawn is as follows:

1. Authorization to take steps toward withdrawing membership may be given only by the Association meeting in annual or executive session. The Membership Committee may, however, request such authorization.

2. Such authorization to review membership status is indicated when churches evidence non-cooperation, non-participation, or doctrinal deviation.

3. Once authorized, the Membership Committee shall conduct a thorough examination before returning a recommendation to the Association.

During this period, the Membership Committee shall take appropriate steps to bring those congregations being examined back into fellowship.

4. Should these restorative efforts fail, the Membership Committee may recommend watchcare status (not withdrawal of membership) to the Association.

Watchcare status - with its attendant loss of all voting and office holding privileges - shall go into effect upon a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

5. Such watchcare status shall last one year, after which the Membership Committee shall recommend restoring full membership or withdrawing membership altogether.

As with the vote on watchcare status, a vote to restore or withdraw membership shall require a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

SECTION 3. TRANSFERRING MEMBERSHIP: Any church requesting transfer to another Association may be granted a letter of dismissal by presenting a written request to the Association.

SECTION 4. MESSENGERS TO THE EXECUTIVE COMMITTEE AND ANNUAL MEETINGS: All congregations holding full membership in the Association may send up to ten (10) messengers to Executive Committee and Annual meetings.

ARTICLE V - PARLIAMENTARY PROCEDURE

ARTICLE VI - AMENDMENTS

Proposed amendments to this constitution may be put to a vote at any Annual Meeting provided the following conditions are met:

A. Proposed amendments shall first be submitted in writing to the Association at the October meeting of the Executive Committee.

B. The Executive Committee shall, in turn and by majority vote, refer proposed amendments to the Constitution and By Laws Committee for study and recommendation.

C. Written copies of proposed amendments shall be given to the Executive Committee at their January meeting by the Constitution and By Laws Committee along with the committee's recommendation.

ATLANTIC BAPTIST ASSOCIATION
One Hundred Twenty-First Annual Session

April 22, 2004
Crossroads Baptist Church, New Bern

1. The One Hundred Twenty-First Annual Session opened with congregational hymn "Come, All Christians, Be Committed," led by Rev. John Thompson. This was followed by a welcome and invocation by Rev. Buford Lewis. A time of Praise and Worship came through special music presented by members of Crossroads Baptist Church. Mr. Raymond Earp shared a report on last summer's mission trip to Armenia and this summer as well. Rev. Mike Huffman invited others to share reports concerning the mission trips to South Africa this past year. Micah Fields, a youth from Parkview Baptist Church, gave his testimony of the trip to South Africa. Mrs. Edith Robbins reported on the Fair Ministry planned for October that will necessitate the support of all the churches of the Association. Rev. David Phelps thanked each of the speakers and their ministries as missionaries. He also thanked all those who have worked together to help churches in their recovery from Hurricane Isabel. Mr. Jim Koebele gave a brief report on the recovery efforts.

2. The Business Session began with a congregational hymn led by Rev. John Thompson.

3. Rev. Rob Helton, Moderator, called the meeting to order.

4. Rev. Mike Williams, Pastor of Colony Baptist Church, New Bern, led the invocation.

5. Rev. Rob Helton, Moderator, thanked Crossroads Baptist Church for hosting the meeting and providing the wonderful worship through music presented by members of the church. He reminded the congregation to fill out the registration sheets in the Book of Reports and hand them in at the conclusion of the meeting. He also referred to the first page of the Book of Reports that had been dedicated in memory of Mrs. Betty Murphy. Mrs. Murphy faithfully served as Administrative Assistant for the Association from November, 1997 until May, 2001. Mrs. Murphy passed away January 13 2004.

6. Rev. Rob Helton, Moderator, introduced and welcomed two new members to the Association. Mr. Scott Fitzgerald has been called to serve as Pastor at Bayboro Baptist Church. Mrs. Sharon Bender will be on staff at Tabernacle Baptist Church serving as Director of Children's Ministry and Christian Education.

7. Rev. Jack Bowen gave the Treasurer's report. He noted that the numbers, to him, were "mind boggling" as to how the Association got the money to support the things done. How did we do it? God allowed us to unite as churches to support these efforts. He thanked all the churches on behalf of the Association for their faithfulness in giving and commended the members of the Association for their stewardship. Rev. Bowen then quoted a mentor of his saying; "If

Jesus has your heart He will have no trouble with your pocketbook." He moved for the adoption of this report as printed. The report was seconded and motion carried unanimously.

8. Mr. Glenn King, Chairman of the Finance Committee, gave his report. Copies of the proposed budget for this year were given at the last meeting and copy of this budget is included in the Book of Reports. He moved that this budget be accepted as printed. Motion carried unanimously. Mr. King referred to the report sheet in the packet used to balance the previous year's budget showing decreases and increases. He made a motion that this report be accepted as printed. Motion carried unanimously.

9. Mr. David Dayvault presented a report from the Nominating Committee. He thanked members of the committee who worked so diligently to fill all positions, adding that much work was involved in this procedure. He also thanked all whose hearts yielded to serve. He moved that the report be accepted as printed. The motion carried unanimously.

10. Rev. Rob Helton, Moderator, made a motion that the 121st Annual Book of Reports be accepted as printed. It was seconded and the motion carried unanimously.

11. The Missions Development Council report was presented by Mr. Raymond Earp. As each member of the committee was asked to stand, Mr. Earp thanked them for their commitment to the task involved with this work. He stated that this committee met four or five times this year. We are a healthy Association because of missions – we have our heart and mind on missions. Keeping missions in the forefront of an association will remain if it stays involved. He stated the Council tries to find projects to keep our churches involved with missions. There is now work in progress with Hispanics, Seaman's Center, International Missions, Baptist Men, WMU, and the Fair Ministry and it's all coming together. He asked the congregation to please share any suggestions that would add to our involvement in missions.

12. Mrs. JoAnn Tadlock, Chairperson of the Personnel Committee, reported that this committee has been very busy. Last year they were informed of the search for an individual to serve as Congregational Missionary. As of March 31 due to the resignation of Caroline Burch as Administrative Assistant, the Committee has been assisting Rev. Phelps in the search for a new assistant. There have been a number of interviews resulting in three very good candidates for this position to be finalized on April 29. Dr. Jack Hinton has been asked to accept the position of Congregational Missionary. In the Book of Reports a job description and resume of Dr. Hinton has been made available. The monies for funding this position comes from restructuring the funding from Dr. Myrle Swicegood's position. Dr. Hinton will be working with all churches. So many of our churches cannot afford to hire help for their needs. Filling this position will now serve to provide more resources for these churches. Mrs. JoaAnn Tadlock made a motion to accept Dr. Jack Hinton as the Congregational Missionary for the Atlantic Baptist Association.

Rev. Rob Helton, Moderator, asked that before we vote that we have Dr. Hinton share a few words with us. Dr. Jack Hinton shared his feelings and hopes for this ministry with the Association. He stated that he looks forward to serving all of our pastors in accomplishing many things with their churches. The floor was opened for discussion and/or questions. Several members complimented the many ministries of Dr. Hinton as they shared their appreciation and encouragement for his new ministry with the Association. The motion had been made to accept Dr. Hinton as Congregational Missionary. The vote was taken and the motion carried unanimously.

13. Rev. David Phelps, Director of Missions, stated that this has been a good night for the Atlantic Baptist Association. We are healthy; we are people of high standards and high expectations; we can take on God sized tasks. We can be proud of having the highest budget in the history of the association - a 6% increase. The giving this past year has almost matched the budget for the new year. Recently our Church Development Council disbursed $17,000 for missions. We have doubled our gifts to the Pregnancy Center, supporting Armenian mission work and missions in Honduras. We need to continue to be a channel of blessing and be wise stewards of our money.

The reason we exist is to let Christ be known. There are 12,000 associations across the U.S. And, there are 12,000 un-reached people groups to be reached. In a recent visit to the International Mission Board, I learned of a new direction- new emphasis. The IMB wants to begin interfacing with all associations across the Southern Baptist Convention. They want to have associations adopt a people group where there is no missionary; no one working with them. This is where our association could begin a work. It could mean taking groups to India, Calcutta, or Taiwan. This is part of the Empowering Kingdom growth. Ken Hemphill spoke of this at our Spiritual Growth conference. It is not building our kingdom but God's Kingdom. It is my hope and prayer that this Association will be working in that direction.

Rev. Phelps used a quote from a writer that said, "When you are building a team you need to know who you are riding the bus with." It is not important where the bus is going but if the bus changes directions you can still work with these people. When looking for a person to be a Congregational Missionary the intent was for him to be a catalyst for outreach, evangelism, and Sunday School in churches. In his search he contacted The Sunday School Board, Directors of Mission in state and out of state seeking the best one to serve. The person would be a Minister of Education working with officers, deacons, and teachers within the churches. Little did we realize that we had such an individual right here "under our nose." Rev. Phelps stated that he wants to help you do a better job and do whatever he could for each of you and that is what Jack Hinton will be doing also. He will be going back and forth throughout the association. If he can spend three or more weeks in your church with you then you can get to know him better and he will be able to introduce you to more and better resources. A call to ministry is a call to relationship.

Rev. Phelps stated that the purpose of the Atlantic Baptist Association is to do what we cannot do alone in missions, what we can do to support, equip and enable the churches. He added that he exists to help you do a better job and Dr. Hinton will be doing the same. He thanked the association for extending a call to Dr. Jack Hinton.

Rev. David Phelps shared scripture from 1 Peter 3:15. He reminded us to always be prepared to give a reason for the hope we have. We should always be ready to share Jesus Christ. Are we ready to share with others? Some churches did not have baptisms in the last year. In our Sunday Schools we need to upgrade evangelism. Let each of us set a goal to reach at least one soul in the next few weeks. Always be ready to share the reason for your hope to others.

Rev. Phelps thanked each committee and committee chairperson for their wonderful work this year. He recognized and thanked Caroline Burch for doing a wonderful job as his assistant for two and a half years. He noted that he and the Personnel Committee will be finalizing the search for a new Administrative Assistant next week. He also extended thanks to Gail Edge for helping at the association until a new assistant is found and to Beth Hassell for her wonderful and faithful service as Financial Secretary. He then thanked Moderator Rob Helton for the excellent way he has helped this Association in the past two years as Moderator. He closed by expressing his love for the people of the association and coveted their prayers for his ministry with them.

14. Rev. Rob Helton introduced Dr. Don Hadley to share an item of old business concerning a motion made and approved at the last meeting concerning gay rights and marriage. Dr. Hadley read from the 1995 revised Constitution and By-Laws as follows: "Resolutions having little power to accomplish good and considerable power to cause mischief shall have no place in the proceedings of this Association." Thus, in 1995 the association decided not to do resolutions but to give emphasis to what we have been giving to. He shared other means by which this concern about marriage could be handled. There are petitions available at the association office or in your churches.

15. Rev. Rob Helton, Moderator, announced that the next meeting for the association would be on July 26, 2004 at Tabernacle Baptist Church, New Bern. He then asked Tom Taylor to come forward and receive the gavel as the next Moderator.

16. Mr. Tom Taylor closed the meeting with prayer.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
Report to the Association
2004

Baptists make a difference . . . This summer Baptist Children's Homes had a very special guest on the Mills Home campus in Thomasville. Many Baptists will remember Patricia Sutherland. She has shared her story at multiple state conventions, and her life has been shared in Charity & Children on a couple of occasions. Patricia is a beautiful young woman and a rising senior at Toccoa Falls College in northern Georgia. Looking at Patricia today, you would not recognize her as the same little girl who came to Baptist Children's Homes 11 years ago.

As a young child she lived with abusive, alcoholic and drug-addicted parents who forced her to lie about their abuse. The little girl was threatened with a pistol held to her head and made to sleep on cold, hardwood floors. Her abuse and neglect were compounded by a severe medical condition. Because her parents were unable to properly care for Patricia, she went months at a time without daily medication she so desperately needed.

Then one day, Patricia found the security she had longed for at our Broyhill Home in Clyde. But even at Broyhill Home her life wasn't easy. Patricia has Turner's syndrome, a condition affecting her balance and coordination and stunting her growth. Because she was awkward and clumsy, other children made fun of her at school. But her physical problems only seemed to make her stronger.

While at Mills Home this summer, Patricia was asked to share her story with the girls on campus. She boldly assured them that God has a plan for their life. But then she challenged the girls by telling them it is their choice. They can put their past behind them and trust God and follow His lead, or they can wander through life lost.

Because of your help, children like Patricia are rescued from the jaws of hopelessness and despair, set on solid ground, supported by loving Christian men and women, and are given hope so they can realize their dreams – dreams that at one time in their lives, they could never imagine were possible.

Baptists Respond to Needs Donating Towels, Bedding and Food. If you ask North Carolina Baptists for help, expect them to provide in a big way. When the word went out to North Carolina's WMU that Baptist Children's Homes needed towels and washcloths, hundreds of women in churches across the state provided them. Towels and washcloths flooded in to all BCH locations. When Baptists learned that pillows and sheets were needed in BCH cottages, an avalanche of bedding poured in. And BCH's first statewide food roundup is bringing great enthusiasm and response.

14,640 Baptists Pray for North Carolina Children. More than one hundred BCH children and staff presented the Chain of Prayer at the 172nd Baptist State Convention in Winston-Salem. The chain consisted of 14,640 strips of brightly colored paper inscribed with the written prayers of North Carolina Baptist men, women and children. Each prayer made up an individual link in the Chain of Prayer. The effort was a BCH initiative and was promoted in North Carolina Baptist churches. The Chain of Prayer united thousands

of people and represented their belief in the power of God to meet the needs voiced in the prayers.

BCH Hosts National Child Care Executive Meeting. BCH President Michael C. Blackwell and Baptist Children's Homes of North Carolina hosted the fifty-fifth annual meeting of the Baptist Child Care Executives April 22-24, 2003 in Greensboro. Directors and other top management of Baptist child care agencies representing as many as 19 states attended the annual meeting. The conference serves as a time of fellowship and continuing education for participants. A highlight took place Wednesday evening with "pig pickin' in Mayberry" at Mills Home in Thomasville. Children and staff re-created the sights and sounds of the popular sixties television program The Andy Griffith Show.

Historic Ice Storm Wreaks Havoc. Mills Home in Thomasville, BCH's oldest facility and flagship campus, suffered major damage due to one of the worst ice storms to ever hit the Piedmont. The cost due to the loss, cleanup and repairs reached tens of thousands of dollars. No injury or harm came to the children and staff. Duke Power called the ice storm the worst in its 100-year history. Parts of the campus remained without electricity for as long as five days. Baptists from across the state sent funds and relief groups to aid in the clean-up efforts reducing the storm's economic effects.

North Carolina Baptist Church Donates Property and $100,000 to Help Build a New Group Home for Developmentally Disabled Adults. Asheville's Calvary Baptist Church dedicated property they donated to Baptist Children's Homes and presented $100,000 to help construct the Alverta Bolick Home for developmentally disabled adults on June 8, 2003. The financial gift was made possible through the generosity of the late Alverta Bolick. The group home will be built adjacent to the church and provide a home for six residents.

Baptist Children's Homes Faces Serious Financial Challenges. This year, Baptist Children's Homes took necessary actions to offset further economic hardships. With an overwhelming decline in income and a projected budget deficit of $4 million for fiscal 2003-2004, BCH cut the 2003-2004 Budget (effective October 1, 2003). The cuts resulted in the closing of one or more cottages in four of BCH's Family Service Areas, the closing of Baptist Maternity Home in Asheville, the elimination of the agency's Intensive Family Preservation Services, and a reduction of 68 and one half budgeted positions. (Due to positions currently vacant and the reassignment of some staff, the actual net loss of people was 31.)

BCH . . . Focused on the Future. Despite the trying times, Baptist Children's Homes continues to be committed to providing only the highest quality of service. Children who come through BCH's doors continue to receive an abundance of love, care and healing. A dedicated staff serves and gives themselves sacrificially. The lives of children and families are worth every effort. Although facing critical financial times, BCH holds true to its missions of "helping hurting children . . . healing broken families."

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Missions giving, church and individual gifts, memorials, honors and estate gifts enables BCH to provide care for more than 2,000 children through our locations across the state. Thank you, North Carolina Baptists, for your continued prayers and support. We could not do what we do without you.

BAPTIST RETIRMENT HOMES
Report to the Association
2004

Baptist Retirement Homes continues to move forward with strength in meeting the needs of North Carolina's fastest growing age group . . . its senior population. Of particular interest to North Carolina Baptists, are the growing numbers of older adults who deal with dementia-related conditions such as Alzheimer's Disease. In North Carolina, approximately 50 percent of those who reach age 85 struggle with some measure of dementia. The Kulynych Memory Enhanced Residence at the Brookridge Retirement Community in Winston-Salem, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville, and the Memory Enhanced Residence at the Gardens of Taylor Glen Retirement Community provide environments designed to "enhance" and "retain" the short and long-term memory of those struggling with such disorders. The Hamilton Baptist Home and The Taylor House will provide exceptional programs for older adults with dementia.

Because of the generous financial support received from North Carolina Baptists for the Convention's "poor elderly" population, Baptist Retirement Homes has been able to provide more than $1.7 million in benevolent care in 2002. Thank You, North Carolina Baptists!

BAPTIST STATE CONVENTION OF NORTH CAROLINA
ANNUAL MISSIONS REPORT
2004

The Baptist State Convention of North Carolina provides on-going leadership development and direct mission ministries through its General Board programs of work, primarily conducted by staff located at the Baptist Building in Cary.
The majority of the General Board-supported ministries are in the Mission Growth Evangelism and Congregational Services groups. In addition, many of the direct mission projects (partnership missions, etc.) are administered through the two convention

auxiliaries---Baptist Men and Woman's Missionary Union. Many of these mission and ministries are conducted cooperatively with the various associations across the state. Partnership mission projects (with the approximate number of volunteers) for 2003 include Honduras (700 volunteers), Alaska (1,000 volunteers) and Southeast Asia (75 volunteers). To date, almost 1,300 volunteers have served with the Baptist Men's Medical/Dental Bus in 42 associations across the state. In addition, 1,400 people were trained for disaster relief ministries.

The annual Baptist Men's Convention registered approximately 2,000 participants with 880 boys attending the Royal Ambassador Congress. The Co-Ed Student Missions conference registered 45 participants with 500 people scheduled to attend the Camporee Project.

The estimated number of participants in Deep Impact and World Changers include Deep Impact Honduras (130), Deep Impact Spring Weekend at Caswell (300), Deep Impact Charlotte set for November (300) and Mission Connect (1,050).

Woman's Missionary Union of North Carolina provided training for over 2,000 people at the two-weekend Missions Extravaganza meetings at Ridgecrest this year. During two weekend meetings, $13,454 was received to help with the Project HELP: Restorative Justice Program.

WMU-sponsored events in 2003, and number of participants, include Baptist Nursing Fellowship (190), Girls in Action Days (645), Children in Action Days (175), Camp Mundo Vista summer program (1,069), GA Mother/Daughter Camp (354) and Young Women on Mission Retreat (225)...

Other WMU-related ministries for the year included training 566 ladies in associational leadership meeting, providing a woman's prison retreat at Camp Mundo Vista for 60 inmates, send 2,300 Red Christmas Boxes, 134 gifts to missionaries and conducting a ministers' wives retreat.

Christian Women's Job Corp (CWJC), a national WMU program designed to help women who need to enter the job market, includes 16 sites across the state, involving more than 95 volunteers. Since 1999, CWJC has served approximately 100 participants per year.

Student mission projects for 2003, and number of participants, include Youth Corp (21), BSU-funded (24), Wilmington Area Resort Ministries (4), Resort Area Ministry, Boone (2), Raleigh Area Ministry (2), Caraway (23), Mundo Vista (43), Praise and Worship Team (15) and Language Ministry with migrants (1).

International Student Ministry projects involve a fall conference at Ridgecrest (90 students) and a spring conference at Caswell (300 students). The BSC annual convention at Ridgecrest registered almost 400 students with 220 students attending the spring student leadership conference at Caraway.

Baptist State Convention congregational leadership projects are held across the state throughout the year, including the ETC (Equipping Today's Church) meetings at Ridgecrest and Caswell), Children's Bible Drills and Youth Speakers' Tournaments, youth weeks at Caswell, and program-related training events on a statewide, regional and associational levels.

In addition, the Baptist State Convention includes three social service agencies (Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital) and five college and universities (Chowan, Campbell, Wingate, Gardner-Webb and Mars Hill). The convention also supports two agencies--the Biblical Recorder and Baptist Foundation.

BUILDING AND GROUNDS COMMITTEE

Report to the Association
2004

During the past year this committee has made repairs to the ridge vent (put it back on) on the west end of the building, inspected, and nailed the remaining ridge vent back in place, power washed the front walk-way coming out of the Association building, plus the brick wall and sign on the roadway. We also contracted to have the lettering replaced on the Association sign as the lettering was broken and letters were missing. The furnace on the west end of the Association building was replaced with a new energy efficient furnace and a new lease agreement was signed for a new copy machine.

I would like to thank the committee for all the help and support this past year.

Respectively submitted,
Mr. Douglas E. Robbins, Chairman

CHRISTIAN LIFE

Report to the Association
2004

During this past year, I gathered information from the AFA Center for Law and Policy and led a conference on the First Amendment rights of Christians concerning abortion, student led prayer and Bible studies in school. I hope this year to gather information from many sources dealing with politics and how Christians are affected socially, ethically and spiritually. It has been an honor to serve our Lord and the Association in this capacity.

In His Service,

CHURCH MEDIA LIBRARY ORGANIZATION

Report to the Association
2004

Hello everyone. Here it is 2004. Wow! The years are going by as fast as the days. This has been a great year. Many churches in our association have started or improved their libraries. Some of the churches have told me that they have added computers and purchased software to help them.

It seems that many are still having trouble raising the funds needed to either improve or start a library. It is not that hard to raise the funds. Some times you just have to ask. If you don't feel comfortable asking, just call me and I will come to your church and ask. Some times a short presentation stirs up the congregation and they give. God has truly blessed us all.

I know that some of our Sister churches have been damaged by Isabel. My prayers go out to you. God will bless.

Get ready for Camp Caswell. I encourage all library staff to attend. I learn something new each year. There are also many smaller meetings around the area at different times. They will post them on the web page for the State. You can never learn too much.

If your church needs a computer and don't mind a slightly used one, then I can help you get one.

Let's get ready for a better year by praying, sharing and giving.

God Bless
Sincerely,
Kevin Beck, Director

CONSTITUTION COMMITTEE

DIRECTOR OF MISSIONS

Report to the Association
2004

This has been a productive year for the Association. We began a new ministry with the Craven County Regional Fair. The 70 to 80 fair workers have great needs in both spiritual and physical dynamics. For the workers we provided the Medical/Dental Bus, gave out dozens of Bibles, and ministered to them on a one-on-one basis. Neuse River Baptist Church provided a hot meal, health kits, and a clothing closet. We also had an evangelism booth, giving out hundreds of tracts and numerous Bibles to fair attendees. This was the first year for our Fair Ministry. The owner of the fair was so pleased that he will allow us to do everything we hope to do in the coming year. We already have a leadership team working on next year's Fair Ministry. It is my hope that most of our churches will be involved in this evangelistic ministry this coming fall.

The Association sponsored an overseas team to both Armenia and South Africa this last year. We have already planned a construction/evangelism team to go to Honduras in the fall of next year as well as a return trip to Armenia this summer. This is our second year in sponsoring an Armenian Church planter; it costs $150 per month to provide a full time salary for a minister in Armenia. A third international mission trip is planned for this

May. We are sending a team to Greece to assist in preparations for Southern Baptists' Olympics ministries this summer. This is coordinated through the International Mission Board of the SBC.

Much of the focus and energy of the Association has been toward the Disaster Recovery efforts following Hurricane Isabelle. Eastern Carteret and Pamlico Counties were flooded, causing catastrophic damage to people's lives. Sea Level and Davis churches were greatly damaged by floodwaters and are still striving to reoccupy their facilities. Because most of their members were also flooded, these churches will continue to need much prayer and financial support in the next couple of years. Assistance to people in the flooded areas will continue well into the future. Paul writes to the Galatians: "Let us no become weary in doing good, for at the proper time we will reap a harvest if we do not give up" (Gal. 6: 9). I am extremely proud of the compassion and generosity shown by the churches of this Association toward those in need.

During this year the Personnel Committee proposed the calling of a part-time Associate Director of Missions who will have the title "Congregational Missionary." This person is to specialize in the educational and outreach systems of a church, working with a congregation over a multiple week period, training leaders in Sunday School, Discipleship Training, and Outreach so as to enhance a specific church's health. We are finalizing on a candidate as I write this article. The goal of the Association is to enable its member churches to fulfill the Great Commission more effectively.

DISCIPLESHIP TRAINING REPORT

Report to the Association
2004

This year I didn't realize that I would be taking a dramatic shift in the area of discipleship. The goals that I set for last year didn't materialize because my focus concentrated on intercessory prayer. This has not changed, and will continue to develop further. Last year there were designated times for concentrated prayer during each quarterly meeting. The sessions were each powerful, and the burden continues to grow for a more organized structure.

Last year in my report, I mentioned about the technology being used for discipleship training. Cape Carteret Baptist Church hosted a gathering for pastors to view a live satellite feed with H. B. London from Focus on the Family. The church has contracted for the year many of these conferences dealing with various subjects. Please feel free to contact Kevin Clubb (252-393-2417) if you are interested in attending some of these events, or getting a system in your church.

EVANGELISM COMMITTEE
Report to the Association
2004

This year's Spiritual Growth Conference introduced Dr. Ken and Paula Hemphill from Lifeway Resource Ministries and the International Mission Board, respectively. Our teaching both nights involved insights from The Lord's Prayer and various other perspectives from the Empowering Kingdom Growth (EKG) initiatives and strategy. Dr. Hemphill, National Strategist for EKG, encouraged our Association to join God in His wake-up call to our churches for God's glory. The EKG initiative calls for a radical shift in the way Baptists view their lives and their churches.

We were blessed to have Paula Hemphill join us as Consultant for the International Mission Board. She spoke to 40 ladies from our Association and to Pastor's wives each evening during and after dinner. Paula is a gifted and genuine speaker on behalf of foreign missions and other issues facing women and Pastor's wives.

Music this year was provided by Covenant from New Bern, NC. Our thanks to the Associational Choir led by John Thompson.

Our goal and desire is to bless the Associational Churches in this coming year with relevant, biblically-based teaching and music, such that, "our soul magnifies the Lord, and our spirit rejoices in God our Savior." (Luke 1:46-47)

Because He is able,
Rev. Michael R. Fields, Chairman

EXECUTIVE COMMITTEE MEETING
July 28, 2003
River Bend Baptist Church
New Bern

1. Rev. John Thompson led the congregation in singing "Onward Christian Soldiers."

2. Mr. Tom Taylor, Vice-Moderator, called the meeting to order.

3. Rev. Charles Royal, FBC of Morehead City, opened the meeting in prayer.

4. Mr. Tom Taylor, Vice-Moderator, thanked River Bend Baptist Church for hosting the meeting. He also thanked the Conference Leaders. He then received a motion to accept the minutes of the February 24, 2003 meeting as printed. The motion carried unanimously.

5. Rev. Jack Bowen, Treasurer, referred everyone to pages 6 – 9 of the package of handouts with the final figures for last year and to pages 10 – 13. He opened the floor for questions and there were none. He moved for adoption of the financial report as printed. There was no discussion and the report was approved unanimously.

6. Mrs. JoAnn Tadlock, representative from the Personnel Committee, reminded everyone of the handout from the April meeting regarding the job description of the proposed position of Congregational Missionary for the Association. It would be a part-time position, 20 hours a week and could be a bi-vocational position with a church in the Association. The individual would visit various churches within the Association, at their request, and offer help with Sunday School, Discipleship Training, etc. The person would need to be familiar with the workings of the Southern Baptist Convention and be informed about literature and other resources available. Funding would come partially from current budget line items no longer being used, broken down as follows:

Family Life Ministry Grant	8,500.00	
Family Life Ministry Reimbursement	3,000.00	
Church Conflict Mediator Reimbursement	500.00	
Partial Office Assistance	2,750.00 =	14,750.00
Remainder from Budget Increase		+ 7,250.00
		22,000.00

The floor was opened for discussion. David Dayvault asked a question about the 3rd paragraph of the handout, "This person will visit member congregations at least three times each month." Jo Ann responded that the individual be available to visit any church in the Association at the church's request and would stay as long as necessary. Steve Simpson asked if the Committee has anyone in mind for the position yet. JoAnn responded that several people in the area have inquired about the position but the Committee doesn't have a particular candidate to bring forward. They will search very prayerfully for the right

person. A motion was made to accept the proposal as presented by the Personnel Committee. It was approved unanimously.

8. Mr. Tom Taylor, Vice-Moderator, asked for any miscellaneous business to be brought at this time. No miscellaneous business was brought forward. He encouraged everyone to pass their evaluation forms in so they could be picked up at the close of the meeting. He explained that these forms help in the planning of future conferences.

9. Mr. Buddy Williams presented a report from Fort Barnwell Baptist Church regarding the progress of the Hispanic Mission. One problem they face is that the people work 6 days a week so Sunday is the only day for them to spend time with their family. But lately many of the parents have been bringing their children themselves instead of just sending them on the bus. Some of these parents have expressed an interest in joining a Bible Study when a Spanish speaking pastor is found. Buddy expressed thanks to all the churches who continue to pray for and encourage Fort Barnwell in this ministry. He expressed a special thanks to the VBS children of Pollocksville Baptist for the gift of their offering and the WMU of Tabernacle Baptist Church for the gift of Hispanic Bibles. These Bibles are being used as part of a door-to-door survey. He also thanked Dr. Joe Robinson of FBC of Havelock and Doug and Edith Robbins of Cherry Point Baptist for bringing the Medical/Dental bus to provide free dental care. He extended an offer to other churches to help in anyway they feel led. He also requested prayer that the Lord would send a Pastor soon.

10. David W. Phelps, Director of Missions, began his report by explaining that Rob Helton, Moderator, was not able to attend the meeting due to the surgery of a family member occurring across the state. He thanked Tom Taylor, Vice-Moderator, for stepping in. Next he discussed the problems surrounding finding a Pastor for the Hispanic Mission at Ft. Barnwell. He explained that the issue of finding quality leadership for a mission is a concern faced throughout the state. He commended Ft. Barnwell for not getting weary in doing well. In the past 2 ½ years, they have worked and embraced the Hispanic community. For example, they helped minister to the family of a man who died in a trailer fire. The provided the $5,000 needed to return the body of the deceased man to his home country. This produced a lot of credibility for Ft. Barnwell throughout the Hispanic community. He announced the State Missions Banquet on August 25 to be hosted by Spring Garden Baptist Church. The guest speaker will be Larry Jones, Military Ministry & Chaplaincy Consultant for the BSCNC. Next, David Phelps introduced Rev. Charles Royal, the new Pastor of First Baptist Church of Morehead City. He requested prayer for the churches in our Association without a pastor. He expressed gratitude to the staff of the Association. Next, he expressed additional thoughts on the position of the Congregational Missionary. David made everyone aware of the passing of Margaret Williams, wife of Doug Williams, Pastor of Marshallberg Baptist Church. He asked that everyone be in prayer for Doug and his family and also for the members of Marshallberg as they go through this time of loss.

11. Rev. Steve Simpson, River Bend Baptist, closed the service in prayer.

EXECUTIVE COMMITTEE MEETING
October 27, 2003
First Baptist Church
Havelock

1. Rev. Buford Lewis led the congregation in the hymn "He Keeps me Singing."

2. Rev. Rob Helton, Moderator, called the meeting to order. He thanked First Baptist Church of Havelock for hosting the meeting.

3. Rev. David Bruce, Pastor of Calvary Baptist Church, opened the meeting in prayer.

4. Rev. Rob Helton, Moderator, referred everyone to the packet of handouts. He then received a motion to accept the Minutes of the July 28, 2003 meeting as printed. The motion carried unanimously.

5. Rev. Jack Bowen, Treasurer, began by sharing that the Atlantic Baptist Association has no life of its own apart from the member churches. The Association lives and breathes the Spiritual energy of what each church brings. He then referred everyone to the financial report pages of the package of handouts. The first page shows the amount the churches have given to date. The next two pages show how that money has been spent. At the bottom of page 7 the balance is given for the total income minus the total expenses with an amount of $50,938. Of this total, $21,000 has been designated for Disaster Recovery. He opened the floor for questions and there were none. He moved for adoption of the financial report as printed. There was no discussion and the report was approved unanimously.

6. Rev. Rob Helton, Moderator, asked for any miscellaneous business to be brought at this time. No miscellaneous business was brought forward. He encouraged everyone to pass their evaluation forms in so they could be picked up at the close of the meeting. He explained that these forms help in the planning of future conferences.

7. Mr. Chuck Headden announced an Association-wide Mission Trip to Honduras for September 23 to October 1, 2004. There is room for a 12 member team. Part of the team will assemble a portable chapel, deliver it to a village and finish construction on-site. The rest of the team will be leading a VBS. He also announced that preliminary plans are being discussed with the NC State Convention for a Medical Mission Trip. More details are to come. He also extended an offer to share advice with any church in the Association looking to coordinate a mission trip.

8. Mr. Raymond Earp, Chairman of the Missions Development Council, shared a report about the Mission Trip to Armenia that took place in August 2003. During this trip a new church was planted. He also shared that our Association is

sponsoring a Pastor in Armenia for 2 years with support of $150/month. The mission team was also able to have VBS for over 100 children thanks to the generosity of churches in the Association who donated supplies. This was the first VBS for most of these children. They also received a New Testament at the beginning of the week. Many adults received a pair of reading glasses, probably the first ever owned. Now they can read the Bible. Dr. Gary Copeland and his wife, Joann, were members of the team who also purchased many of these pairs of glasses in Armenia. He shared that there is a place for everyone on a mission trip. It's always amazing to see how everyone can contribute. He also announced another trip to Armenia in Summer 2004.

9. Edith Robbins shared about the fulfillment of a dream that began 2 years ago to minister to the Fair Workers during the eleven days they are in our area. The Association was able to have the Medical/Dental bus here for 3 nights. We were able to get a dentist for 2 of those nights and 15 patients were seen. Neuse River Baptist Church provided a spaghetti dinner on Wednesday night with 30 of the 60 workers attending. This was a wonderful response. They also provided a clothing closet that was completely cleaned out. She requested individuals start saving jeans, t-shirts and sneakers for next year. She shared that 7 churches helped man a Missions Booth in the Exhibit Hall. One family visited Cherry Point Baptist Church in response to the booth. She encouraged churches to provide literature about their church next year. All kinds of great things can come from this ministry. These are a forgotten people that nobody loves. One of the Fair Workers spoke to Edith and David Phelps and said, "We thank you because nobody takes care of us except for us."

10. Mr. L.D. Springle, Coordinator for Disaster Recovery in Carteret County, shared regarding the disaster recovery efforts following Hurricane Isabel. He said that over 600 homes were flooded. More than 150 homes have been mudded out and sheet rock replaced. Two great needs for the effort are man power and financial support. Both would be greatly appreciated. At this point, 483 individuals from out of the area have come in to volunteer their time. He gave an example of the difficulty of the situation by describing a 90-year-old man who has lost everything and is sleeping on a wet mattress. A state of the art feeding unit from Whiteville is being used to help feed victims as well as volunteers. More than 225 meals have been served to date. Some work has been done at First Baptist Church of Davis.

11. David W. Phelps, Director of Missions, began his report by responding to a question posed by Rev. Wesley Wallis, Pastor of Sea Level Missionary Baptist and one of the churches damaged in the flood. David called on Raymond Earp to share some of the plans decided on by the Missions Development Council. Funds are available to offer assistance and the Association is just waiting for a report on specific needs. After the needs are outlined, this can be passed along to sister churches and surrounding Associations who are more than willing to give.

Next David shared that Chuck Headdin of Cape Carteret Baptist Church is being endorsed by the North American Mission Board as a Missions Corps Service

Volunteer. He is now serving on the Association's Missions Development Council.

David requested prayer for the congregations of First Baptist of Davis and Sea Level Missionary as they go through the process of reoccupying their church buildings. He announced that First Baptist of Davis also has a new Pastor, Rev. Larry Cain and his wife, Gladine. He recognized David and Teresa Bruce, new Pastor at Calvary Baptist Church. Then he recognized Scott Cook as the new Pastor of Smyrna Baptist Church. David also requested prayer for Mary Cook, wife of Dr. Gilbert Cook and step mother of Scott Cook. Mary recently had surgery to have a stint put in.

David shared that the Association has made some strides in seeking a candidate for the Association DOM position as approved at the July 2003 meeting. The formal process of interviewing has not started but will be focused on after the first of the year. Some advertising for the position has been done through the State Convention and through other DOM's.

David recognized L.D. Springle for all of his hard work with the disaster recovery effort following Hurricane Isabel. He also made mention of Jim Koebele of Tabernacle Baptist Church as he coordinates efforts in the Bayboro area.

12. Moderator Rob Helton made a formal introduction of Rev. David and Teresa Bruce of Calvary and Rev. Larry and Gladine Cain of First Baptist Church of Davis.

13. Dr. Don Hadley of First Baptist Church of Havelock closed the service in prayer.

FINANCE COMMITTEE
Report to the Association
2004

The 2003-2004 Finance Committee has completed a review of the Association's financial records and operation procedures for the fiscal year beginning May 1, 2002 and ending April 30, 2003.

The review covered an examination of the Association's quarterly payroll taxes and found deposit slips to verify payment. Deposit slips were also found for payment of premiums on the Association's liability insurance. We randomly selected two months of the past year and thoroughly examined the handling of all cash receipts and disbursements, including a review of cancelled checks and deposit slips for the selected period. Based on the assumption that these samplings represent the condition of all records and procedures for the fiscal year, we feel there is no need for further inspection.

The Finance Committee believes that all monies received by the Association have been properly handled and accounted for and that proper procedures for the disbursement of all funds have been faithfully followed.

The staff and officers of the Association are to be commended for keeping the financial records of the Association's ministry efforts up-to-date, easy to understand, available for review, and above reproach. The churches of Atlantic Baptist Association thank you.

Respectfully submitted,
Mr. Glenn King, Chairman

MEDICAL-DENTAL BUS MINISTRY
Report to the Association
2004

The Medical-Dental Bus has been in our Association two times this past year. It was at the Fair in Craven County in October for three days. We were only able to secure dentists for two of those evenings because it was a last minute decision to bring the bus. We took care of dental needs of the fair workers on those two nights and hope to do so again this fall.

The bus was also at Cherry Point Baptist for two days in February treating 50 patients free of charge. What an awesome ministry God has given us through the use of this bus. There were two rededications at Cherry Point and many seeds were planted.

Two Show & Tells were done at Calvary Baptist Church and Neuse River Baptist Church. We need this ministry in our area to help those who are hurting and sharing the gospel at the same time. Please pray for this ministry and how your church can make use of this powerful tool.

Respectfully Submitted,
Mrs. Edith Robbins,
Medical-Dental Bus Ministry Coordinator

MINISTERS' CONFERENCE

Report to the Association
2004

My desire for the Atlantic Baptist Association's Minister's Conference has been to provide instruction and encouragement for the ministers in our association. We have covered a wide variety of ministry issues this past year including Faith Based Initiatives, Children's Ministry, a panel discussion on Recruiting and Training Volunteers, and Leadership Styles in Ministry. We even had the opportunity to sit in on a discussion with H. B. London with Pastor to Pastor on The Pastor's Spiritual Life via satellite. We were encouraged in our work by others including Dr. Ken Hemphill, Bob Foy and Rev. David Horton, President of the Baptist State Convention of North Carolina. Our Christmas celebration was a sweet time as we listened to the beautiful music of The HeartNotes from Cape Carteret Baptist Church and the testimony of Joe Nance, author of Murder By Suicide. The folks at Capt. Bill's were gracious in hosting this event for us.

I have appreciated the assistance of our Associational Missionary, David Phelps. He has been a great help in putting these meetings together. The input of Dr. Jack Hinton, vice-president of the Minister's Conference, provided a perspective I much needed. Many thanks goes to Caroline Burch for keeping everybody informed about what's going on. And a special thanks goes to Beth Hassell for helping us make a joyful noise each month.

Whatever It Takes,
Pastor Kevin Clubb
President

MISSIONS DEVELOPMENT COUNCIL
Report to the Association
2004

The Missions Development Council is a group of people representing our Association – the pro-active arm of the Association – with a mission to keep us involved in missions Home and Foreign. We work together to plan mission activities that can be done with all churches working together. This year has been a good "mission year."

The Medical/Dental bus has been in the Association several times with doctors and nurses volunteering to serve. Plans are for the ministry to be at the fair grounds again this year to minister to fair workers. We are planning other ways to witness, such as activities for the children and a clothing closet.

A partnership with Armenia began this year and I took a team to begin building a church there. We also were fortunate to have Dr. Gary Copeland and his wife, Joanne, go with us to examine eyes. Over 300 pairs of glasses were given out. There were over 100 children in Bible School led by Anita. The whole Association helped with the supplies needed, plus kits and T-shirts for every child.

Much work has been done and continues in Pamlico and down east Carteret Counties repairing homes damaged during Isabel.

We are still looking to get a full-time pastor for the Hispanic Baptist Church in Fort Barnwell.

Mike Huffman took a team from the Association to South Africa to complete work started there.

We continue to support the Seaman Center in Morehead City both financially and with supplies needed at Christmas to prepare Health Kits for the seafarers.

We continue to discuss other Mission possibilities in our Association and around the world.

Respectfully submitted,
Mr. Raymond Earp, Chairman

MUSIC MINISTRY
Report to the Association
2004

I need to start out my report by saying thanks to everyone who sang in the Associational Choir for the Spiritual Growth Conference. You were outstanding! I believe we all could feel the presence of the Lord in those specials and the preaching. I know I was uplifted. Let's sing some more!

This coming year I plan to involve our church choirs more. Perhaps we could invite a different choir to sing at every Associational event. I want to plan an Association Choir Festival. We could have each participating choir sing two selections.

I would like to encourage your church to have a "Singspiration" on the Fifth Sunday Night. You might even invite several area churches to come together at one church. Let's make music a vital part of the church ministry.

I recently invited Dr. Stephen Cobb of Temple Baptist Church to share a devotional at the YMCA Board Meeting. He made a statement that I have always tried to preach. I've heard Dr. Jack Hinton say the same thing. If you have "Powerful Preaching" and "Powerful Music," people are going to grow the church. These two things work hand in hand. Try this coming year to make your worship services more exciting. Don't fall into the trap of doing the same Order of Service every Sunday. Be creative! Have your congregation on their toes - - wondering what is coming next Sunday.

Musically yours,
Rev. John Thompson, Director

ORDINATION COMMITTEE

Report to the Association
2004

During the past 2003-2004 year, the Ordination Committee was not asked by any churches of the Association to examine any candidates for ordination.

PERSONNEL COMMITTEE

Report to the Association
2004

The most significant task for the Personnel Committee during 2003 was the establishment and search for a Congressional Missionary for the Association. In the April 2003 Executive Committee Meeting, a position was proposed as a part-time position. The selectee would work 20 hours a week and could be a bi-vocational position with a church in the Association. The selectee would visit with various churches within the Association, at their request, and offer help with Sunday school, Discipleship Training, etc. The position was presented for motion to accept the proposal for the new position in the July 2003 Executive Committee Meeting, and approved unanimously. The Personnel Committee submitted the position for funding to the Budget Committee for the 2004/2005 budget.

The Committee interviewed and had full consensus for Jack Hinton to be presented to the Association during the April 2004 Executive Committee Meeting for vote and acceptance as the first Congressional Missionary for the Association. Jack has many years of notable

work within the Association and is already known and recognized for substantial contributions to God's work.

Caroline Burch has served as the Association Administrative Assistant for the last two years. Caroline accepted another job opportunity and her last day with the Association was March 31, 2004. She has demonstrated exemplary administrative talents and has been a willing and cheerful assistant to all of us. She will be sorely missed. She will continue to be in our thoughts and prayers in her new endeavors.

We solicit your prayers that God will send the right person to fill the position as the Administrative Assistant, and that David and the Committee will be open to His leadership and the guidance of the Holy Spirit.

We appreciate the work of the Committee Members for their time and patience in a very busy year.

Respectfully submitted,
JoAnn Tadlock, Chairperson

SENIOR ADULT MINISTRY
Report to the Association
2004

The Associational Senior Adult Rallies continue to be a big part of our fellowship. Everyone seems to look forward to the next one. I hope you will continue to support our rallies.

Let me ask you to recognize your Senior Adults. Have the big "Senior Adult Day" in May or June. Provide their lunch. Let them do the service. REMEMBER - - when your Senior Adults were younger - - your church was full on Sunday. Look at the Associational minutes and see the attendance "way back when." Your Senior Adults have the know how to get things going. Involve them as much as you can.

Senior Adults are a source of "Prayer Power" . . . a source of "knowledge" . . . a source of "people with time" and many are a source of "talent" . . . as well as a source of financial means. Tap into your Senior Adults. Help them to stay involved and to feel important.

Remember us "Old Folks,"
Brother John Thompson, Director

SINGLE ADULT MINISTRY
Report to the Association
2004

The Singles Christian Fellowship met in smaller numbers this year, but we always enjoyed food and fellowship. We demonstrated our artistic talents and teamwork by

completing our play-dough sculptures to celebrate the beginning of summer fun. There is one thing that we seem to do very well, and that is to laugh together. Later in the year, we enjoyed a visit from "Moses" who delighted us all with "his" many adventures and dedication to God's Holy work. Alan McClure from Temple Baptist met with the group in December. His enthusiasm for the single's ministry was most evident and enjoyed by all.

We realized the fragility of life in the loss of one of our long time members; and the love and support provided to one who had extensive surgery and rehabilitation. Her testimony to God's presence during bad times was a message to each of us.

Several churches endorsed single's fellowships and Bible study programs in 2003. The single head of household statistics, based on the last Federal census, is a map to a dynamic ministry. It is also one of the most difficult to initiate. I challenge each of you to evaluate the need for a singles' ministry in your area. I think God will enlighten your heart tremendously. I covet your prayers and support to meet the needs of our many Christian singles and for those singles who are searching for the presence of God and don't know it.

Respectfully submitted,
JoAnn Tadlock, Director

STEWARDSHIP

Report to the Association
2004

"Road Maps" is a new way to help our churches develop financial discipleship. We will help you find your way by mapping out strategies that will be personally recommended for your church individually. We have some wonderful materials and programs for you to use at reduced cost or for free. How can you beat a bargain like that? As a part of our desire to see churches and their members be good stewards of God's gifts, we invite you to call for our assistance. We will continue to provide workshops through the Association, too.

Respectfully submitted,
Mrs. Toni Cullum, Director

SUNDAY SCHOOL

Report to the Association
2004

During the past year the Association has provided multiple training events designed to help our churches conduct more effective Sunday School Ministries. Our Sunday School classes are still that first place where personal relationships, group accountability and for many, regular Bible study, are developed. Sunday School is where a person finds they "belong." Sunday School is where you are first missed if you are absent. Sunday School is where you can first share your blessings and your sorrows with friends. Sunday School is where you can invite a friend who doesn't know the Lord or have a church family.

Sunday School is where Christ's love has a name and face you know. Thank God for our Sunday Schools.

Thank you,
Buford Lewis,
Associational Sunday School Director

WOMAN'S MISSIONARY UNION

Report to the Association
2004

2003—2004 WMU EMPHASIS "GOD'S PLAN...MY PART" continued. It was most interesting to focus on this theme again for our WMU Team. It was amazing to note how many times we hear, say or write, "If it's God will . . ." I believe we all were made aware that, yes, God does have a Plan for us, and, yes, we do have a Part to build His kingdom. He truly equips Christian believers to follow God's call into missions. He equips us to help the whole church body to become more aware of our calling to reach out to missions whether it's in our community, another association or another country.

The WMU Leaders responded to various mission projects this year. One interesting call was for our Mission Friends Leader to provide hands on training within the church nursery. We assisted in getting resources available for an outreach program of "ESL" (English Second Language) for one our churches. Hearing from our churches that attended our Annual Beach Retreat assures us that needs were being met. Various Team Leaders were invited to visit our churches and provide assistance.

Throughout the year, the WMU leaders met to plan, pray and fellowship to discuss what we can do for our churches to help them set mission goals for the year. In July, our Association provided the "Razzle Dazzle Your WMU Organization" at River Bend Baptist Church, led by Carolyn Hopkins, Adults on Mission, Missionary Family and Growth Specialist with NC State Convention. There were 18 enrollees that represented 14 churches. All but one of our leaders was able to attend our Associational Leadership Training at Caraway. It was the first time our Acteen Leader had been with us. It is encouraging to hear her get excited about her new experience and what she hopes to achieve. We also had numerous meetings with 9 of our "downeast" churches to try to coordinate WMU meetings in our various churches. We were asked to assist with this but, to-date, it's been planning meetings and correspondence. Each voiced that we wanted to have more participation in the various age-level programs in our churches. We shall continue to pray for our Lord's leading.

We did discontinue our WMU Associational Newsletter. It was not proving to be beneficial as we had hoped it would be.

Our Annual WOM Beach Retreat in February carried our same WMU Emphasis. Our missionaries were: Wanda & Bob Estep of First Baptist Church of Morehead City, Missionaries to Brazil; and Erin Piner, young missionary from Parkview Baptist Church who had gone on a mission trip to South Africa. We had great music ministries with The Heart Notes from Cape Carteret and the "Followers of Christ". There were 120 plus

people that attended the retreat. They represented 22 churches in our Association. I did note that we had over 25 first timers who were young and enthusiastic. All in all I believe we had a successful and blessed year with our WMU organization.

CONSTITUTION
of the
ATLANTIC BAPTIST ASSOCIATION
PREAMBLE

Associations being a proven way of helping churches carry out the Great Commission, we the missionary Baptist churches of Beaufort, Carteret, Craven, Jones, and Pamlico counties voluntarily agree to cooperate according to the objectives, doctrines, and structures set forth in this constitution. No compromise of local church autonomy is implied or follows from membership in this Association or from relationships the Association maintains with the Baptist State Convention of North Carolina, Southern Baptist Convention, or any other person or group determined by the Association - meeting in Executive Committee or Annual Session - to advance the cause of Christ.

ARTICLE I - NAME

Our name shall be the "Atlantic Baptist Association of North Carolina, Incorporated."

ARTICLE II - MISSION

Under the leadership of the Holy Spirit, the mission of this Association and its officers shall be to train, counsel, encourage, and otherwise assist member churches fulfill their scriptural mandate to worship God, love their neighbor, evangelize the lost, and disciple believers in the name of the Lord Jesus Christ (cf., Mark 12:29-31; Matthew 28:19-20).

Inasmuch as cooperation among churches is usually more productive than acting alone, the mission of this Association shall also include initiating such mission advance or outreach activities as shall be judged appropriate by the Association.

ARTICLE III - STATEMENT OF FAITH

Christ and Scripture - the living and written Word of God respectively - shall be the source of our beliefs and basis of our fellowship. *The Baptist Faith and Message* adopted by the Southern Baptist Convention in 1963 expresses the doctrinal positions of the Association.

ARTICLE IV - MEMBERSHIP

Under the Lordship of Jesus Christ, Baptist churches are completely free and sovereign to conduct their business as they see fit. The same goes for Baptist Associations. Membership in this Association, therefore, does not confer to the

Association any authority over member churches, nor may churches exercise authority over the Association.

Affiliation between churches and the Association, being free and voluntary, is predicated only on acceptance of the mission and doctrinal positions set forth in this constitution and on active, cooperative participation.

SECTION 1. GRANTING MEMBERSHIP

A. Churches desiring membership in this Association shall - upon official church action - apply directly to the Association meeting in annual or executive session. Such applications shall be presented in writing.

The Association shall, in turn, receive as information and forward such applications to the Membership Committee for study and recommendation.

B. Upon receiving referrals of membership applications from the Association, the Membership Committee shall - over a one year period - take appropriate steps to determine whether applicants evidence suitable compatibility with the Association in spirit and doctrine.

C. Following this one year review, the Membership Committee shall report a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant watchcare status.

D. The Association shall then decide whether to grant watchcare status - a status that carries with it the same rights and privileges as full members with the exceptions of voting and holding office.

A two-thirds vote of ballots cast shall be required to grant watchcare status.

E. After observing churches received under watchcare for one year, the Membership Committee shall bring a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant full membership based upon cooperation, participation, spirit, and doctrine.

A vote to grant full membership shall also require a two-thirds favorable vote of ballots cast.

SECTION 2 WITHDRAWING MEMBERSHIP

A. Membership may be withdrawn when churches no longer cooperate or participate in the life of the Association. Membership may also be withdrawn when churches deviate doctrinally from positions set forth in *The Baptist Faith and Message*.

B. The procedure whereby membership may be withdrawn is as follows:

1. Authorization to take steps toward withdrawing membership may be given only by the Association meeting in annual or executive session. The Membership Committee may, however, request such authorization.

2. Such authorization to review membership status is indicated when churches evidence non-cooperation, non-participation, or doctrinal deviation.

3. Once authorized, the Membership Committee shall conduct a thorough examination before returning a recommendation to the Association.

During this period, the Membership Committee shall take appropriate steps to bring those congregations being examined back into fellowship.

4. Should these restorative efforts fail, the Membership Committee may recommend watchcare status (not withdrawal of membership) to the Association.

Watchcare status - with its attendant loss of all voting and office holding privileges - shall go into effect upon a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

5. Such watchcare status shall last one year, after which the Membership Committee shall recommend restoring full membership or withdrawing membership altogether.

As with the vote on watchcare status, a vote to restore or withdraw membership shall require a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

SECTION 3. TRANSFERRING MEMBERSHIP: Any church requesting transfer to another Association may be granted a letter of dismissal by presenting a written request to the Association.

SECTION 4. MESSENGERS TO THE EXECUTIVE COMMITTEE AND ANNUAL MEETINGS: All congregations holding full membership in the Association may send up to ten (10) messengers to Executive Committee and Annual meetings.

ARTICLE V - PARLIAMENTARY PROCEDURE

Robert's Rules of Order, in its latest edition, shall be the accepted authority in conducting the business of the Association.

ARTICLE VI - AMENDMENTS

Proposed amendments to this constitution may be put to a vote at any Annual Meeting provided the following conditions are met:

A. Proposed amendments shall first be submitted in writing to the Association at the October meeting of the Executive Committee.

B. The Executive Committee shall, in turn and by majority vote, refer proposed amendments to the Constitution and By Laws Committee for study and recommendation.

C. Written copies of proposed amendments shall be given to the Executive Committee at their January meeting by the Constitution and By Laws Committee along with the committee's recommendation.

D. Proposed amendments shall be presented and voted upon at the Annual Meeting.

The same conditions apply to a completely revised or re-written constitution.

Any actions taken on constitutional matters shall require a two-thirds favorable vote of ballots cast by duly elected messengers.

ATLANTIC BAPTIST ASSOCIATION
One Hundred Twenty-Second Annual Session

Thursday, April 28, 2005
Bogue Banks Baptist Church, Atlantic Beach, NC

1. Rev. John Thompson led the congregation in singing "He Lives!"

3. Rev. Mike Huffman, Vice-Moderator, called the meeting to order at 8:00 p.m.

4. Rev. Tom Gift, Island Road Baptist Church, read Isaiah 59 and opened the meeting in prayer.

5. Rev. eferred to the first page of the Book of Reports that had been dedicated in memory of Mrs. Betty Murphy. Mrs. Murphy faithfully served as Administrative Assistant for the Association from November, 1997 until May, 2001. Mrs. Murphy passed away January 13 2004.

6. Rev. Rob Helton, Moderator, introduced and welcomed two new members to the Association. Mr. Scott Fitzgerald has been called to serve as Pastor at Bayboro Baptist Church. Mrs. Sharon Bender will be on staff at Tabernacle Baptist Church serving as Director of Children's Ministry and Christian Education.

7. Rev. Jack Bowen gave the Treasurer's report. He noted that the numbers, to him, were "mind boggling" as to how the Association got the money to support the things done. How did we do it? God allowed us to unite as churches to support these efforts. He thanked all the churches on behalf of the Association for their faithfulness in giving and commended the members of the Association for their stewardship. Rev. Bowen then quoted a mentor of his saying, "If Jesus has your heart He will have no trouble with your pocketbook." He moved for the adoption of this report as printed. The report was seconded and motion carried unanimously.

8. Mr. Glenn King, Chairman of the Finance Committee, gave his report. Copies of the proposed budget for this year were given at the last meeting and copy of this budget is included in the Book of Reports. He moved that this budget be accepted as printed. Motion carried unanimously. Mr. King referred to the report sheet in the packet used to balance the previous year's budget showing decreases and increases. He made a motion that this report be accepted as printed. Motion carried unanimously.

9. Mr. David Dayvault presented a report from the Nominating Committee. He thanked members of the committee who worked so diligently to fill all positions, adding that much work was involved in this procedure. He also thanked all whose hearts yielded to serve. He moved that the report be accepted as printed. The motion carried unanimously.

10. Rev. Rob Helton, Moderator, made a motion that the 121st Annual Book of

Reports be accepted as printed. It was seconded and the motion carried unanimously.

11. The Missions Development Council report was presented by Mr. Raymond Earp. As each member of the committee was asked to stand, Mr. Earp thanked them for their commitment to the task involved with this work. He stated that this committee met four or five times this year. We are a healthy Association because of missions – we have our heart and mind on missions. Keeping missions in the forefront of an association will remain if it stays involved. He stated the Council tries to find projects to keep our churches involved with missions. There is now work in progress with Hispanics, Seaman's Center, International Missions, Baptist Men, WMU, and the Fair Ministry and it's all coming together. He asked the congregation to please share any suggestions that would add to our involvement in missions.

12. Mrs. JoAnn Tadlock, Chairperson of the Personnel Committee, reported that this committee has been very busy. Last year they were informed of the search for an individual to serve as Congregational Missionary. As of March 31 due to the resignation of Caroline Burch as Administrative Assistant, the Committee has been assisting Rev. Phelps in the search for a new assistant. There have been a number of interviews resulting in three very good candidates for this position to be finalized on April 29. Dr. Jack Hinton has been asked to accept the position of Congregational Missionary. In the Book of Reports a job description and resume of Dr. Hinton has been made available. The monies for funding this position comes from restructuring the funding from Dr. Myrle Swicegood's position. Dr. Hinton will be working with all churches. So many of our churches cannot afford to hire help for their needs. Filling this position will now serve to provide more resources for these churches. Mrs. JoaAnn Tadlock made a motion to accept Dr. Jack Hinton as the Congregational Missionary for the Atlantic Baptist Association.

    Rev. Rob Helton, Moderator, asked that before we vote that we have Dr. Hinton share a few words with us. Dr. Jack Hinton shared his feelings and hopes for this ministry with the Association. He stated that he looks forward to serving all of our pastors in accomplishing many things with their churches. The floor was opened for discussion and/or questions. Several members complimented the many ministries of Dr. Hinton as they shared their appreciation and encouragement for his new ministry with the Association. The motion had been made to accept Dr. Hinton as Congregational Missionary. The vote was taken and the motion carried unanimously.

13. Rev. David Phelps, Director of Missions, stated that this has been a good night for the Atlantic Baptist Association. We are healthy; we are people of high standards and high expectations; we can take on God sized tasks. We can be proud of having the highest budget in the history of the association - a 6% increase. The giving this past year has almost matched the budget for the new year. Recently our Church Development Council disbursed $17,000 for missions. We have doubled our gifts to the Pregnancy Center, supporting Armenian mission work and missions

in Honduras. We need to continue to be a channel of blessing and be wise stewards of our money.

The reason we exist is to let Christ be known. There are 12,000 associations across the U.S. And, there are 12,000 un-reached people groups to be reached. In a recent visit to the International Mission Board, I learned of a new direction- new emphasis. The IMB wants to begin interfacing with all associations across the Southern Baptist Convention. They want to have associations adopt a people group where there is no missionary; no one working with them. This is where our association could begin a work. It could mean taking groups to India, Calcutta, or Taiwan. This is part of the Empowering Kingdom growth. Ken Hemphill spoke of this at our Spiritual Growth conference. It is not building our kingdom but God's Kingdom. It is my hope and prayer that this Association will be working in that direction.

Rev. Phelps used a quote from a writer that said, "When you are building a team you need to know who you are riding the bus with." It is not important where the bus is going but if the bus changes directions you can still work with these people. When looking for a person to be a Congregational Missionary the intent was for him to be a catalyst for outreach, evangelism, and Sunday School in churches. In his search he contacted The Sunday School Board, Directors of Mission in state and out of state seeking the best one to serve. The person would be a Minister of Education working with officers, deacons, and teachers within the churches. Little did we realize that we had such an individual right here "under our nose." Rev. Phelps stated that he wants to help you do a better job and do whatever he could for each of you and that is what Jack Hinton will be doing also. He will be going back and forth throughout the association. If he can spend three or more weeks in your church with you then you can get to know him better and he will be able to introduce you to more and better resources. A call to ministry is a call to relationship.

Rev. Phelps stated that the purpose of the Atlantic Baptist Association is to do what we cannot do alone in missions, what we can do to support, equip and enable the churches. He added that he exists to help you do a better job and Dr. Hinton will be doing the same. He thanked the association for extending a call to Dr. Jack Hinton.

Rev. David Phelps shared scripture from 1 Peter 3:15. He reminded us to always be prepared to give a reason for the hope we have. We should always be ready to share Jesus Christ. Are we ready to share with others? Some churches did not have baptisms in the last year. In our Sunday Schools we need to upgrade evangelism. Let each of us set a goal to reach at least one soul in the next few weeks. Always be ready to share the reason for your hope to others.

Rev. Phelps thanked each committee and committee chairperson for their wonderful work this year. He recognized and thanked Caroline Burch for doing a wonderful job as his assistant for two and a half years. He noted that he and the Personnel Committee will be finalizing the search for a new Administrative Assistant next week. He also extended thanks to Gail Edge for helping at the association until a new assistant is found and to Beth Hassell for her wonderful and faithful service as Financial Secretary. He then thanked Moderator Rob Helton for the excellent way

he has helped this Association in the past two years as Moderator. He closed by expressing his love for the people of the association and coveted their prayers for his ministry with them.

14. Rev. Rob Helton introduced Dr. Don Hadley to share an item of old business concerning a motion made and approved at the last meeting concerning gay rights and marriage. Dr. Hadley read from the 1995 revised Constitution and By-Laws as follows: "Resolutions having little power to accomplish good and considerable power to cause mischief shall have no place in the proceedings of this Association." Thus, in 1995 the association decided not to do resolutions but to give emphasis to what we have been giving to. He shared other means by which this concern about marriage could be handled. There are petitions available at the association office or in your churches.

15. Rev. Rob Helton, Moderator, announced that the next meeting for the association would be on July 26, 2004 at Tabernacle Baptist Church, New Bern. He then asked Tom Taylor to come forward and receive the gavel as the next Moderator.

16. Mr. Tom Taylor closed the meeting with prayer.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
Report to the Association
2005

Above and beyond – these words best describe what North Carolina Baptists did last year! ...Churches around the state came mightily to the aid of Baptist Children's Homes in 2004 as their beloved institution faced one of its most critical financial times. Prayers, money, and gifts of food, towels, sheets, school supplies, and clothes flooded in. These showers of blessings softened the blow of a nearly four million-dollar budget cut. ***Thank you.***

History was made as churches from all 80 Baptist Associations gave food to BCH's first-ever statewide food roundup. Nearly 500,000 pounds of food were collected filling every available space on our campuses. Directors of Missions graciously opened their offices as collection points for the food. Churches delivered food filling their offices, halls and storage rooms. Trucking companies picked up the food from the Association offices and delivered this great expression of your love and concern. ***Thank you.***

(The next Food Roundup is slated for April 2005.)

Last year, nearly 2,000 videos fro ***Jennifer's Story*** were distributed to churches. The video told how North Carolina Baptist made a difference in the life of Jennifer Shore. Jennifer found hope and healing at Baptist Children's Homes. As an adult she and her husband returned to become childcare workers. More than 600 churches invited BCH representatives to share how the lives of children, children like Jennifer, are being changed every day. United together, North Carolina Baptists not only met the annual Thanksgiving Offering goal, but exceeded it! ***Thank you.***

Baptist Children's Homes is at the center of North Carolina Baptists' hearts. Their actions prove it! Jesus challenged us all when he said, "In the same way, let your light shine before men; that they may see your good deeds and praise your Father in heaven." Our children and staff, the people in your communities and the citizens of North Carolina saw Jesus in action and our Heavenly Father was glorified. ***Thank you.***

Blackwell marks 20th year as president...On July 1, 1983, Michael C. Blackwell became president of BCH. Trustees honored his twenty years of ministry during their September board meeting with "A Celebration of Ministry."

BCH begins strategic planning process...BCH president Michael C. Blackwell initiated an agency year-long strategic planning effort. Blackwell says this is the most comprehensive effort since he became president. All areas of the agency are involved in the development of the plan. Recommendations will be presented to the Trustees at their September meeting. The plan will debut in January 2005.

Shine your light! ...Inspired by North Carolina Baptists, this year's Thanksgiving Offering theme is "Shine your light." Although blessing flowed freely in 2003 helping to avert more difficult hardships, our need remains great. Children and families continue to pour out their hurt on our doorsteps. Alone and suffering, children need to know that in their journey of darkness there is a light shining, guiding them to a better day. Your help

keeps the light on and shining bright as we, day-to-day, offer help in Jesus' name. Our statewide Thanksgiving Offering goal this year is $1,300,000. This represents a $75,000 increase over last year's offering goal. An increase demanded by necessity. Challenge your church to participate in the 2004 Thanksgiving Offering. ***Our success depends on you.***

BCH...Focused on the Future. Despite the trying times, Baptist Children's Homes continues to be committed to providing only the highest quality of service. Children who come through BCH's doors continue to receive an abundance of love, care and healing. A dedicated staff serves and gives of themselves sacrificially. The lives of children and families are worth every effort. BCH holds true to its mission of ***"helping hurting children...healing broken families."***

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Missions giving, church and individual gifts, memorials, honors and estate gifts enables BCH to provide care for more than 2000 children through our locations across the state. ***Thank you, North Carolina Baptists, for your continued prayers and support. We could not do what we do without you.***

BAPTIST MEN

Report to the Association
2005

The Lord has used many men throughout our association this past year in a mighty way. His goodness, grace and mercy have been shown to many as men have been obedient in His call to serve.

On the foreign mission field, we had three men lead trips. Raymond Earp led a team to Armenia, Mike Huffman led a team to South Africa and I led a team to Honduras. In each case, the teams went to help others with building churches. The testimonies and reports of these men and the teams about the works God is doing in other countries have been exciting and uplifting. Additionally, two doctors traveled to Indonesia to help in the tsunami relief efforts.

Within the North American Missions arena, churches throughout the association responded to the call for disaster relief from the hurricanes in Florida and the western part of North Carolina. Each of us knew, all too well, the needs and grief of hurricane victims. Teams of men responded and have had a positive impact for the Lord throughout these regions.
At the local level, disaster relief efforts continue down east and in Pamlico County. Also of note, McCotter Boulevard Baptist hosted the annual Royal Ambassadors Mission Fair. There are numerous other local missions being conducted by churches and individual Baptist men as everyone seeks the Lord's will in their life.

As always, the Lord is providing ample opportunity for each of us to serve Him on the mission field be it at home or traveling. I would urge each of you to continue in your prayers for all those within the association who have answered the call to missions. Most importantly, let's not forget all of our missionaries throughout the Cooperative Program as they serve God fulltime on the mission field. Thank each of you for making this year a successful one for our Baptist men.

In His Service,
Chuck Headden, Baptist Men's Director

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA

Report to the Association
2005

"Lord... you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance." ~Psalm 16:5-6

Because of your generosity, Psalm 16 is a fitting scripture for the over 700 Older Adults who reside at the Baptist Retirement Homes of North Carolina, Incorporated…

Their lot has been made secure-
All of your gifts through the Cooperative Giving Plans of the Baptist State Convention, through the February North Carolina Offering for Older Adults, and through direct gifts from the churches are designated to provide care for those who otherwise would not receive care. Many of our Assisted Living care residents and the majority of our Nursing Care residents receive financial assistance from you. Furthermore our promise to each of our residents is care that will last for as long as they live.

Their boundary lines have fallen in pleasant places-
At the Western North Carolina Baptist Home in Asheville…at Brookridge Retirement Community in Winston-Salem…at The Taylor House in Albemarle…and at Hamilton Baptist Home in northeastern North Carolina, beauty, security and comfort are found in full measure.

They have a delightful inheritance-
At each of the Homes, the ministry of a Baptist Chaplain lifts the hearts of our residents. The enrichment and recreational opportunities at each Home make for an enjoyable lifestyle. Day after day the high quality of care that is given speaks of the care of a loving Heavenly Father, helping to make life for our Aging Saints…The Best of Times!

BIBLICAL RECORDER

Report to the Association
2005

After celebrating its 170th anniversary in 2003, the *Biblical Recorder* remains true to its founding mission of publishing relevant news and fostering healthy dialogue among members of the Baptist State Convention of North Carolina.

Today's North Carolina Baptists face a constantly changing landscape as population shifts, cultural trends and denominational debates each leave their mark. As always, Baptists find a variety of ways to express their identity. North Carolina Baptists have a clear need to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The *Biblical Recorder* exists to provide this needed service to Baptists in North Carolina and beyond. The *Recorder* staff works diligently to provide regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition the *Biblical Recorder* includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention. It serves as the official news publication of the Convention, and seeks to serve the full spectrum of its churches.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001, and several first place awards for news and editorial writing, including two in 2003.

As readers have shifted in their preference for electronic media over traditional print formats, the *Biblical Recorder* has developed and maintains a popular and rapidly growing presence on the World Wide Web. Our Website, at www.biblicalrecorder.org, provides much of each paper's content online, as well as to access classified ads, online Bible study resources and a portal to other news services. The site is frequently updated with breaking news items and other articles of interest.

The *Biblical Recorder* was one of the first state papers to create a website, and it remains a leader in the field. Google.com's prestigious page-rank feature lists www.biblicalrecorder.org as the number one site for Baptist news on the Internet. Web users in North Carolina and around the world now rival the number of those who read the *Recorder's* print edition, as an average of more than 40,000 unique visitors come to the site each month.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. Subscription packets and free sample issues are available. For more information, please contact: Biblical Recorder, Inc., 232 W. BUILDING AND GROUNDS COMMITTEE

Report to the Association
2005

During the past year this committee has been blessed, as we have not been required to do any repairs to the Association building or grounds. Several areas need to be looked at during this summer however. Sidewalks need to be pressure washed and new marking done on the parking lot curbs. This will be done as the weather warms.

I would like to thank the committee members for the support this past year.

CHURCH MEDIA LIBRARY ORGANIZATION

Report to the Association
2005

2005 has started out with a bang. I have been very busy since I have taken on the position of Region I Media Director. I am also serving on the State Association. This has really kept me very busy. There are a lot of churches that want to start or improve their library. I have had the opportunity to assist many churches by helping them raise funds, design space and provide a FREE computer. Yes, that's right, a free computer. Many people have donated good working computers to me so that I can rework them and GIVE them to needy churches. This has been a blessing to me and the ones that have donated. This year I was able to give several computers away to some lucky ones that attended one of the classes that I facilitated at Caraway on April 8-10. If you did not go then, you really missed out on a blessing and some great classes. I learn something new every time I go to the State conference. I hope to have some mini classes during some of our Association meetings. You never know, I might have some more computers for a few lucky ones that attend. Keep your eye on the newsletter.

One think that I have heard from some churches is that some of the leaders do not feel that a library is very important. I hope that yours is not one of them. The churches that have a library have excited the young and old with knowledge and entertainment. With all of the yuck on the TV and Radio today, we need a place that we can obtain books, music and videos from. I can not think of a better place than Your Church Library.

Let's make 2005 a great year and worship God through the Library.

God Bless,
Kevin Beck, Director

CONGREGATIONAL MISSIONARY

Report to the Association
2005

I became the Congregational Missionary for the Atlantic Baptist Association just about a year ago. It has been a most interesting experience in visiting, preaching and teaching in our churches throughout the association. Our 43 churches are spread out over four counties of Eastern North Carolina. I have been privileged to worship in most of the churches and plan very soon to be in all.

Each church is unique and fascinating and has a love for God and one another. I have found something positive about each church. It is delight to get to know our pastors and church staff.

I have compiled or written several books that are designed to help a local congregation. Among those are: Church Long Range Planning, Assessing Church and Sunday School Needs, Discovering Spiritual Gifts, A Study of Cults (Mormonism, Jehovah's Witnesses, Christian Scientists, and others), Books on Counseling and Suicide, Ministering to Older Adults, A Guide for Children's Ministry, Conducting an Effective Youth Ministry, Biblical Reasons for Believing in Eternal Security, and others. These books are available at the Association office at no cost.

I am grateful to be a part of the association of churches and to work with Rev. David Phelps to offer any help we can to you.

Respectfully submitted,
Dr. Jack Hinton, Congregational Missionary

COUNCIL ON CHRISTIAN HIGHER EDUCATION
BAPTIST STATE CONVENTION OF NORTH CAROLINA

Report to the Association
2005

The classics. They are the books that are required reading in classrooms around the world. They are the masterpieces that hang in Louvre and other great museums. They

are the compositions from Beethoven, Bach, Mozart, Strauss and countless others that are taught and studied and appreciated generation after generation.

What makes them classics? What makes them stand the test of time? Put simply, these works were developed by people who took painstaking care with their craft. Attention was paid to every individual detail as if the very life of the work itself depended on it. Love and devotion and skill were combined with each vision to produce an explosion of creativity and unique expression.

If these explanations truly define the classics and the great works, then the Baptist colleges of North Carolina belong in that very category. Five institutions that define the spirit and commitment of North Carolina Baptists draw their very essence from the North Carolina Baptist State Convention, an institution that was created in part to fulfill the mission of Christian higher education in this state.

Begun in 1830, the Baptist State Convention of North Carolina has stood the test of time. Using the same qualities as the great composers, artists and authors from throughout the centuries, the Baptist State Convention has poured love and devotion and care into the pursuit of offering only the finest in college education.

Campbell University, Chowan College, Gardner-Webb University, Mars Hill College and Wingate University are the five institutions affiliated with the convention. Why is that important? Because heritage and history make for strong foundations. With the support received from the convention through scholarships, resources, prayer, encouragement and leadership, these institutions grow stronger each year in reputation, prestige, character, quality and respect.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of NC last year made it possible for 499 members from the 316 convention related churches to attend our five affiliated institutions of higher education. Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous Baptists like you.

DIRECTOR OF MISSIONS REPORT

Report to the Association
2005

This Associational year began with the arrival of two new staff members. Dr. Jack Hinton began his duties on May 1st as *Congregational Missionary* to the churches of our Association. Dr. Hinton, former pastor of Tabernacle Church, will work as an Educational Minister to our churches, helping them to improve their Sunday School, develop or improve their outreach an evangelistic efforts, and become more effective in Discipleship Training. He brings a wealth of wisdom and experience to assist not only our pastors and leaders, but is an excellent sounding board for me as well. Also

beginning in May was Rachel Dupre as Administrative Assistant. Rachel is highly organized and willing to help our churches find the resources and information they need.

Since Hurricane Isabel struck our coast in September 2003, we have been involved in disaster recovery efforts in both Pamlico and Carteret Counties. This year we have seen the Pamlico effort come to a close, but the "down-east" area of Carteret still is in much need of repair due to the flooding. Many of our churches have continued to be involved not only locally, but have sent crews to western North Carolina to assist in their hurricane recovery efforts.

The Missions Development Council has sponsored four overseas trips: (1) a construction team from Cape Carteret Church made preparations for the SBC Olympic Ministries in Greece; (2) a team from various churches went to Armenia to build a church and conduct Backyard Bible Clubs; (3) a construction team went to Honduras to build a church but had to return after being robbed by roadside bandits; (4) Mike Huffman led another team to South Africa to work with the baby houses/orphanages. We are also continuing to sponsor a church planter in Armenia.

This last year we made a conscious decision to increase our support of both Hispanic works at each end of the Association. We sent well over $10,000 to each church to enable their ministries and overhead needs. The Ft. Barnwell Church is to be commended for their evangelistic ministries to the Hispanic community, even while its mission is still in need of a permanent leader. First Church of Morehead City houses Shalom Hispanic Church and gives sacrificially to this young congregation. Pastor Cruzberto Hernandez is doing a most excellent job in training his people in discipleship and evangelism. Bogue Banks Church is the sponsor of this mission. (It may interest you to know that Shalom Hispanic Church now tithes regularly to the Association and the Cooperative Program)!

The area where we saw the greatest increase in activity is in our Regional Fair Ministry. This last fall about 15 of our churches worked directly in the Fair with several more churches contributing needed items to enable this redemptive and evangelistic effort. This last year it was in full bloom with two hot meals being supplied to 90 to 100 workers every day. We made use of the Medical/Dental Bus and provided each fair worker with health kits. Many workers needed medical attention from doctors in our area. We supplied the transportation and much medicine to meet their need. We also had a clothing closet well stocked by our churches. Every fair worker was given a Bible and 5 fair workers made professions of faith. In our sharing, counseling, and caring, many more were reclaimed to the Kingdom by the grace of God. There are many wonderful things the Lord did during those two weeks but space will not allow me to write it here. It is my greatest hope that your church will choose to be involved in next October's fair ministry.

One new ministry that no known Association has ever initiated is a military ministry entitled "*Warriors Mentoring Warriors.*" Dr. George Tumlin, himself being a Vietnam Veteran, is putting together through the Association, a mentoring process to help combat veterans returning from the war and Afghanistan and Iraq. No one understands the trauma of combat or its emotional impact except another combat veteran. We are looking to the combat veterans from our churches to provide a Christ-based mentoring ministry in

order to assist those currently returning from combat. We have no template to work from and the process is in its infancy.

Finally, the Association acted as a catalyst for a dozen of our churches to hold a *Lay Renewal Conference*. We held an interest conference and two training conferences to make this happen. This opportunity renews the spiritual fellowship and relationships of a congregation that we may then be better witnesses to our communities.

On a personal note, as of April 3, 2005, I am now in my 6th year as Director of Missions. I praise the Lord, for these have been a wonderful five years. I look forward to serving you and serving with you in the years to come…as the Lord wills.

DISCIPLESHIP TRAINING REPORT

Report to the Association
2005

Wow, what a year. After having several classes on "How to Start or Sure Up your Discipleship Program", discipleship has really started to grow. Most of us remember the Training Union classes of the past and now we are able to offer a large amount of classes to all churches. People have commented to me that after taking "Experiencing God", they have developed a yearning for more. This class changed my life and many others also. I enjoy hearing from the many churches that have an active program. These are churches that have a vision and are growing.

There are many new classes available for 2005. Many of them are now on DVD or VHS. A very important new feature is that the writers are offering closed caption for the hearing impaired. A lot of people have told me that they can not afford the price of the class. My answer is you can order form the State Media Library (this is FREE). I also encourage all churches to share. I hope to compile a list of all of the courses in our Association. That way we can share and all you have to do is purchase the workbooks. If we communicate we can be good stewards of God's money.

I plan another class on Discipleship in the near future, so plan on attending. I can show you some great ideas that work and the people in your church will grow closer to God. All that we do should be for the Glory of God. Even Jesus studied, thus setting a standard for all of us.

I look forward to hearing from every church in the Association. Just call or e-mail me with your needs, and I will do my best to help you.

God Bless,

EVANGELISM COMMITTEE

Report to the Association
2005

The Atlantic Baptist Association's Evangelism Committee hosted this year's Spiritual Growth Conference with Dr. Chris Schofield as our guest speaker. This conference highlighted the passion for prayer in our churches through prayer evangelism. Dr. Schofield emphasized the need for spending more time in concerted prayer efforts and a host of other prayer-related topics. Consultation with Dr. Schofield about your prayer life and church needs begins with contacting the Baptist State Convention of North Carolina, where he serves as Senior Consultant of Prayer Evangelism strategies. We were also musically blessed by The Nelson's from Harkers Island. Their enthusiastic and upbeat Southern Gospel tradition of music prepared us for two great evenings of worship. Many thanks to our evangelism committee and to the churches of the Atlantic Baptist Association.

EXECUTIVE COMMITTEE MEETING

July 26, 2004
Tabernacle Baptist Church
New Bern, NC

1. Mr. Tom Taylor, Moderator, called the meeting to order at 8:25 p.m. He then received a motion to accept the minutes of the April 22, 2004 meeting as presented. The motion carried unanimously.

2. Rev. Gary Fairchild, Huggins Memorial Baptist Church, opened the meeting in prayer.

3. Mr. Tom Taylor, Moderator, called on David Phelps, Director of Missions, Atlantic Baptist Association, to come and introduce the new staff members at the association churches.

4. Rev. David W. Phelps, Director of Missions, Atlantic Baptist Association, announced that everyone had just met Rev. Gary Fairchild, who has just come to pastor Huggins Memorial Baptist Church, who was previously pastor at Victory Baptist Church, and thanked him for taking part in the meeting. He then went on to introduce Rev. David Bolden, a member at Parkview, who has taken over Croatan Baptist Church as pastor. Rev. Michael Bentley was introduced as coming from the highlands of Brevard to the flatlands of New Bern, and has been in service at Tabernacle for 1 month as Minister of Music. Sharon Bender was announced as Jack Hinton's daughter, who has recently been called as Minister of Christian Education and Children and youth specialist. David Carter and Steve White were then announced as Music and Discipleship Directors of First Baptist Church of Havelock. Rachel Dupre was introduced as the new Administrative Assistant at the Association. He announced that this was the first quarterly association meeting with Jack Hinton on staff. He asked for any other new staff that might be at the meeting. No one came forward.

5. Rev. Jack Bowen, Treasurer, referred everyone to pages 8 – 11 of the package of handouts with the final figures for the last year and to pages 10-13 for the new quarter's numbers. He moved for adoption of both financial reports as printed. There was no discussion or questions and the reports were approved unanimously.

6. Mr. Glenn King, Finance Committee, recognized the folks of the Finance Committee, along with Mrs. Beth Hassell, and thanked them for all of their help. He moved for a motion to accept the Finance Committee Report. There was no discussion or questions and the report was approved unanimously.

7. Mr. Tom Taylor, Moderator, asked for any miscellaneous business to be brought forward at this time. No miscellaneous business was brought forward. He reminded everyone to fill out their conference evaluation forms so that they could be collected at the close of the meeting. He explained that these forms would be most useful to the association in the planning of future conferences.

8. Dr. Burke Holland presented a report for Baptist Retirement Homes. He was asked by David Phelps to be a part of the meeting, relieving David Phelps of his "guilt" in failing to recognize him at a previous occasion at Crossroads Baptist Church. He brought greetings from Baptist Retirement Homes. There are five (5) homes, but he wished there were more, due to the fact that seniors are the fasted growing population in the United States. Medical science has allowed an extension on life. 5% of this group need institutionalized assisted living. There is an offering that takes place in February; 100% of this money collected from churches goes to benevolent care. Over 70% of people in the Baptist Retirement Homes receive some type of benevolent care. He announced that Dr. Bill Stillman gives the final say to everyone admitted in their homes. Bill Stillman gives a promise to those who are admitted: "We will take care of you for the

rest of your life." They are the only ones who can give this promise, and the only way this promise can be made is through the churches' gifts to benevolent care. He requested that everyone, during the time of offering, remember that these gifts are not only 100% benevolent care, but that they back the promise. In 1951, the Baptist State Convention of North Carolina created care for elderly people, and since then, they have produced more and more homes until they reached five (5). People are requesting more homes and the promise is limiting this because the gifts aren't there. The problem is that last year they were millions short (CP gifts down 6%) and there are waiting lists of people who need benevolent care. He thanked everyone for February gifts that held firm. He asked that everyone accept the "thanks" of Baptist Retirement Homes for all they do for them, for the gifts given, and to remember the people who need benevolent care when the time comes in February. He extended thanks to David Phelps and the churches of the Atlantic Baptist Association.

9. Dr. Ben Gault began his report by saying he was grateful to Dr. Burke Holland for taking care of he and his peers in the 60+ age category. He also thanked David Phelps for allowing him the privilege to speak at the meeting. He thanked everyone on behalf of the Baptist Children's Home ministry, and Dr. Michael Blackwell, for what they do. There is an average of 2,000 children per year who are ministered to as well as 1,900 families per year. Their slogan is "Helping Hurting Children; Mending Broken Families". There is not much point to helping a child to be better and putting them back in the same situation. He expressed his opinion that today's American family life is in dire need of all the help it can get and that, beginning in September and ending December 1, Baptist Children's Homes solicits financial support for their ministry (Thanksgiving Offering). He explained his approach by stating "Would you invest in a child?" The question is, do we invest in a child now, or wait until they are a problem later? He gave the telephone number for the Mrs. Wyatt Stewart at the Baptist Children's Homes to request a presentation for your church regarding the Baptist Children's Homes. He announced that they also had a coloring book that could be used in promotion of the ministry. He brought up "Charity and Children", the monthly newsletter of the Baptist Children's Homes and how to get on the list to receive the newsletter. He presented a form to fill out in order to support Baptist Children's Homes by using your Food Lion MVP card. He spoke on another way to support the ministry; the collection of ink cartridges and old cellular phones. Federal Combined Campaign was discussed. Anyone who works for the Federal Government can designate where you want your money to go. He also requested that there be an associational representative from each association. He then went on to discuss Wilderness Camp, where 38-40 boys ages 8-16 live 365 days a year out in the woods in a shelter that they construct themselves. Each child has to prepare a meal one day a week. They are taught to pray for their needs. He addressed finances; 85.7% of every dollar contributed goes to the direct care of the children; the other 14.3% is used for promotion, administration, etc. He let everyone know there were reports available if interested. He asked that people pray for these children, thanked everyone again, and closed his report by reinstating the question, "Would you invest in a child?"

10. Dr. Jack Hinton, Congregational Missionary, Atlantic Baptist Association, came forward to give the first half of the associational reports, whereby he began by thanking everyone for their support of him and for the associational office. He expressed his enjoyment of what the office is able to do and that he looked forward to visiting with all of the churches in the association. He discussed books that he had prepared that he thought would be helpful to church libraries as well as personal libraries and announced that they would be available at the back table.

11. Rev. David Phelps, Director of Missions, Atlantic Baptist Association, began with the second half of the associational reports by announcing that there were several items of business that were important. He introduced Chuck Headden, Baptist Men's Director, Atlantic Baptist Association, and called him to come forward. As Mr. Headden made his way to the front, he made a request on behalf of Peletier's pastoral search committee to volunteer a church as the location for a Sunday evening sermon to be preached by a pastoral candidate. Chuck Headden came forward and discussed the sponsoring by the association through the Baptist State Convention, of a mission trip to Santa Domingo, Honduras September 23 – October 1. He explained the purpose of the trip was to construct a portable chapel that could then be taken to a local village in need of a structure. The hope is that the village would then construct a permanent structure, and the portable chapel could be taken down and reconstructed in another village, and so on and so on. He announced that he had three (3) openings and all that was needed was a passport and $875 and to see him after the meeting for an application. The third item he addressed was that of the State Missions Banquet August 23rd to be hosted by Parkview Baptist Church with speaker Dr. Jim Royston of the Baptist State Convention. He requested that churches pick up their newsletters at the end of the meeting where they would find on the cover, information on the State Missions Banquet. He expressed a desire to explore a partnership with the Pennsylvania/S. Jersey Baptist Convention. He explained that they were investigating the partnership in order to fulfill a need of a church for a roof and would be in need of about 7-8 men skilled to do this. The last item he addressed was the Fair Ministry. He announced that a packet of fair materials would be going out to all of the churches, WMU and Brotherhood and discussed the various needs of the Fair Ministry including: meal preparation, prayer, clothing, dentists, doctors, barbers and beauticians, evangelism booth workers, and help physically setting up. He stated that this ministry was to provide a physical need to meet a spiritual need. He made everyone aware that this ministry was done on a small scale the past year, but that this was the first time it would take place on a large scale. He encouraged everyone to get involved and thanked God for everyone in the association. He finished by adding a quick announcement of the GAs 90th Birthday Celebration.

12. Rev. Michael Bentley, Tabernacle Baptist Church, closed the meeting at 9:05 p.m. in prayer.

EXECUTIVE COMMITTEE MEETING
October 25, 2004
Parkview Baptist Church
Morehead City, NC

1. Rev. John Thompson led the congregation in a hymn.

2. Mr. Tom Taylor, Moderator, called the meeting to order.

3. Mr. Stuart Hassell of Parkview Baptist Church opened the meeting in prayer.

4. Mr. Tom Taylor, Moderator, referred everyone to the packet of handouts. He then received a motion to accept the Minutes of the July 26, 2004 meeting as printed. The motion carried unanimously.

5. Rev. Jack Bowen, Treasurer, began by thanking the Atlantic Baptist Association for the opportunity to serve and for the exceptional generosity in our Association. He then referred everyone to the financial report pages of the package of handouts. The first page shows the amount the churches have given to date. The next two pages show how that money has been spent. The final page indicates balances in the Money Market and Checking Accounts. He opened the floor for questions and there were none. He moved for adoption of the financial report as printed. There was no discussion and the report was approved unanimously.

6. Mr. Buddy Womack, Member of the Finance Committee, presented the Finance Committee Report. He referred everyone to line item 4 regarding the financial needs of the Fort Barnwell Hispanic Mission. The Missions Development Council made a request to the Budget and Finance Committee to provide up to $9,000.00 from the Associations cash reserves. It will reflect as an oversight on the budget at the end of the year. He explained that this is a matter of information for the Association. He opened the floor for discussion. David W. Phelps, Director of Missions, encouraged approval of the recommendation since God has blessed the Association financially and the funds are just sitting in the bank. This money will be used to build up the Kingdom of God as opposed to just building cash reserves.

7. Mr. Tom Taylor, Moderator, asked for any miscellaneous business to be brought at this time. No miscellaneous business was brought forward.

8. Mr. Frank Owen, Neuse River Baptist Church, was asked to share a report on Prison Ministries. He posed the question of whether or not our Association has placed enough emphasis on sharing the Gospel with inmates in our area. He shared the fact that inmates without Jesus have a return rate of 70%. Those who have a personal relationship with Christ have a return rate of 7%. The Rainbow Prison Ministry has experienced tremendous growth since in started in the Vanceboro Prison in 1977. During that time there have been 1,040 professions of faith and 4,564 Bibles handed out. The ministry began in the Craven County

Jail in 1997 with 211 professions of faith and 3,320 Bibles given. A popular resource is to provide the basic Emmaus Bible Course. Neuse River Baptist has decided to take on providing these studies for inmates to reduce the previous processing time from 6 weeks to less than 7 days. Several suggestions for ways the Association could help would include having men and women come and serve as counselors or to preach the Word of God. Financial support would also be beneficial and Bibles are also needed. Mr. Owen also offered to come and share with any church about the ministry. An opportunity was given for questions. Scott Cook requested information on what steps to take to provide Emmaus Study Courses to the inmates of Carteret County facilities. Another gentleman asked for specifics regarding financial needs. Mr. Owen shared that the basic study course costs $2.95 each and then Bibles (regular sturdy Bible costs around $15).

9. Mr. Raymond Earp, Director of the Missions Development Council, shared a report on the summer mission trip to Armenia. Thanks to the support of the Association, over 500 adults and children in Armenia have a Bible to read and over 300 children were able to attend Vacation Bible School. Also, there is a church with a new roof and the congregation will begin meeting in the very near future. He extended an invitation to anyone who would like to join in on a 10-day trip to Cuba starting on March 2 to help build a Youth Camp for children. It is a Cuban government requirement that all children attend a camp. Most go to communist facilities. This will be a tremendous opportunity. The cost of the trip is $1,200 and anyone interested should see David Phelps or Raymond.

10. Rev. Mike Huffman, Aurora Baptist Church, gave details regarding a 16-day mission trip to Johannesburg, South Africa from January 13-28, 2005. The initial request Mike made is for prayer support. The team, along with loving on the babies, will be helping to build a 2nd Baby House in Johannesburg. They will also be teaching in the schools, going to homes to minister to individuals with AIDS and offering encouragement to workers. About 12 people have signed-on so far and there's plenty room for more. He encouraged those interested to start with inoculations and securing their passport. Another opportunity to serve is to be a part of the prayer chain for the team as they prepare now and during the time they are in South Africa.

11. Rev. David W. Phelps, Director of Missions, began his report by mentioning that the Association will reimburse anyone going on a mission trip for shots. David announced details for the Fair Ministry Banquet on Nov. 6. He turned the podium over to Rev. Mike Williams, Colony Baptist Church, to begin the Fair Ministry Report. He shared of the wonderful things that happened through this ministry. Many of these Fair workers haven't had the opportunity of a good home life or the experience of unconditional love. It is a privilege and blessing to get to spend time with them. They are so hungry for love. Mike read a heartwarming note written by a young, teenage girl expressing her gratitude. He is looking forward to next year and is anticipating many additional volunteers coming to help and experience the same joy and blessing. Next, Lydia Allen of Neuse River Baptist shared. She coordinated the meals each day and she said that most of the time when we go to the Fair we ignore the workers who are

usually unkempt. She also said she noticed a big difference in how the workers have warmed to our volunteers as compared to last year. These people need love. They need somebody to reach out and care. She encouraged everyone to allow Jesus to reach out to these workers through them. David returned to the podium and mentioned that there were 4 professions of faith and many rededications. On the last night, he was taking time to go to each worker and pray with them before leaving. One man questioned why the volunteers were doing all the things they had done. He was able to answer, "Because there is a God in heaven Who loves you." When it comes to missions, if you can't go across the sea, you can go across the street. There are missions opportunities all around us.

12. Dr. Jack Hinton, Congregational Missionary, began by expressing how obvious it is that we have the best Association of churches in NC. There is such an excitement in hearing all the wonderful news reports this evening and the challenges issued for many ways to serve. He shared that the Association has 12 new study books available for each church library. He encouraged everyone to pray for the Lord to do even more marvelous things as we continue to serve. He is still in the miracle working business. We are a blessed people.

13. Rev. Scott Cook closed the service in prayer.

EXECUTIVE COMMITTEE MEETING
January 24, 2005
Newport Baptist Church
Newport, NC

1. Rev. Gary Carroll led the congregation in a hymn.

2. Mr. Tom Taylor, Moderator, called the meeting to order.

3. Rev. Dick Barber of South Creek Missionary Baptist Church opened the meeting in prayer.

4. Mr. Tom Taylor, Moderator, referred everyone to the packet of handouts. He asked that people spread the word that these Conferences and Executive Meetings are open to everyone. He then received a motion to accept the Minutes of the October 25, 2004 meeting as printed. The motion carried unanimously. He went on to introduce the new pastors and ministers in the Association as follows: Rev. William Whaley, Pastor of Peletier Missionary Baptist Church, Rev. Dick Barber, Pastor of South Creek Missionary Baptist Church, Rev. Johnny Thompson, Minister of Music of Colony Baptist Church (not present) and Charlie Miller, Minister of Youth & Leadership Development at First Baptist Church of Morehead City.

5. Rev. Jack Bowen, Treasurer, began by referring everyone to the financial report pages of the package of handouts. He has learned that the giving to the Association is the church's tithe. He thanked all the churches for their faithful

giving to the Association, prior to his term as Treasurer and since. He went on to tell the group that by bringing what you can before the Lord, He will multiply it to better reach our communities, our state, our nation and to reach the world. He presented the financial report for approval. There was no discussion and the report was approved unanimously.

6. Rev. Charles Royal, pastor of First Baptist Church of Morehead City, presented the budget proposal for 2005-2006. He indicated that this was an informational session and that nothing was to be voted on at this time. He pointed out the total increase in the budget as 2.5%, last year's budget being even greater so that the Association was able to bring on Jack Hinton. He asked that people pay attention to the added line item for the Prison Ministry, the increase in the Personnel line item and the addition of $1,000 for Small Church Growth under Education and Promotion; this item added in order to aid smaller churches in the purchase of needed resources. He asked for any questions or concerns and none were presented.

7. Mr. Tom Taylor, Moderator, asked for any miscellaneous business to be brought at this time. No miscellaneous business was brought forward.

8. Dr. George Tumlin, pastor of Fort Barnwell Missionary Baptist Church, was asked to share a report on the Military Ministry. He stated that the Association was in the process of developing a new way of reaching out to our military community based on their critical needs. The Association is seeking to develop a network of combat veterans to mentor those returning from combat areas in the Middle East. Being a Vietnam veteran himself and knowing what the situation was like, he feels that, although the "climate" of our nation is different, the stress of combat is still the same. The support of the population is not enough to deal with the issues these warriors have experienced. He requested that people go back to their churches and spread the word that we need combat veterans that were willing to give their time to serve as mentors to those seeking someone to identify with them while maintaining a high degree of confidentiality and trust. He announced that Dr. Charlie Parker, retired Navy chaplain and Vietnam veteran from Graceville, FL, would be leading the mentor training April 1st and 2nd and to contact either himself or David for those who were interested. He also asked that pastors attend this training as well. He expressed a concern for the National Guard and Reservists being sent into combat that they would return and be lost in the civilian community. He requested lots of prayer from the churches. A short discussion followed regarding the importance of the mentors being veterans of war.

9. Dr. Jack Hinton, Congregational Missionary, began by announcing that his report would be a short one. He shared that he had been to 33 of the 43 churches, but still planned to make it into all 43. He admitted he had made the mistake of scheduling a visit with 2 churches at the same time, but has just been so anxious to visit each church that he thought he'd get two in at a time. He closed by expressing his love for his work and his excitement for the plans and expectations for the future of the Association.

10. Rev. David W. Phelps, Director of Missions, began his report by following up with George Tumlin's report, noting a point well taken in the earlier discussion that followed the Military Ministry report, and assured everyone that they were looking for Christian combat veterans who could truly identify with the returning warriors. At this time, we know of no other association doing this type of program and therefore do not have a template to work with. Regardless of this fact, "just because no one has done it, doesn't mean it shouldn't be done," but we feel called by the Lord to do this and pray for wisdom. He then announced the start-up of the Nominating Committee that would be taking place in a couple of weeks and that pastors would be receiving a letter from the committee with a list of open positions, rotating and standing, and asked that these nominations be returned in a timely manner. David addressed the topic of Vacation Bible School next. He announced the director's training session that would be held at the Association office on Tuesday night at 6:45pm, February 8th. As a follow-up on Toni Cullum's cancelled conference in October, he let the group know that there would be information sent out on a rescheduled conference "Financial Treasurer's Report" for financial secretaries. He shared a short report on the South Africa mission team, who had a couple of mishaps, to include a rear-end accident, which required one team member to get four stitches, and Mike Huffman falling off a ladder. He asked that people be in continual prayer for the team and to pray for a safe return. On another missions note, he announced that the pastor of Bogue Banks Baptist Church and his wife (Patrick and Diana Williams) are in Myanmar (Burma), in a "backwoods" and dangerous area working with a Christian orphanage and then would be heading on to Niger, Africa for another two weeks. He requested prayer for a safe return for them as well. He expressed his thankfulness for a healthy association with healthy pastors and leaders. He opened the floor to questions. Jack Hinton pointed out that the Lay Renewal Training was coming up. David announced that 8 churches were currently signed up and that it was a wonderful opportunity to heal fractured fellowships. He asked Charles Royal to share his experience with First Baptist of Morehead's recent lay renewal revival. Rev. Royal shared that he strongly recommended it and encouraged churches to get involved with the program. Bob and Phyllis Foy are heading up the program as the key people in Eastern North Carolina for the NAMB. The Association is hoping to act as a catalyst to get the lay renewal program up and running in each church. He requested that each church planning to participate would get 13 teams for training the first Saturday in March at First Baptist Church of Havelock. We seem to talk about everything at church from cars to sports, but we don't talk about our faith. The lay renewal event is scheduled at this time for April 29, 30 and May 1, but this may change. He told anyone interested to call him at the office, at home or on his cell for more information.

11. Rev. Charlie Miller closed the service in prayer.

FINANCE COMMITTEE
Report to the Association
2005

The 2004-2005 Finance Committee has completed a review of the Association's financial records and operation procedures for the fiscal year beginning May 1, 2003 and ending April 30, 2004.

The review covered an examination of the Association's quarterly payroll taxes and found deposit slips to verify payment. Deposit slips were also found for payment of premiums on the Association's liability insurance. We randomly selected two months of the past year and thoroughly examined the handling of all cash receipts and disbursements, including a review of cancelled checks and deposit slips for the selected period. Based on the assumption that these samplings represent the condition of all records and procedures for the fiscal year, we feel there is no need for further inspection.

The Finance Committee believes that all monies received by the Association have been properly handled and accounted for and that proper procedures for disbursement of all funds have been faithfully followed.

The staff and officers of the Association are to be commended for keeping the financial records of the Association's ministry efforts up-to-date, easy to understand, available for review and above reproach. The churches of the Atlantic Baptist Association thank you.

Glenn King, Chairman

HISTORIAN
Report to the Association
2005

"Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations; spare not, lengthen thy cords and strengthen thy stakes..." Isaiah 54:2

Isaiah was called the Messianic Prophet because he so firmly believed that Israel was to be the Missionary Nation to the world. His nation would be the one through whom God would send the Savior of the world. The Savior has come and the churches in our association are proclaiming the Good News. We have strengthened our stakes through Christian Leadership Development Conferences and Spiritual Growth Conferences. The close ties and support for our pastors gained in the monthly Ministers' Conference give mush strength. Lay Revivals in our local churches renew our dedication and commitment. In August, First Baptist, New Bern, experienced wonderful renewal through a special series of worship service on Communion. They were led by the Reverend Steve Langford, Pastor of West Wray Baptist Church in Scotland. These services were held during the Sunday morning worship services and on Monday, Tuesday and Wednesday nights. These two churches are engaged in a partnership.

We have lengthened our cords through mission endeavors at home and abroad. In August, 12 people from Morehead City went with North Carolina Baptist Men's mission trip to Armenia. The men worked on construction. The women led a Vacation Bible School and helped in an eye examination clinic. Our association sponsored a two week mission trip to South Africa to work with the Door of Hope Ministry (orphanage) doing some building, visitation and children's Bible activities. A group from First Baptist, New Bern returned to Honduras in May to build a church in La Acequia. Twenty youth and adults worked in Jefferson City, Tennessee in June repairing houses for two families. Pastor Steve Fitzgerald and Glen Lawson went to Belize in October to nurture a new relationship between First Baptist Church and the Baptist Camp Leaders in Belize. Thirty-nine of our churches participated in the Operation Christmas Child Shoe Box collection with 3,119 boxes received in the association office. Cape Carteret and Cherry Point teamed up in May for a trip to Athens, Greece to complete painting and light carpentry work. This was in preparation for the Summer Olympic Ministries conducted by the International Mission Board of the Southern Baptist Convention.

In days of old, we were known as Missionary Baptist Churches. That name is still appropriate today. We are thankful for the churches that were able to take missions trips during this associational year. The pastor, Dr. Jerry Cloninger and Patrick Bryant from Tabernacle Church were in Nicaragua for a week in January. They taught gardening and farming skills in an area of great deprivation and poverty. At night they held Pastors Conferences and Evangelistic Services. Seventeen students and adults from Cape Carteret spent a week in Bangkok, Thailand working through the Baptist Student Center to share the Good News about Jesus Christ.

The entire area of our association is vulnerable to tropical storms and hurricanes. Our people are aware of this and have been most helpful in these times of need especially during the summer and fall of 2003 and 2004. There was a need for the North Carolina Baptist Men's Disaster and Relief to hold a training session in our area. First Baptist Church, New Bern, hosted this session the last weekend of March 2004. Fred and Loranda Walker of Currie, NC led the training and were housed in the Family Life Center. Hurricane Isabelle devastated the area, "Down East," and Pamlico County. Homes and churches were severely damaged. For more than a year many congregations worked long and hard to repair and restore homes and churches. Woodville Church opened a Food Pantry on Thursdays last fall to serve the emergency and disaster needs of the communities east of North River as well as the North and South River/Merrimon communities. Florida was hit hard by four hurricanes in 6 weeks in 2004. Over one hundred men from our association went to aid our neighbors to the south. The remnants of Frances and Ivan left Florida and came north to the western part of our state flooding our mountains and causing mudslides. Homes and businesses were washed away. Several highways were damaged and impassable. It was a labor of love which built strong relationships, strengthened faith and blessed the lives of the restorers and the restored.

All of our churches are engaged in local and associational mission activities. The Craven Regional Fair Ministry, a joint mission project of the churches and the association, has a far reaching witness to the 60 or 70 workers who travel the country. On the fairgrounds we had an evangelism booth, clothing closet, meals for fair workers, medical/dental bus, beauticians, barbers, worship services and relational evangelism. This group does not

have anyone to minister to their physical and spiritual needs. The women at Colony Church and the youth at McCotter Blvd. made salvation bracelets to be given away during the Fair Ministry.

The women at Parkview have "Heavenly Hands Morning" every Thursday with two ministries. "A Cup in His Name" serves soup to the hungry at Hope Mission. "Stitches of Love" is a nursing home ministry. The ladies take their sewing kits to the local nursing home to do light mending, sewing on buttons and stitching minor rips and tears.

First Baptist, Morehead City, has partnered with the Hispanic Mission that meets in their Family Life Center every Sunday afternoon. Their pastor, Cruzberto Hernandez recently went to Texas to receive education in Pastoral Skills. This additional education resulted in an increase in attendance. The mission has begun home visitation on Saturdays among the Hispanic folks. They now have Bible Study on Wednesday. They would like to start a course on Wednesday nights to teach their congregation English. In February they baptized members of all ages, held a wedding and started a New Members Class. Our Association and Bogue Banks Church have joined Morehead City in support of this Hispanic Ministry.

Several families from First Baptist, New Bern, went to Fort Caswell Baptist Assembly for its annual work retreat the first weekend in November. The church purchased 25 Bibles containing the New Testament and Psalms in the Jarai Language for the Montagnard Sunday School Class. The Sunday morning Worship Service broadcasts on a local TV station and continues to have a large audience.

"Higher Calling", a praise team at First Baptist, Havelock, led a wonderful worship service in the city park in the middle of Havelock. The men of the church prepared the meal, barbequed pig, for the annual inmate-family picnic at Newport Prison in September. This year they were also asked to prepare vegetables and desserts. At the Chili Festival in October they did more than sell chili. Led by the pastor, Dr. Donald Hadley, they talked to people about their church and Christ.

Cherry Point Church received a $3000 grant from the Baptist State Convention and North American Mission Board Hunger Fund to purchase Food Lion gift cards. These gift cards are disbursed through the Ministerial Outreach Food Pantry to Havelock families in need. The church has a Bible ministry to buy large print Bibles for prison inmates and study Bibles for outreach needs.

The Associational Military Ministry Committee established a mentoring support group to help returning military members deal with the stress of combat. Christian combat veterans and pastors are serving as mentors to military personnel in the church who have returned from the war zone. A training session was held in early April 2005. Dr. George Tumlin, pastor at Fort Barnwell Missionary Baptist Church and former Commanding Chaplain at Camp Lejeune, led the military ministry in this endeavor.

A former member of First Baptist, Havelock, Pete Benton, served in the Honor Guard at the funeral of former President, Ronald Reagan. Pete was assigned to the White House/Air Force One during the Reagan Presidency. He grew up in Havelock and was recognized by his hometown folks during the televised funeral services. The Youth

Director at First Baptist, Havelock, Jayson Troball, served as pallbearer at the funeral of former President, Richard Nixon. He was serving in the Coast Guard Special Forces at that time. With the military installations in our Association and adjoining associations, we have a strong awareness of the presence of our military men and women as we seek to serve and honor them.

Parkview had a wonderful and meaningful ceremony November 14th to honor our veterans. The highlight was gathering all veterans on the platform as each branch of service was recognized with its own flag and anthem. It was a beautiful sight as the platform overflowed with men and women who faithfully served our country.

Homecoming and anniversary celebrations are always a time of joy. First Baptist Church of Havelock had Homecoming on Sunday, October 10, 2004 which was on the long Columbus Day weekend. Cherry Point celebrated 52 years of ministry on Sunday, October 3, 2004. Dr. Curt Finch, a former interim pastor, delivered the message at both morning worship services. The 27th Homecoming at Cape Carteret was also on October 3rd with dinner on the grounds. Dr. Jack Hinton was Guest Minister at Newport's 51st anniversary on May 16th. The ladies wore a favorite hat "In Remembering When"!

A slow-down in building facilities does not mean that building in other activities has slowed down. Temple Baptist Church in New Bern has begun preparing the land on which to build new facilities. In October 2004, First Baptist of Havelock was able to purchase the Diffee Property at Highway 70 and Hollywood Blvd. in Havelock. Acquiring this highway frontage land gives the church five full acres on which to grow. Sea Level Church was almost destroyed by hurricane on September 18, 2003. With grit, determination, lots of faith, help from friends and a sizeable donation from First Baptist of Havelock, the church was able to recover her great loss. A year later the refurbished facility was dedicated. First Baptist of New Bern burned the cancelled note for the church's Family Life Center on August 18, 2004. The congregation was pleased to be debt free.

Our mission and local activities are in good hands with our young people. Many of them from several churches have gone on mission trips with the adults outside the states as well as within our borders. The youth group at Cherry Point sponsored, "Parent's Night Out." They provided childcare so that parents could enjoy a quiet time at home or a night out. They had several activities, played games with the children and watched movies. In April the young people at Havelock had a Pig Picking Fundraiser for Davis and Sea Level Baptist Churches, which were badly damaged by hurricane Isabel and needed outside help to rebuild. On the fourth Wednesday night of each month this group ministers the love of Jesus among the people at Britthaven Nursing Home in Newport. On Saturday, May 9th, they served a steak dinner in conjunction with the Week of Spiritual Revival. After overhead they tucked away $524 in their mission trip savings account. The children at First Baptist of New Bern had a Reverse Trick-or-Treat affair. They visited Bayview Nursing Home, delivered treats and paraded through the halls in their Halloween costumes. In February the young people had their annual Sweetheart Banquet to honor the adults. Cape Carteret young folks had a "See You at the Pole Rally" Sunday night, September 12th to gather support for Christian students across the world. They visited the Carolina House Nursing Home on December 11th and had a birthday party for Jesus on Saturday, December 18th. The young folks at Morehead City

have been busy...they began the year with a February overnight retreat. They met at four different homes for individual discussions and sleepover. There were group activities, meals, discussions and a guest speaker at the church. The church hosted a citywide Youth Renewal event in June. Jay Ham and his youth group from Emanuel Baptist Church in El Dorado, Arkansas assisted with this event. They were also involved with raising funds for a new bus. During the weekend of the North Carolina Seafood Festival in October, the young people manned four parking lots for funds for various activities.

Our Armed Forces have been in Iraq for two years now. They have liberated a nation from the tyranny of a dictator and are in the process of helping to establish a democracy. May God help us to continue our mission efforts to free all nations from darkness and bring them into a saving knowledge of Jesus Christ.

MEDICAL-DENTAL BUS MINISTRY

Report to the Association
2005

The Medical-Dental Bus has been in our Association two times this past year. It was at the Fair in Craven County in October for two days. We took care of the dental needs of the fair workers on those two nights and have scheduled the bus again for this coming year's fair.

The bus was also at Cherry Point Baptist Church for two days in March, treating 39 patients free of charge.

We need this ministry in our area to help those who are hurting and to share the gospel at the same time. Please pray for this ministry and how your church can make use of this powerful tool. I will be glad to talk and/or work with your church to help you get started with this ministry.

What an awesome ministry God has given us through the use of this bus.

Edith Robbins, Coordinator

MINISTERS' CONFERENCE
Report to the Association
2005

(* There are two separate reports given due to the annual rotation of the Ministers' Conference President differing from that of the Association's fiscal year.)

September 2003 – August 2004:
The ministers of the Atlantic Baptist Association meet monthly at the Association office in Havelock for encouragement and instruction. During 2003-2004, we had the opportunity to hear from Cindy Moss about Faith-Based Initiatives as we thought about impacting a greater portion of our communities. We discussed recruiting and training volunteers as we focused on expanding our ministry efforts in our churches. We focused on Children's Ministry in November when Lawrence Cole, Minister of Education from First Baptist Church of Jacksonville spoke to our ministers. Our December meeting was held at Capt. Bill's on the Morehead waterfront. Joe Nance, member of Cape Carteret Baptist Church and author of Murder by Suicide, shared his testimony of how God saved him from a life of despair. Wayne Oakes of the BSCNC spoke to us about understanding how we relate to others to better deal with conflict in the church. Cape Carteret Baptist Church hosted a simulcast led by H.B. London of Focus on the Family in February. We heard Dr. Ken Hemphill, who came to speak at the Spiritual Growth Conference. David Horton, president of the BSCNC spoke to the ministers in May. Bob Foy, President of Lay Renewal and Revival Ministry spoke to us in June. I had the privilege of speaking to the ministers in August about how to deal with discouragement in ministry. I am grateful for the opportunity to have served alongside the ministers of the Atlantic Baptist Association.

Whatever It Takes,
Pastor Kevin Clubb, President
Cape Carteret Baptist Church

September 2004-Present
Greetings to my fellow servants of Christ. The Atlantic Ministers' Conference has been meeting on the first Monday of each month. Our meetings consist of a time of fellowship, encouragement, teaching, singing, praying, idea sharing, and, of course, eating. We enjoy the meals provided by the various churches in the Association. First Baptist Church of Beaufort hosted our annual Christmas gathering with a wonderful steak dinner for the ministers and spouses. The Christmas gathering concluded at the Crystal Coast Jamboree to enjoy a Christmas celebration. We are looking forward to a prayer retreat later this year. We are grateful to Rev. Jack Lee of First Baptist Church of Beaufort and Vice-President of the Ministers' Conference, for leading the conference this year while I was recovery from surgery.

Grace to you and peace,
Pastor Terry D. McInnis, President
McCotter Boulevard Baptist Church

MISSIONS DEVELOPMENT COUNCIL

Report to the Association
2005

The Missions Development Council represents all of the Atlantic Baptist Association. The members of the council are: Raymond Earp, Mike Huffman, Ed Satterley, Norma Clark, Chuck Headden, David Pierce, Bill and Dorothy Loftin, Frank Owen, Edith Robbins, John Thompson, George Tumlin and the Association director David Phelps. This group works together to keep the Association involved in missions at home and around the world. This past year we have been involved in several mission projects including being involved with the county fair in October. Several churches were involved each evening with teams feeding, witnessing, singing and giving out clothes. The dental bus was also on hand. Many fair workers were ministered to and gave testimony of thanks to all we did. Teams who ministered were blessed by their volunteer ministry. These teams are looking forward to their work at the fair in 2005.

The Association continues to help support the church in Armenia. This village has been praying for a church for 50 years. Hopefully our team led by Raymond Earp will be able to finish this church in 2005. We also support the pastor of this church. Our 2004 team worked on the church, had over 200 in Bible School and gave out over 300 pairs of glasses.

Work for people whose homes were flooded continues down east and other places. More volunteers are needed to continue this important work.

We also sponsored Mike Huffman and his team to South Africa. Our work there has been a blessing to all those who volunteer.

We continue to support the Seaman Center at the port in Morehead City financially and with supplies needed at Christmas to prepare shoe boxes for each seaman. Drop by the center one evening when a shop is in and talk with a lonely seaman from Germany, South America, China, Ukraine, Philippines or many other places. It is "foreign missions" in our backyard.

Supplies are needed now for our team going to Armenia in August. If you will help, please call Anita Earp at 252-728-3070 or the Association office for a list. Many of our volunteers are available to give interesting reports to association churches. Everyone who volunteers home or overseas has a wonderful testimony!

Respectfully submitted,
Raymond Earp, Chairman

MUSIC MINISTRY

Report to the Association
2005

The Associational Spiritual Growth choir is always a highlight of the year. It just feels so good to have several churches pulling together for the Glory of God…lifting their voices all together…serving the Lord!!

Let me encourage you to "think about" a church band. There are many instrumentalists out there with instruments sitting in the closet. All you have to have is four or five. You don't have to have 20 or more. If you don't have a keyboard, try to get one so you can have the "string" sound. Also, don't forget all the sounds of the organ. Whatever is missing in the band can be filled in with the organ. All through history in all the great churches and cathedrals, the organ has always been the strong instrument for church music. It has been proven that a combination of organ, piano and keyboard make a great sound for worship. See if you can start a little band to play with these three instruments and you will see the faces of your people "light up" with excitement (the old and the new ideas all rolled into one).

Please don't ever stop using the hymns. The churches of today come and go, but great hymns such as "Just as I Am", "Love Lifted Me" and "Amazing Grace", are still being

sung. Use a service that involves all kinds of music so everyone will be happy. Remember, we all work together for the good of the people in God's church.

Musically yours,
Brother John Thompson, Director

OFFICE of ANNUITY
Report to the Association
2005

After a tumultuous three year period resulting in a dramatic economic downturn which adversely affected retirement accounts of millions of Americans a dramatic rebound occurred during the last year. As a result, the asset base of the Annuity Board gained over 1 billion dollars in one year for the first time since the Annuity Board was established in 1918 to serve ministers and employees of Southern Baptist churches. Concurrently, many participant retirement accounts recouped much of the funds which evaporated during the downturn. The downturn presented a serious challenge to our office in assisting participants with meaningful educational materials and resources to make wise investment decisions.

Secondly, the ongoing national health care crisis continues to present serious challenges to our churches who strive to be responsible employers by providing adequate medical insurance in a rapidly escalating cost environment. To assist in this effort, the Annuity Board responded this year by offering new medical insurance plans. These new plans offer more flexibility with varying levels of deductibles and monthly rates. Along with the new plans, the Board emphasized a three-step approach to address the rising cost of health care. First, the Annuity Board is aggressively managing costs and continuing to create plans that provide more options for participants. Second, participants are

encouraged to develop healthy habits related to eating and exercise. And, third, churches need to take the initiative, if at all possible, to provide medical coverage as a benefit for their ministers and staff rather than as a part of the salary package. Those church employees who live within the constraints of an antiquated "pay package" approach have seen a dramatic decline in disposable income if they have tried to maintain adequate medical insurance for themselves and their families.

Thirdly, as a result of actions taken by messengers at the annual meeting of the Southern Baptist Convention in Indianapolis, the Annuity Board gained permission to serve evangelical ministry organizations outside the SBC and to change the official name of the Annuity Board to GuideStone Financial Resources of the Southern Baptist Convention. The name change will become official with an affirmative vote at next year's annual convention in Nashville, Tennessee.

Fourthly, the Endowment ministry of the Annuity Board continued its work to make Southern Baptists aware of the tragic plight of retired ministers and their widows who were unable to plan adequately for retirement. Individuals and churches responded with open hearts and open hands as they helped to underwrite the financial assistance given to those who are in desperate need. More than 3,000 persons in our convention presently receive financial assistance with 335 residing in North Carolina.

As of May 31, 2004, North Carolina participants in the retirement plan moved above 5,200 in 2,332 (61%) of our churches. Our goal is to have all of our churches actively participating in the retirement plan provided by the Annuity Board of the SBC.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information related to products or services, call the Baptist State

Convention of NC at 1.800.395.5102 extensions 320 or 321, visit our Web site at www.bscnc.org, call the Annuity Board at 1.800.262.0511, or visit the Annuity Board Web site at www.absbc.org.

ORDINATION COMMITTEE
Report to the Association
2005

During the past 2004-2005 year, the Ordination Committee was asked by two churches to examine their candidates for ordination into the Gospel Ministry.

On August 17, 2004, John Mozingo, at the request of Spring Garden Baptist Church, was examined by the Committee. The Committee recommended his ordination by the church.

On September 2, 2004, Johnny Thompson, at the request of Colony Baptist Church, was examined by the Committee. The Committee recommended his ordination by the church.

PERSONNEL COMMITTEE

Report to the Association
2005

Our new year started off with two new staff members. Jack Hinton was presented to the Association during the April 2004 Executive Committee Meeting, and was unanimously approved as our Congregational Missionary to begin in May. The personnel committee had elected to query Jack after ninety days to see how well he was doing in his new position. He indicated that he was very busy and very happy. Jack has made his presence known in many of the churches in the Association. This new position has been a blessing to David and the Association in furthering God's work. We were blessed with many excellent applicants for the administrative assistant position vacated by Caroline Burch. Rachel Dupre accepted the position of Administrative Assistant and also began in May. Her willing and cheerful spirit has been a blessing to each of us.

We end the year with a full staff with only one task remaining. A Family Leave proposal will be presented during the April 2005 Executive Committee Meeting for consideration as an addition to the Association's Personnel Policy. We solicit your prayerful consideration of this proposal.

We appreciate the work of the Personnel Committee members for their time and patience during this year.

Respectfully submitted,
JoAnn Tadlock, Chairperson

PRISON MINISTRY

Report to the Association
2005

This report covers two areas of ministry:

1. The Rainbow Prison Ministry for evangelism.
2. The Rainbow Prison Ministry Bible Correspondence Course for soul-winning and discipleship (mentoring). We use Emmaus Bible Correspondence School courses.

Mentoring of inmates is crucial to reduce the return-to-prison rate for parolees. Those paroled without Christ have a 70% rate of return to prison. Those paroled with Christ have a 10% rate of return. A solid mentoring program will reduce that 10% rate even lower.

Rainbow Prison Ministry...began in August 1997 in Craven Correctional Institution located in Vanceboro, North Carolina and Craven County Jail located in New Bern, North Carolina. This ministry takes place Monday nights at Craven County Jail in New Bern and on Thursday nights at Craven Correctional in Vanceboro. Its mission is soul-winning through preaching the Bible and Scripture distribution. In January 2005 a third prison, Carteret County Prison in Newport, North Carolina, was added to this ministry. The results were as follows:

	Craven County Jail	Vanceboro Prison
Salvations	219	1,084
Rededications	593	1,788
Scriptures Distributed	3,620	5,098
Bible Correspondence Courses	72	270

Rainbow Prison Ministry Bible Correspondence Course...began December 2004. Its operation point is Neuse River Baptist Church in New Bern, North Carolina. The prisons that take part in this program are Craven County Jail, Vanceboro Prison and Carteret County Prison in Newport. The following table gives the statistics of this ministry for the months of December 2004 through March 2005:

SENIOR ADULT MINISTRY
Report to the Association
2005

It seems as if this past year has really flown by. Does time always go faster when you are older? Once again, our "Senior Adult Rallies" have been very successful!! I apologize

for missing one; I had to be in school that day. Even though I'm not in a church "fulltime", I thank you for the opportunity to serve in the Association. I will always try to make arrangements to be there when needed.

Please give me a call anytime you have a suggestion or anytime you want to help with the Senior Adult Ministry.

PLEASE REMEMBER, our churches would not be what they are or have a great "past history" if it was not for your senior adults. Don't ever leave them out of future planning. They are very wise.

Very sincerely,
Brother John Thompson, Director

SINGLE ADULT MINISTRY
Report to the Association
2005

The Singles Christian Fellowship continues to meet in fellowship every month on the fourth Saturday. Although the numbers remain small, Christian singles come from as far way as Davis, Swansboro, and Mill Creek. The common theme is always the search for someone who knows how it feels to be a Christian single in a couple's world, and interest in starting a fellowship closer to their areas. The Leadership Conference in January provided an opportunity to share visions of Christian service. We were pleased to know that some of those visions included ministries to the single adult----the often neglected group of twenty to forty-five age group.

The fellowship enjoyed a guest speaker this year with a Christian rendition of "Men are from Mars, Women are from Venus" to stress again the importance of being equally yoked with a fellow Christian. The speaker was prepared and received many questions from the singles on how to "read" each other. We also enjoyed another evening of selected singles sharing their favorite stories and poems that ranged from melancholy to downright funny. If laughter is food for the soul, then the soul is well-fed through interaction with the group. The fellowship enjoyed another evening demonstrating their artistic talents with play-dough. This will probably become an annual tradition proving we are all children at heart.

We covet your continued prayers for the singles ministry, and challenge you to consider initiating a Christian singles fellowship in your church or area if you have a smaller church. The Christian singles ministry includes fellowship, service, and continued growth in God's Word. It is a tremendous challenge and is equally rewarding when you see someone find the Perfect Peace.

STEWARDSHIP
Report to the Association
2005

Just as an individual must be a good steward of God's resources, a church should be even more responsible. You are responsible to see that your pastor is paid properly and in the most beneficial way, that he receive benefits and reimbursements that are sufficient. You need to be sure that the government's requirements are met concerning all your employees, and that the proper documents are filed in a timely manner. How does your church handle money and make reports to the church membership? Does your church tithe? Do you encourage your members to tithe? There are some important questions that need to be asked. If you need help in any of these areas, please feel free to contact us through the Association. Workshops will be available as well.

SUNDAY SCHOOL
Report to the Association
2005

During the past year, various opportunities for training church Sunday School leaders were offered. The July 2004 Leadership Training Conference featured age-group teacher training sessions led by State Convention consultants. In the churches of the Association, Sunday School is still the primary time and place where people get to know each other and care for each other, built around the desire to grow in God's Word. Sunday School is still where newcomers are first invited and introduced to the church family.

VACATION BIBLE SCHOOL
Report to the Association
2005

On Tuesday, February 8, 2005, an associational workshop for all VBS directors was held at the associational office in Havelock. The emphasis was on organization and how to set up a VBS. Diane Poag, who has been the VBS Director at First Baptist Church in Morehead City for 23 years, gave all directors who were in attendance a folder of schedules, flyers and letters that she has used in her VBS over the last several years.

There are a variety of VBS themes available for use each year by a variety of different publishers. The churches in our association are taking advantage of the many choices of themes that they have available to them.

Diane received a call from the new VBS director of McCotter Boulevard Baptist Church in Havelock requesting help. Diane has had several phone conversations with her and has told her that she would be glad to meet with her if she would like.

One week of VBS is equivalent to four months of Sunday School without ever missing a Sunday. That is such an important statistic! Vacation Bible School is so important! Every church needs to make sure that VBS is a priority. "Go ye therefore and teach..." is God's great commandment to all of His people. We carry that commandment out in our Vacation Bible Schools. We wonder what is happening to our world...Wouldn't it be wonderful if every child in the world could attend VBS every year!?! Our world would be a different place! We will start here in the Atlantic Baptist Association!

Thank you for the opportunity to serve our Lord!

In Christ,
Diane Poag, VBS Director

WOMEN'S MISSIONARY UNION

Report to the Association
2005

2004 – 2005 WMU EMPHASIS "CHRIST FOLLOWERS" is the theme. As the editor for Missions Mosaic said in a round about way, "Who are they trying to kid when they say one size fits all." As our WMU Team prayed together at the many meetings held this past year, we were very much made aware of the fact that it's what God's will is that fits all!

At one of the WMU Leader's workshops, the subject was "It's Time for a Regularly Scheduled Checkup!" Personal spiritual checkups too! This was our team's goal to strive for spreading the word to the churches that we are here for them! Prayers were answered.

In March 2004, our WMU provided information to help the Yancey Baptist Association in collecting Campbell Soup labels to get a van for use with their Hispanic Mission. We will continue to emphasize this need. This was also the "**entrance fee**" for the **GA 90th BIRTHDAY CELEBRATION** at Spring Garden Baptist Church. This event was held July 31st. Our team prayed and planned the event with Rosalie Amerson and Marsha Daugherty of Spring Garden. Our missionaries were Mike and Cindy Huffman, Erin Piner with Marjorie Jones, Alicia Hart, Fred and Janet Simpson, Arnie and Mary Lou Harrell, Wanda and Bob Estep and Fred Bertram. Our special singers were "Followers of Christ," a youth group from Beaufort. We had GA members past and present emblems and we believe we were able to celebrate each year represented by a GA group.

In October, our Association's churches, through the leadership of our WMU ladies, provided "Health Kits" for men, women and children for the Fair Ministry. This was our first year and we believe all the needs were met for this ministry.

The Annual WOM Women's Retreat in February carried the same WMU Emphasis. We did something very different this year and held the event in Swansboro, a friendly city by the sea. Our accommodations were in one place and our conference was held in the Civic Center. People were willing to be shuttled or drive to the Conference. We had 28 of the 43 churches represented at our retreat. Mary Jones, a very young missionary to Bangkok, Thailand, was most interesting. She was able to let us get a feel for the area and an insight as to how the tsunami would have affected the area. Our young singers "Followers of Christ" gave their testimony through their music. Deborah Lockey and her helpers from McCotter Blvd. Baptist Church filled our hearts with their singing, pantomime and music of "Go Light Your World". Ranger Brandy Biehl of Hammocks Beach State Park gave us a presentation on the "sand dollar." God's creation is mighty from the tiniest to the largest creature. Lauren Field's ministry through piano and song was all inspiring and beautiful. Our spirits were lifted and we truly had been ministered to through their love for our loving Lord.

In Christian service,
Norma Clark, WMU Director
